Vampire God Mary Y. Hallab, 2010-03-30 It seems we re awash in vampires these days in everything from movies television shows and novels to role playing games rock bands and breakfast cereals But what accounts for their enduring popular appeal In Vampire God Mary Y Hallab examines the mythic figure of the vampire from its origins in early Greek and Slavic folklore its transformation by Romantics like Byron Le Fanu and Stoker and its diverse representations in present day popular culture The allure of the vampire Hallab argues lies in its persistent undeadness its

refusal to accept its mortal destiny of death and decay Vampires appeal to our fear of dying and our hope for immortality and as a focus for our doubts and speculations vampire literature offers answers to many of our most urgent questions about the meaning of death the nature of the human soul and its possible survival after bodily dissolution Clearly written with wry humor Vampire God is a thoroughly researched ambitious study that draws on cultural anthropological and religious perspectives to explore the significance and function of the vampire in relation to the scientific social psychological and religious beliefs of its time and place Such a Dark Thing M. Jess Peacock,2015-02-05 Evil death demons reanimation and resurrection While such topics are often reserved for the darker mindscapes of the vampire subgenre within popular culture they are equally integral elements of religious history and belief Despite the cultural shift of presenting vampires in a secular light the traditional figure of the vampire within cinema and literature has a rich legacy of serving as a theological marker Whether as a symbol of the allure of sin as an apologetic for assorted religious icons or as a gateway into a discussion of liberationist theology the vampire has served as a spiritual touchstone from Bram Stoker's Dracula to Stephen King's Salem's Lot to the HBO television series True Blood In Such a Dark Thing Jess Peacock examines how the figure of the vampire is able to traverse and interconnect theology and academia within the larger popular culture in a compelling and engaging manner The vampire straddles the ineffable chasm between life and death and speaks to the transcendent in all of us tapping into our fundamental curiosity of what if anything exists beyond the mortal coil giving us a glimpse into the interminable while maintaining a cultural currency that is never dead and buried **This is Not a Vampire Story** Simon Doyle,2025-01-07 Seventeen year old Victor Callahan holds a secret as ancient as the shadows Employed as a night porter in a quiet Irish nursing home the teenager watches over a group of men he once knew a long time ago Victor has orchestrated their reunion for a final farewell a goodbye to those whose lives have shaped him through the years But can he keep his secret from Lakeshore Manor's oldest resident James O Carroll As he cares for these remnants of his past memories of a bygone era haunt him of wild adventures on the rugged Irish coast of forbidden love hidden beneath the threat of eternal night and of a shipwreck that changes everything Gloria Pinto the night nurse doesn't like him But maybe she has her own secrets THIS IS NOT A VAMPIRE STORY weaves a tale of timeless bonds the cost of immortality and the lengths we go to for love But is love more important than life The Essential Dracula Bram Stoker,Raymond T. McNally,Radu Florescu,1979 An annotated edition of Stoker's classic vampire tale with photographs from film versions and notes on the historic background of the story **Pirates of the Highway** Bruce T. Pelletier,2023-03-06 Take a fantastic voyage across the United States of America through the eyes of a madman behind an 18 wheeler as we witness history unfold in each page of excitement That's right folks the Evil Genius from Chicago has traveled on the dusty roads of Winnemucca Nevada to the I 5 and I 95 highways Some people dream of being an over the road driver but not all dreams are good ones and being alone was the hardest part of this career There are some history lessons inside each chapter as well and soon the trucking industry will be a thing of the
