

The background of the cover is a vibrant, abstract sculpture. It is constructed from numerous sticks and branches, some of which are painted in bright colors like yellow, light blue, and pink. The sculpture has a complex, organic form with many openings and recessed areas. In the lower-left background, there is a small, simple wooden table with a flat top and four legs. On the table, there is a small, rectangular object that looks like a framed picture or a small screen. In the lower-right background, there is a small, white, rectangular sign with red text that reads "JESUS LOVES YOU YOU LOVE JESUS". The overall style is artistic and expressive, with a focus on color and form.

Middle of Nowhere Sara M. Patterson, 2016-02-15 Pilgrims travel thousands of miles to visit Salvation Mountain a unique religious structure in the Southern California desert Built by Leonard Knight 1931 2014 variously described as a modern day prophet and an outsider artist Salvation Mountain offers a message of divine love for humanity In Middle of Nowhere Sara M Patterson argues that Knight was a spiritual descendant of the early Christian desert ascetics who escaped to the desert in order to experience God more fully Like his early Christian predecessors Knight received visitors from all over the world who were seeking his wisdom In Knight s wisdom they found a critique of capitalism a challenge to religious divisions and a celebration of the common person Recounting the pilgrims stories Middle of Nowhere examines how Knight and the pilgrims constructed a sacred space one that is now crumbling since the death of its creator Religion in Plain View Sally M.
