## **Media Relations Media Relations:**

**On Deadline** Carole Howard, Wilma Mathews, 1985

**On Deadline** Carole M. Howard, Wilma K. Mathews, 2013-03-01

Media relations professionals must know how to stay ahead of the game to be effective in today's complex world. It is no longer enough that they craft news releases, orchestrate interviews, and build sustaining relationships with reporters. Their multiple roles now include planner, crisis manager, communicator, counselor, and strategist. Called virtually an encyclopedia of media relations by one reviewer, the Fifth Edition covers relationships with reporters, spokesperson training, news conferences, and special events; integrating media relations into marketing communications plans; crisis management; global media relations; ethics; establishing a media policy within the organization; measuring results; and becoming a counselor to management. Its practical advice and how-to ideas draw on current case studies, most involving social media, and the authors' extensive experience in the U.S. and around the world. With a clear and fast-moving style, the Fifth Edition maintains its status as the foremost book on media relations in the corporate and nonprofit sectors. It is a must-read for prospective and current media relations professionals dedicated to maximizing their organizations' results.

**On Deadline** Carole M. Howard, Wilma K. Mathews, J. Suzanne Horsley, 2020-12-30 With a clear and fast-moving style, the Sixth Edition maintains its status as the foremost book on media relations in the corporate, nonprofit, and government sectors. The authors retained the best and enduring aspects of media relations in the previous edition while skillfully integrating all current trends, such as the increased reliance on technology, complex legal rulings, and concerns about credibility that have had an impact on how professionals work with the media. **On Deadline** is a must-read for prospective and current media relations professionals dedicated to maximizing their organization's results. As one reviewer remarked, **On Deadline** is like having a professional mentor and media consultant on speed dial. It presents all the tools necessary to plan and implement a successful media relations program, from relationships with reporters, crisis management, and global media relations to spokesperson training, ethical and legal issues, news conferences, and special events. New case studies illustrate the multiple roles of media relations professional as planner, crisis manager, communicator, counselor, and strategist in a world that encounters ubiquitous messages dispersed at the speed of light.

**Master Media Relations** Donna Giancontieri, 2008-12 **Master Media Relations** is a comprehensive strategy for communicating with the media, whether on the offensive or the defensive. This book supplies professionals across many diverse fields with the tools they need to generate good publicity, deflect negative coverage, answer questions on the fly, and handle reporters under any given circumstance. Public officials, law enforcement agents, attorneys, business owners, administrators, nonprofits, and all spokespersons will learn from this guide how to steer the direction of a news story. **Master Media Relations** educates news sources on the realities and fundamentals of media contact. How to handle media interviews. How to derail negative publicity. How to manage public information in a crisis situation. How to craft a story idea to promote an agenda or project. How to build a relationship with reporters. How to counteract errors and misquotes.
