**J.M.W. Turner and the Subject of History** Leo Costello, 2017-07-05 J M W Turner and the Subject of History is an in depth consideration of the artist s complex response to the challenge of creating history paintings in the early nineteenth century Structured around the linked themes of making and unmaking of creation and destruction this book examines how Turner s history paintings reveal changing notions of individual and collective identity at a time when the British Empire was simultaneously developing and fragmenting Turner similarly emerges as a conflicted subject one whose artistic modernism emerged out of a desire to both continue and exceed his eighteenth century aesthetic background by responding to the altered political and historical circumstances of the nineteenth century The Collected Letters of Sir George and Lady Beaumont to the Wordsworth Family, 1803-1829 Jessica Fay, 2021 This edition presents and fully contextualizes an archive of letters that reveal the creative and personal significance of the friendship between William Wordsworth and Sir George Beaumont Spanning twenty six years this inter familial correspondence comprises discussion of literature and painting

gardening and theatre politics and religion grief hope and aspiration      **Landscape and Ideology** Ann Bermingham,1986 In this interdisciplinary study Ann Bermingham explores the complex ambiguous and often contradictory relationship between English landscape painting and the socio economic changes that accompanied enclosure and the Industrial Revolution      **Cultural Functions of Intermedial Exploration** ,2021-11-08 This collection of 19 essays is the first one devoted to function oriented analyses of intermedial interrelationships in literature art music and film The contributors among others Werner Wolf James Heffernan Walter Bernhart Siglind Bruhn Claus Cl ver Valerie Robillard and Tamar Yacobi are leading international scholars in the field of intermediality The common basis of the essays in this volume ranging from intermedial studies of medieval liturgical practices early cinema modernist art ekphrasis music and literature art and literature film and literature hymns and pop music to the musical and technological aspects of Concrete poetry is the ambition to pay attention to the cultural contexts that enhance the significance of these intermedial works and trends under examination Since the contributions cover different types of intermedial endeavours from various periods and times a kind of historicizing perspective is outlined So in pursuit of a still lacking coherent historical survey of cultural functions of intermediality this volume might be recognized as a step towards such a Funktionsgeschichte for intermedial exploration

**Literature, Voice, Meaning** Garry L Hagberg,2025-05-31 There has been a steady stream of articles written on the relations between conceptions of meaning and the interpretation of literature but there remains a need for a book that both introduces and significantly contributes to an elucidation and understanding of the ways that voice and tone contribute to the determination of meaning Only rarely have considerations of voice been brought together with considerations of meaning determination the work of Stanley Cavell covered in one section of this book is a leading example This volume thus offers an analytically acute and culturally rich way of understanding how it is that we can productively think philosophically about meaning in language and literature in a more inclusive expansive and indeed human way      *Impressionism: A Feminist Reading* Norma Broude,2019-08-16 An original interpretation of Impressionism and nineteenth century art and culture by a noted feminist art historian This book is a pioneering reading of Impressionism from a feminist perspective by a noted art historian Norma Broude analyzes the philosophical underpinnings of landscape painting in the late nineteenth century discussing the crit      **Art and Form** Sam Rose,2019-03-25 This important new study reevaluates British art writing and the rise of formalism in the visual arts from 1900 to 1939 Taking Roger Fry as his starting point Sam Rose rethinks how ideas about form influenced modernist culture and the movement s significance to art history today In the context of modernism formalist critics are often thought to be interested in art rather than life a stance exemplified in their support for abstract works that exclude the world outside But through careful attention to early twentieth century connoisseurship aesthetics art education design and art in colonial Nigeria and India Rose builds an expanded account of form based on its engagement with the social world Art and Form thus opens discussions on a range of urgent topics in art writing from its history and the

constructions of high and low culture to the idea of global modernism Rose demonstrates the true breadth of formalism and shows how it lends a new richness to thought about art and visual culture in the early to mid twentieth century Accessibly written and analytically sophisticated Art and Form opens exciting new paths of inquiry into the meaning and lasting importance of formalism and its ties to modernism It will be invaluable for scholars and enthusiasts of art history and visual culture

**John Constable's Correspondence: Patrons dealers, and fellow artists** John Constable,1966 **God and Enchantment of Place** David Brown,2004-10-15 David Brown argues for the importance of experience of God as mediated through place in all its variety He explores the various ways in which such experiences once formed an essential element in making religion integral to human life and argues for their reinstatement at the centre of theological discussions about the existence of God In effect the discussion continues the theme of Brown s two much praised earlier volumes Tradition and Imagination and Discipleship and Imagination in its advocacy of the need for Christian theology to take much more seriously its relationship with the various wider cultures in which it has been set In its challenge to conventional philosophy of religion the book will be of interest to theologians and philosophers and also to historians of art and culture generally **Bulletin** Omaha Public Library,1901

**Cultivating Picturacy** James A. W. Heffernan,2006 While words typically frame and regulate our experience of art the study explains how pictures can contest the authority of the words we use to interpret art

Color and Meaning John Gage,1999 John Gage s Color and Meaning is full of ideas He is one of the best writers on art now alive A S Byatt Booker Prize winner **Genealogical Dictionary of Maine and New Hampshire** Sybil Noyes,Charles Thornton Libby,Walter Goodwin Davis,1928 The Century Dictionary and Cyclopedia ,1906 Ecocriticism and the Anthropocene in Nineteenth-Century Art and Visual Culture Maura Coughlin,Emily Gephart,2019-09-06 In this volume emerging and established scholars bring ethical and political concerns for the environment nonhuman animals and social justice to the study of nineteenth century visual culture They draw their theoretical inspiration from the vitality of emerging critical discourses such as new materialism ecofeminism critical animal studies food studies object oriented ontology and affect theory This timely volume looks back at the early decades of the Anthropocene to query the agency of visual culture to critique create and maintain more resilient and biologically diverse local and global ecologies
