## **Money Oxford Worlds Classics:**

Power, Prose, and Purse Alison LaCroix, Saul Levmore, Martha C. Nussbaum, 2019-05-15 From Anthony Trollop to Sinclair Lewis and from Jane Austen to James Joyce and John Steinbeck many important novels touch on fundamental questions about the role of money in human affairs These questions are explored in this volume through the lens of law and literature The sixteen essays collected here by important theorists from a range of disciplines shed new light on the impact of economic change from the Industrial Revolution to the Great Depression Students of economics and business will gain a new appreciation of literature s insights on singular events and human emotions Similarly scholars and students of literature will gain an appreciation for the power of law and economics to inform literary and social analysis The volume s focus on novels about money and economic upheaval showcases the power of the disciplinary marriage of law and literature

*The Mouse Merchant* Arshia Sattar, 2015-05-22 Even in ancient India money is always a good thing and everyone wants it The stories in *The Mouse Merchant* selected from the Sanskrit universe from the period of the late Rig Veda to the twelfth century tell us how money was dealt with in everyday life in ancient and medieval Indian society At the heart of these tales is the merchant Sometimes gullible sometimes greedy ingenious at some moments dim witted at others and hopelessly in love with courtesans but also loyal to their wives our merchant heroes show how innovation in business is sometimes more important than capital *The Mouse Merchant* puts these stories into the context of Indian business history giving not only rare insights into the romance of the ancient seafaring life but also great wisdom about money

**Social Dramas** David A. Postles, 2010-11-22 How the repeated social tropes and paradigms of the City comedies give us an in depth look into everyday London society in the early 17th century Although literature is often assumed to belong to the sphere of representation rather than constituting an accurate reflection of social reality early modern English drama can tell us much about social attitudes in the early seventeenth century The City comedies were in particular composed by authors who were embedded in the mundane social existence of London in its quotidian transactions and exchanges in its less salubrious contexts of debt drinking death and incarceration To elucidate the complex social attitudes of the City urban elite five particular themes are explored the symbolism of attire matrimonial talk the use of money coin as metaphor and metonymy over exuberance towards the opportunity of the New World and continuing differences of speech and customary language use Although the dramatists had slightly differing allegiances their commentaries all illuminate middling society in the City of London This new work by David Postles raises important questions in an innovative manner It will certainly be welcomed by the historical community Bernard Capp FBA Dept of History University of Warwick David Postles is one of the most innovative social historians writing today Nigel Goose Professor of Social and Economic History University of Hertfordshire This book will be significant reading for all those working in the field It will be warmly received by readers and reviewers and will remain a work of reference for scholars and students for the future Greg Walker Regius Professor of Rhetoric and English Literature

