the job force of tomorrow so choosing a career that will best fit with the needs of the changing world will be important to job
satisfaction and a successful life With the vast array of career and job options it will also be important for young adults to
understand which work will be the best match for their interests talents goals and personality types Certain careers are
expected to gain importance within the early decades of the twenty first century In general the number of job opportunities
for mechanics is expected to increase slower than the average for all occupations However job opportunities are expected to
be very good for mechanics that complete a training program and receive special certification to work on alternative fuel
vehicles There are already millions of alternative fuel vehicles driving on the roads today As this number grows the world will
need more mechanics who know how to work on this new generation of green vehicles Could you be one of them *GMAT*
