## **Media Rituals Media Rituals:**

**Media Rituals** Nick Couldry, 2005-07-08 Media Rituals rethinks our accepted concepts of ritual behaviour for a media saturated age It connects ritual directly with questions of power government and surveillance and explores the ritual space which the media construct and where their power is legitimated Drawing on sociological and anthropological approaches to the study of ritual Couldry applies the work of theorists such as Durkheim Bourdieu and Bloch to a number of important media arenas the public media event reality TV Webcam sites talk shows and docu soaps media pilgrimages the construction of celebrity In a final chapter he imagines a different world where the media s ritual power is less because the possibilities of participation in media production are more evenly shared Media, Ritual and Identity James Curran, Tamar

Liebes, 2002-09-11 Media Ritual and Identity examines the role of the media in society its complex influence on democratic processes and its participation in the construction and affirmation of different social identities It draws extensively upon cultural anthropology and combines a commanding overview of contemporary media debates with a series of fascinating case studies ranging from political ritual on television to broadcasting in the third world **Media, Ritual and Identity** James

Curran, Tamar Liebes, 2002-09-11 Media Ritual and Identity examines the role of the media in society its complex influence on democratic processes and its participation in the construction and affirmation of different social identities It draws extensively upon cultural anthropology and combines a commanding overview of contemporary media debates with a series of fascinating case studies ranging from political ritual on television to broadcasting in the third world **Theorizing**

**Rituals, Volume 1: Issues, Topics, Approaches, Concepts** Jens Kreinath, J.A.M. Snoek, Michael Stausberg, 2018-08-14

Volume one of Theorizing Rituals assembles 34 leading scholars from various countries and disciplines working within this field The authors review main methodological and meta theoretical problems part I followed by some of the classical issues part II Further chapters discuss main approaches to theorizing rituals part III and explore some key analytical concepts for theorizing rituals part IV The volume is provided with extensive indices *Reality TV* Susan Murray, Laurie Ouellette, 2009 A

collection of essays which provide a comprehensive picture of how and why the genre of reality television emerged what it means how it differs from earlier television programming and how it engages societies industries and individuals *Ritual*

*Matters* Ute Husken, Christiane Brosius, 2012-08-21 This book explores the interaction of rituals and ritualised practices utilising a cross cultural approach It discusses whether and why rituals are important today and why they are possibly even more relevant than before Being Present: Mobile Cinema in Kham Tibetan Areas Jianbin Guo, Jingjing Chen, 2024-07-31

This book presents the restoration of rural mobile cinema network in the Great Triangle region at the conjunction of Yunnan Sichuan and Tibet in China in the new century which has added a new chapter to the long standing complex relationship between cinema and social change Based on five years of multi sited fieldwork abundant interviews and oral history narratives this work shows the entanglement of the State the projectionists and local film viewers in the historical and social

context in a holistic analytic framework By using the key concept of being present to examine the tangling relations between the actors in mobile cinema as social practice the work argues that mobile cinema and contemporary Chinese society are mutually constructed in both textual and practical level

**Celebrating Democracy** Mark W. Brewin,2008  
How has the mass media changed our experience of Election Day This chronological account of Election Day in Philadelphia begins in the colonial era and traces the evolution of the democratic process through to the present day Using a variety of sources the book documents how Philadelphians have dramatically changed the ways in which they perform and discuss Election Day and examines the significance of these changes using them as a lens through which to understand differing conceptions of democratic life Particular attention is paid to the day's status as a mass mediated ritual and the various forms of media among them broadsides newspapers television and the Internet that have dominated public portrayals of the occasion Well researched and written Celebrating Democracy is as much about the history of Election Day as it is about the history of American journalism and mass media

**Media Anthropology** Eric W. Rothenbuhler,Mihai Coman,2005-05-05  
Media Anthropology represents a convergence of issues and interests on anthropological approaches to the study of media The purpose of this reader is to promote the identity of the field of study identify its major concepts methods and bibliography comment on the state of the art and provide examples of current research Based on original articles by leading scholars from several countries and academic disciplines Media Anthropology provides essays introducing the issues

reviewing the field forging new conceptual syntheses      *Religion, Language, and the Human Mind* Paul Anthony Chilton, Monika Weronika Kopytowska, 2018 Religion is a multi faceted and complex human phenomenon combining many different mental and social characteristics Among these language plays a crucial though often neglected role This volume brings together groundbreaking work from linguistics cognitive science and neuroscience as well as from religious studies in order to illuminate the origins and centrality of religion in human life      Cultural Meanings of News Daniel A. Berkowitz, 2011 What is news Why does news turn out like it does What factors influence the creation production and dissemination of news Cultural Meanings of News takes on these deceptively simple questions through an essential collection of seminal and contemporary studies by leaders in the fields of mass communication and media studies Similar in format and purpose to editor Dan Berkowitz s award winning Social Meanings of News this new volume represents a conceptual update a continuation of the discourse about the nature of news and how it comes to be moving ideas ahead from the earlier tradition of sociological approaches to the more pervasive cultural perspectives that inform understandings about news Cultural Meanings of News provides a carefully selected set of readings organized into thematic areas that each probe a dimension of the literature from sociological roots to cultural perspectives news as narrative and cultural text newswork as cultural ritual news as cultural myth news and its interpretive communities news as a source and reflection of collective memory toward the future of news research This text reader provides students and scholars with first hand exposure to cultural approaches to the study of news while also providing an organizing framework for understanding the commonalties and differences between threads in the research The goals are to engage readers through guided immersion in the material

*Theater in a Crowded Fire* Lee Gilmore, 2010 Accompanying DVD provides dramatic views into the varieties of spirituality ritual and performance conducted within the festival space      **Digital Democracy and the Impact of Technology on Governance and Politics: New Globalized Practices** Akrivopoulou, Christina M., 2013-03-31 The evolution of modern technology has allowed digital democracy and e governance to transform traditional ideas on political dialogue and accountability Digital Democracy and the Impact of Technology on Governance and Politics New Globalized Practices brings together a detailed examination of the new ideas on electronic citizenship electronic democracy e governance and digital legitimacy By combining theory with the study of law and of matters of public policy this book is essential for both academic and legal scholars researchers and practitioners      American Cultural Studies Catherine A. Warren, Mary Douglas Vavrus, 2002 American Cultural Studies is a conversation among scholars about the sometimes contentious issue of what a specifically American cultural studies might look like Assembling some of the field s most eloquent commentators this volume stresses the importance of a historically informed cultural studies and delves into the discipline s roots in pragmatism social activism and radical politics It also considers the moral and social responsibilities of citizen intellectuals in the United States Throughout these spirited discussions the emphasis is on moving from theory to practice from text based to experience based

research from spectator to conversation based models of narrative production from a historical to historically informed analysis and from political detachment to political engagement Speaking from a variety of perspectives contributors advocate ways to integrate private scholarship with public participation by incorporating the lessons of feminist methodologies grounded in dialogue and ethnographic fieldwork by recentering cultural studies on issues of economic opportunity and job equity or by physically returning as a participant to one's home community Offering fresh perspectives from within and outside the field American Cultural Studies calls for intellectuals to engage in the cultures they study By doing so practitioners of cultural studies may succeed in affecting rather than merely describing the tensions and forces at work in the United States its policies its media structures and its disintegrating democracy
