### Interface Terms

#### Understanding the Start Screen & the Ribbon

Use the **Start Screen** to open an existing file or create a new document. The Start Screen launches when starting Word without a document. If a document is open, choose the "File" tab in the Ribbon to enter Backstage View and then select "New" or "Open" from the menu for similar options.

The **Ribbon** is displayed along the top of the application window. The Ribbon is divided into tabs. Within these tabs are different groups of commands that perform various functions, accessed through the use of buttons, boxes, and menus.

### Interface Basics

#### Using the Ribbon

1. To **hide and show the contents in the Ribbon**, double-click the active tab in the Ribbon.
2. To **change button groups shown in the Ribbon**, click the tabs at the top of the Ribbon.
3. To **show or hide "Contextual" tabs**, click to select or click away to de-select the object.
4. To **access commands**, click a Ribbon tab and use the buttons, boxes and menus within the command groups of the active tab.
5. To **access advanced options**, click the "Dialog Box Launcher" button in a button group, if available.

#### Using the File Tab & Backstage View

1. To **open "Backstage View"** and perform file management, click the "File" tab at the left end of the Ribbon.
2. To **see additional options for a command**, click on a command in the left section of "Backstage View."

#### Using the Quick Access Toolbar

1. To **show or hide the Quick Access Toolbar**, click the "Ribbon Display Options" button in the Ribbon and select "Show (or Hide) Quick Access Toolbar."
2. To **change the location of the Quick Access Toolbar**, click the "Customize Quick Access Toolbar" button and select either "Show Below the Ribbon" or "Show Above the Ribbon."
3. To **add a button**, right-click on a command button or function in the Ribbon and choose the "Add to Quick Access Toolbar" command.
4. To **remove a button**, right-click the button in the Quick Access Toolbar and choose the "Remove from Quick Access Toolbar" command.
5. To **access advanced customization**, click the "Customize Quick Access Toolbar" button, select "More Commands" and then a command group from the drop-down at the top of the left column. To **add a command**, select it on the left, click the "Add" button and then "OK." To **remove a command**, select it on the right, click the "Remove" button and then "OK."

#### Enabling and Disabling Touch Mode

1. Click the "Customize Quick Access Toolbar" button in the Quick Access Toolbar and choose the "Touch/Mouse Mode" option.
2. Click the "Touch/Mouse Mode" button that appears in the Quick Access Toolbar and select either "Mouse" or "Touch."

#### Using the Status Bar

The Status Bar runs along the bottom of the program window. By default, it contains document view buttons and the Zoom Slider.

To **customize the Status Bar**, right-click anywhere on the Status Bar and check (to display) or un-check (to hide) any available features.

#### Changing Document Views

1. Click one of the three "View" buttons at the far-right of the Status Bar or click the "View" tab in the Ribbon and click one of the views in the "Views" group.
2. To **use the "Zoom Slider"**, click and drag the slider control at the far-right end of the Status Bar.
3. To **use a preset magnification**, click the "View" tab in the Ribbon and then click the "Zoom" button in the "Zoom" group to select a magnification and click "OK."

### File Management

#### Creating New Documents

Click the "File" tab in the Ribbon and select "New" from the menu on the left within Backstage View.

1. To **create a new document**, click either the BLANK document thumbnail or a template thumbnail (and any available variants) and then click the "Create" button.
2. To **find online templates**, click a "Suggested searches" link or type in the "Search for online templates" text box and press "Enter" or click the "Start searching" button.
3. To **view custom templates**, click the "Personal" link.
4. To **pin templates to the "Featured" list**, hover over the template and click the "Pin to list" button.

#### Saving Documents

To **overwrite a file that has already been saved**, click the "File" tab in the Ribbon and click the "Save" command at the left of Backstage View.

To **save a document for the first time or to save a document with a different name or in a different location**:

1. Click the "File" tab in the Ribbon and click the "Save As" command at the left of Backstage View.
2. Click to select a location ("This PC," "OneDrive," or other location, such as a SharePoint Server for some Office 365 subscribers).
3. Click a folder name or the "Browse" button.
4. Navigate to the location where you want to save the file in the "Save As" dialog box.
5. Type a name in the "File name" text box and click the "Save" button.

#### Saving Documents as a PDF or XPS

PDF and XPS are standardized file formats that can be read and printed with a free copy of Adobe Reader or XPS Reader and don't require Office to be installed to view the files. To **save a file as a PDF or XPS**:

1. Click the "File" tab in the Ribbon and choose the "Export" command at the left of Backstage View.
2. Click the "Create PDF/XPS Document" command in the "Export" area.
3. Click the "Create PDF/XPS" button.
4. Navigate to the location where you want to save the file in the "Publish as PDF or XPS" dialog box.
5. Type a name in the "File name" text box, choose either "PDF" or "XPS Document" from the "Save as type" drop-down, and click the "Publish" button.

#### Opening Documents

Click the "File" tab in the Ribbon and choose the "Open" command at the left of Backstage View, if necessary. To **pin a recent document to the "Pinned" list for easy access later**, hover over the file and click the "Pin this item to the list" push pin. To **un-pin**, click it again.

To **open a document**, click to select a "Recent" or "Pinned" file. Or,

1. Click to select the file's location ("This PC," "OneDrive," or other location).
2. Click a recent folder or the "Browse" button.
3. Navigate to the file and click the "Open" button.

#### Opening Files Containing Macros

Macros are small programs that perform frequent tasks within applications. Macros are usually harmless, but **can** contain malicious code. By default, Office disables macros. If the file is from a trusted source, enable the macros by clicking the "Enable Content" button in the Message Bar.

#### Recovering Unsaved Documents

1. Select the "File" tab in the Ribbon and choose the "Open" command at the left of Backstage View.
2. Select the "Recent" command in the "Open" area in the middle pane.
3. Click the "Recover Unsaved Documents" button at the bottom of the "Recent" pane.
4. Select the file in the "Open" dialog box in the unsaved files folder.
5. Click the "Open" button.

### **Microsoft Word Quick Reference Guide Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Microsoft Word Quick Reference Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Microsoft Word Quick Reference Guide has opened up a world of possibilities. Downloading Microsoft Word Quick Reference Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Microsoft Word Quick Reference Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Microsoft Word Quick Reference Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Microsoft Word Quick Reference Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Microsoft Word Quick Reference Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Microsoft Word Quick Reference Guide has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