University of Edinburgh      **Literature and Weather** Johannes Ungelenk, 2018-02-19 Literature and Weather Shakespeare Goethe Zola is dedicated to the relation between literature and weather i.e. a cultural practice and an everyday phenomenon that has played very different epistemic roles in the history of the world The study undertakes an archaeology of literature's affinity to the weather which tells the story of literature's weathery self-reflection and its creative reinventions as a medium in different epistemic and social circumstances The book undertakes extensive close readings of three exemplary literary texts Shakespeare's *The Tempest* Goethe's *The Sufferings of Young Werther* and Zola's *The Rougon Macquarts* These readings provide the basis for reconstructing three distinct formations negotiating the relationship between literature and weather in the 17th the 18th and the 19th centuries The study is a pioneering contribution to the recent debates of literature's indebtedness to the environment It initiates a rewriting of literary history that is weather-sensitive the question of literature's agency its power to affect cannot be raised without understanding the way the weather works in a certain cultural formation      *Handbook of Transatlantic North American Studies* Julia Straub, 2016-05-10 Transatlantic literary studies have provided important new perspectives on North American British and Irish literature They have led to a revision of literary history and the idea of a national literature They have changed the perception of the Anglo-American literary market and its many processes of transatlantic production distribution reception and criticism Rather than dwelling on comparisons or engaging with the notion of influence transatlantic literary studies seek to understand North American British and Irish literature as linked with each other by virtue of multi-layered historical and cultural ties and pay special attention to the many refractions and mutual interferences that have characterized these traditions since colonial times This handbook brings together articles that summarize some of the crucial transatlantic concepts debates and topics The contributions contained in this volume examine periods in literary and cultural history literary movements individual authors as well as genres from a transatlantic perspective combining theoretical insight with textual analysis      *Global Finance on Screen* Constantin Parvulescu, 2017-12-12 *Global Finance on Screen* is the first collection exclusively dedicated to a growing body of multi-format and multimedia audiovisual work that this book designates as the finance film Finance film provides critical visualizations of the secretive elitist PR firewalled and gender and race-biased world of finance and its mysterious characters jargon and products It reconstructs for the screen and for broader audiences finance's logics responsibilities practices and ethos and traces the effects of money markets investment credit debt bubbles and crashes on our well-being desires values and actions The chapters for this interdisciplinary collection are written by European and North American scholars in film studies anthropology business ethics cultural studies political economy and sociology They reveal and evaluate the ability of film to document financial cultures reflect economic cultural and political transformations related to financialization indicate the alienating and exploitative consequences of the growing role played by financial services in the global economy mobilize social action against finance's excesses as well as spread finance and capitalist mythology The collection offers in depth

investigations of feature films such as *Wall Street* *Freefall* *Margin Call* *Justice Co* *The Wolf of Wall Street* and *The Big Short* and documentaries such as *Inside Job* *Capitalism A Love Story* and *In a Strange Land*      *The Shakespearean International Yearbook* Tom Bishop,Alexa Alice Joubin,Deanne Williams,2023-12-22 This year publishing its twentieth volume *The Shakespearean International Yearbook* surveys the present state of Shakespeare studies addressing issues that are fundamental to our interpretive encounter with Shakespeare s work and his time across the whole spectrum of his literary output Contributions are solicited from scholars across the field from both hemispheres of the globe New trends are evaluated from the point of view of established scholarship and emerging work in the field is encouraged Each issue includes a special section under the guidance of a specialist Guest Editor along with coverage of the current state of the field in other aspects An essential reference tool for scholars of early modern literature and culture this annual publication captures from year to year current and developing thought in Shakespeare scholarship and theater practice worldwide There is a particular emphasis on Shakespeare studies in global contexts      *His Excellency Eugène Rougon* Émile Zola,2018-03-07 He loved power for power s sake He was without question the greatest of the Rougons *His Excellency Eug ne Rougon* 1876 is the sixth novel in Zola s twenty volume Rougon Macquart cycle A political novel set in the corridors of power and in the upper chelons of French Second Empire society including the Imperial court it focuses on the fluctuating fortunes of the authoritarian Eug ne Rougon the vice Emperor But it is more than just a chronicle It plunges the reader into the essential dynamics of the political the rivalries the scheming the jockeying for position the ups and downs the play of interests the lobbying and gossip the patronage and string pulling the bribery and blackmail and especially the manipulation of language for political purposes The novel s themes especially its treatment of political discourse have remarkable contemporary resonance *His Excellency Eug ne Rougon* is about politics everywhere      *The Secret Code of Japanese Candlesticks* Felipe Tudela,2008-04-30 A simple guide for using Japanese candlesticks correctly and profitably Candlesticks have gotten a lot of attention lately but few traders truly know how to use them wisely and profitably Without the proper context candlestick charting won t work In this book technical analysis expert Felipe Tudela shares candlestick creator Sokyu Honma s Great Market Cycle theory With the Great Market Cycle candlesticks reveal their powerful and simple logic and give traders the insight and context they need to use them successfully Using these insights readers will be able to trade each market phase in accordance with his or her own personal strategy Felipe Tudela Paris France is a researcher and specialist in technical analysis as well as President of the Center of Financial Research in Paris      *Individualism* Zubin Meer,2011-05-26 *Individualism The Cultural Logic of Modernity* explores ideas of the modern sovereign individual in the western cultural tradition Divided into two sections this volume surveys the history of western individualism in both its early and later forms chiefly from the sixteenth to the eighteenth centuries and then individualism in the twentieth century These essays boldly challenge not only the exclusionary framework and self assured teleology but also the metaphysical certainty of that remarkably tenacious narrative on the rise

