Moments with God Edward Grube, 2006 Lighthearted Gospel centered devotions encourages readers to apply Scripture as they take a break from their busy day *A Moment of Silence* Landy Pérez-Feliciano, 2014-09-25 God has designed a perfect plan and a specific purpose for each person who has decided to believe in His word This book will inspire and allow you to dream and believe in the promises that God has declared If you've been waiting for an answer from God and still haven't heard anything lower the volume of the noise surrounding you He is trying to whisper the answer to your problem Listen because the solution might be in the gentle whisper A Moment of Silence will help you discover your purpose in God and will help you define your position in Him Its content is light in the midst of darkness and a peace that calms the storm God speaks in the midst of silence we simply need to listen A Moment of Silence will provide you with the direction and clarity you need Don't miss God's blessing in your life for not distinguishing His voice His voice will give your life direction and guidance to the destiny He has prepared for you In the midst of your circumstances the Lord says I have a solution I have a purpose for your life and I want to reveal it to you as you stay still Give Me a moment of silence Are you willing to be silent and listen to Me If we desire to hear God seeking His presence should be a priority in our lives But how difficult this can be at times I think that one of the greatest challenges we face as believers is to keep our relationship with the Lord as number one in our agenda For this reason I am glad to see that God continues to raise willing people such as Landy to share on this very important matter I invite you to open your heart and get ready to hear what the Holy Spirit wants to speak to you through this book Lilly Goodman Psalmist and author of *La realidad de un sueo The Reality of a Dream* [Refresh and Heal Yourself through Meditation](#) Brahma Kumari Pari, 2019-08-22 Through using the knowledge and practices in this book the diseases in your body can be cured and you can remain in a refreshed healthy state Even if you do not have diseases in your body you could still read this book in order to have a better understanding 1 on how the cosmic energies serve you 2 about the relationships which you have with the cosmic energies God etc This book explains 1 how you can absorb God's energies to heal any disease which exists in your body 2 how to get the cosmic energies to serve you better so that you can live a better healthier life while achieving your aims 3 how you can heal yourself and remain healthy through a positive influence on the cosmic energies since the cosmic energies serve you based on your thoughts feelings aims etc 4 how you can get healed through your Holographic Body 5 about the Universal Laws through which you get healed 6 why practices involving Chi or Prana have been successfully used to heal people without any medicine 7 how the impure energies of the soul influence your body to get diseased and how the pure energies of the soul influence the healing of the body 8 how you can easily get healed through the soul conscious stage 9 how you can have more control over your mind intellect and memories and how this will assist you to get healed 10 how you can develop a close relationship with God through which you can get God's assistance to get or achieve whatever you want including good health 11 how you can have the energies from the Angelic World within

your aura and environment and how this will help to eliminate your diseases 12 how you and others can be cured through distant healing 13 how you can have hands that could heal through your touch 14 how the cosmic energies could provide food with better nutrients and medicinal value 15 how your body can get healed when you sleep in remembrance of God Through using the knowledge and meditation guidelines in this book you will establish your link to God and begin the process to get your body healed through being exposed to 1 God's powerful healing energies and 2 the cosmic energies which have been energised by God's energies These powerful cosmic energies Chi or Prana serve God and you well since they are in the powerful state Thus all diseases can be instantly eliminated from your body You can also expose yourself to God's energies so as to become and remain refreshed