of the individual Some essays question the correlation of realist characterization to the eighteenth century British novel while others champion the continuing political relevance of selfhood in modernist fiction over and against postmodern nihilism Yet others move to the foreground underappreciated topics such as the role of courtly cultures in the development of individualism Taken together the essays provocatively revise and enrich our understanding of individualism as the generative premise of modernity itself Authors especially considered include Locke Defoe Freud and Adorno The essays in this volume first began as papers presented at a conference of the American Comparative Literature Association held at Princeton University Among the contributors are Nancy Armstrong Deborah Cook James Cruise David Jenemann Lucy McNeece Vivasvan Soni Frederick Turner and Philip Weinstein

[The Late Modernist Novel](#) Seo Hee Im, 2022-06-09 The Late Modernist Novel explores how the novel reinvented itself for a Modernist age a world riven by war and capitalist expansion Seo Hee Im argues that the Anglophone novel first had to disassociate itself from the modern nation state and by extension national history which had anchored the genre from its very inception Existing studies of modernism show how the novel responded to the crisis in the national idea Polyglot high modernists experimented with cosmopolitanism and multilingualism on the level of style while the late modernists retreated to a literary nativism This book explores a younger generation of writers that incorporated empirical structures as theme and form to expand the genre beyond the nation state

*The Well-Educated Mind* Susan Wise Bauer, 2015-11-05 The enduring and engaging guide to educating yourself in the classical tradition Have you lost the art of reading for pleasure Are there books you know you should read but haven't because they seem too daunting In *The Well Educated Mind* Susan Wise Bauer provides a welcome and encouraging antidote to the distractions of our age electronic and otherwise Newly expanded and updated to include standout works from the twenty first century as well as essential readings in science from the earliest works of Hippocrates to the discovery of the asteroid that killed the dinosaurs *The Well Educated Mind* offers brief entertaining histories of six literary genres fiction autobiography history drama poetry and science accompanied by detailed instructions on how to read each type The annotated lists at the end of each chapter ranging from Cervantes to Cormac McCarthy Herodotus to Laurel Thatcher Ulrich Aristotle to Stephen Hawking preview recommended reading and encourage readers to make vital connections between ancient traditions and contemporary writing *The Well Educated Mind* reassures those readers who worry that they read too slowly or with below average comprehension If you can understand a daily newspaper there's no reason you can't read and enjoy Shakespeare's sonnets or *Jane Eyre* But no one should attempt to read the Great Books without a guide and a plan Bauer will show you how to allocate time to reading on a regular basis how to master difficult arguments how to make personal and literary judgments about what you read how to appreciate the resonant links among texts within a genre what does Anna Karenina owe to Madame Bovary and also between genres In her best selling work on home education *The Well Trained Mind* the author provided a road map of classical education for parents wishing to home school their children that book is now the premier

resource for home schoolers In *The Well Educated Mind* Bauer takes the same elements and techniques and adapts them to the use of adult readers who want both enjoyment and self improvement from the time they spend reading Followed carefully her advice will restore and expand the pleasure of the written word

**Language Change and Nineteenth-Century Science** Catherine Watts, 2023-06-05 Have you ever looked at a word and thought I wonder where that came from You might well find the answer in this book which considers the origin and formation of some of the many thousands of new words that were coined in English during the nineteenth century in the broad field of science Changes in society are often accompanied by the need to find names for such changes which in turn has an impact on how the language develops as a result The British Industrial Revolution ushered in a new era of language change which led to many new coinages in the English language reflecting scientific knowledge as it developed Many of these neologisms belong to specialist vocabulary but others do not and it is these lay coinages which form the focus of this book and are located within their social cultural and historical backgrounds Aimed at postgraduate students of the English language and all those interested in the history of the English language this work explores new worlds and offers an original and fascinating etymological journey through nineteenth century science in its broadest sense

*Benny the Blue Whale* Andy Stanton, 2024-10-17 AI is changing the world at frightening speed A bestselling author decides to find out more Something profound and utterly brilliant is going on hilarious THE TIMES Is ChatGPT the end of creative industries as we know them An ethical quagmire from which there is no return A threat to all our jobs as we keep hearing on the news Bestselling children's author Andy Stanton has made a career out of writing differently from the unconventional hero of his bestselling Mr Gum series to his penchant for absurdist plots his children's books are anything but formulaic When a friend introduces him to ChatGPT the new large language chatbot Andy is as sceptical as he is curious Can this jumble of algorithms really mimic the spontaneity of human thought Could it one day replace human authors like him for good And are we soon to be ruled over by despotic robot overlords He decides there's only one thing for it he must test this bot's capabilities Eventually he settles on a prompt that will push the algorithm to its

creative limits tell me a story about a blue whale with a tiny penis Chaos ensues What follows is a surprising and illuminating battle between Andy and ChatGPT that maybe just maybe might help us all understand AI a little bit better Join Andy and his beleaguered AI lackey on a rollicking metafictional journey through the art of storytelling Presenting his prompts and the AI generated narrative alongside extensive commentary Stanton provides a startling paean to the art of a good story and boundless human creativity Hopeful and hilarious Benny the Blue Whale provides a joyfully anarchic meditation on AI literature and why we write A WATERSTONES AND NEW SCIENTIST BEST BOOK OF 2023 There s no book like it Scholarly childish fascinating and hilarious one of our funniest writers dissects what it takes to build a story and what that tells us about being human It ll really make you think if you can stop laughing Chris Addison co creator of BREEDERS Entertaining and alarmingly relevant provocative and philosophically satisfying it s ultimately a profoundly human text OBSERVER A magnificent experiment by a perfect fool deep and shallow and stupid and clever the perfect use of AI Andy Intelligence Robin Ince author of THE IMPORTANCE OF BEING INTERESTED Benny the Blue Whale is many things It s a fascinating discourse on the nature of language and storytelling It s a philosophical treatise on the possibilities of artificial intelligence It s a receptacle for obscenely hilarious jokes A brilliant and beautiful cyborg part human brain part computational muscle It s a post post modern work of genius Anthony McGowan Carnegie Medal winning author of LARK

**Integral Dynamics** Ronnie Lessem,Alexander Schieffer,Samuel D. Rima,2016-05-23 The theory of integral dynamics is based on the view that the development of individual leaders or entrepreneurs requires the simultaneous development of institutions and societies It seeks a specific way forward for each society fundamentally different from but drawing on its past Nearly every natural science has been transformed from an analytically based approach to a dynamic one now it is time for society and culture to follow suit locally and globally Each culture discipline and person is incomplete and is in need of others in order to develop and evolve This book sets out a curriculum for a new integral trans cultural and trans disciplinary area of study inclusive of but extending beyond economics and enterprise It embraces a trans personal perspective linking self with community enterprise and society and focusing on the vital relationship between local identity and global integrity For the government policy maker the enlightened business practitioner and the student and researcher into economics and enterprise the new discipline is set out here in complete detail by a multi national team of Gower s Transformation and Innovation Series authors Illuminated with examples relating the conceptual to the practical this is a text not for a pre modern modern or even post modern era but for what has been called our trans modern age
