Midnight's Descendants South Asia From Partition To The Present Day:

Midnight's Descendants John Keay, 2014 An epic narrative history that compares and contrasts the fortunes of all the countries that make up South Asia If British India had not been partitioned in 1947 its population would today be the world's largest At c1 5 billion Midnight's Descendants the offspring of those affected by the midnight hour Partition already outnumber Europeans and Chinese and they are growing faster than either They comprise all the peoples of what is now called South Asia the preferred term for the partitioned subcontinent of modern India Pakistan and Bangladesh plus Nepal and Sri Lanka Midnight's Descendants is the first history of the region as a whole Correlating and contrasting the fortunes of all the constituent nations over the last six decades affords unique insights into what is hailed as one of the world's most dynamic regions John Keay is an expert on the region and the book will be the first account to incorporate the rich story of South Asia's transnational or diasporic peoples from the overlooked narratives of the subcontinent to the rise of India as a global force Midnight's Descendants will be expansive and tumultuous in the great tradition of India's narrative epics

Midnight's Descendants: South Asia from Partition to the Present Day John Keay, 2014-01-16 The first modern history of all South Asia's peoples
Midnight's Descendants John Keay, 2014-03-11 Dispersed across India Pakistan Nepal Bangladesh and Sri Lanka Midnight's Descendants the generations born since the 1947 midnight hour partition of British India are the world's fastest growing population This vast region and its peoples wield an enormous influence over global economics and geopolitics yet their impact is too often simplified by accounts that focus solely on one nation and ignore the intricate web of affiliations that shape relations among British India's successor states Now in Midnight's Descendants celebrated historian John Keay presents the first comprehensive history of this complex and interconnected region delving deep into the events that have shaped its past and continue to guide its future The 1947 partition was devastating to the larger of the newly created states and it continues to haunt them to this day Joined by their common origin and the fear of further partition the five key nations of South Asia have progressed in tandem to a large degree These countries have been forced to grapple with common challenges from undeveloped economies and fractured societies to foreign interventions and the fraught legacy of imperialism leaving them irrevocably intertwined Combining authoritative historical analysis with vivid reportage Keay masterfully charts South Asia's winding path toward modernization and democratization over the past sixty years Along the way he unravels the volatile India Pakistan relationship the rise of religious fundamentalism the wars that raged in Kashmir and Sri Lanka and the fortunes of millions of South Asia migrants dispersed throughout the world creating a full and nuanced understanding of this dynamic region Expansive and dramatic Midnight's Descendants is a sweeping narrative of South Asia's recent history from the aftermath of the 1947 partition to the region's present day efforts to transcend its turbulent past and assume its rightful role in global politics
Anglo-Indians and Minority Politics in South Asia Uther Charlton-Stevens, 2017-11-03 Anglo Indians are a mixed race Christian and

Anglophone minority community which arose in South Asia during the long period of European colonialism. An often neglected part of the British Raj, their presence complicates the traditional binary through which British imperialism is viewed of ruler and ruled, coloniser and colonised. The book analyses the processes of ethnic group formation and political organisation beginning with petitions to the East India Company, state through the Raj's constitutional communalism to constitution making for the new India. It details how Anglo Indians sought to preserve protected areas of state and railway employment amidst the growing demands of Indian nationalism. Anglo Indians both suffered and benefitted from colonial British prejudices, being expected to loyally serve the colonial state as a result of their ties of kinship and culture to the colonial power whilst being the victims of racial and social discrimination. This mixed experience was embodied in their intermediate position in the Raj's evolving socio-racial employment hierarchy. The question of why and how a numerically small group who were privileged relative to the great majority of people in South Asia were granted nominated representatives and reserved employment in the new Indian Constitution amidst a general curtailment of minority group rights is tackled directly. Based on a wide range of source materials from Indian and British archives including the Anglo Indian Review and the debates of the Constituent Assembly of India, the book illuminatingly foregrounds the issues facing the smaller minorities during the drawn out process of decolonisation in South Asia. It will be of interest to students and researchers of South Asia, Imperial and Global History, Politics and Mixed Race Studies.

A Technological History of Cold-War India, 1947-1969 William A.T. Logan, 2021-11-01. This book provides a technological history of modern India, in particular the Nehruvian development in the context of the Cold War. Through a series of case studies about military modernization, transportation infrastructure and electric power, it examines how the ideals of autarky and technological indigenization conflicted with the economic and political realities of the Cold War world. Where other studies tend to focus on the political leaders and economists who oversaw development, this book demonstrates how the perspective of the engineers, government bureaucrats and aid workers informed and ultimately implemented development.

Handbook of Asian States: Part 1 LIT Verlag, 2022-11-08. This handbook presents precise yet accessible up to date information about the geography, history, culture, politics and economy of 49 Asian states ranging from Afghanistan, Bangladesh and China to India, Russia and Yemen. The targeted readership consists primarily of scholars, students, teachers, journalists and other mediators of political education as well as anyone interested in politics. It is a basic work that contributes to comparative assessments of this hugely important and diverse region.

Himalaya John Keay,2022-11-08 Excellent packed with information and interesting anecdotes The Washington Post A groundbreaking new look at Himalaya and how climate change is re casting one of the world s most unique geophysical historical environmental and social regions More rugged and elevated than any other zone on earth Himalaya embraces all of Tibet plus six of the world s eight major mountain ranges and nearly all its highest peaks It contains around 50 000 glaciers and the most extensive permafrost outside the polar region 35% of the global population depends on Himalaya s freshwater for crop irrigation protein and increasingly hydro power Over an area nearly as big as Europe the population is scattered often nomadic and always sparse Many languages are spoken some are written and few are related Religious allegiances are

equally diverse The region is also politically fragmented its borders belonging to multiple nations with no unity in how to address the risks posed by Himalaya s environment including a volatile near tropical latitude in which temperatures climb from sub zero at night to 80 F by day Himalaya has drawn an illustrious succession of admirers from explorers surveyors and sportsmen to botanists and zoologists ethnologists and geologists missionaries and mountaineers It now sits seismically unstable as tectonic plates continue to shift and the region remains gridlocked in a global debate surrounding climate change Himalaya is historian John Keay s striking case for this spectacular but endangered corner of the planet as one of its most essential wonders Without an other worldly ethos and respect for its confounding utterly fascinating features John argues Himalaya will soon cease to exist

Local Peacebuilding and Legitimacy Landon E. Hancock, Christopher Mitchell, 2018-02-15 This volume searches for pragmatic answers to the problems that continue to beset peacebuilding efforts at all levels of society with a singular focus on the role of legitimacy Many peacebuilding efforts are hampered by their inability to gain the support of those they are trying to help at the local level or those at regional national or international levels whose support is necessary either for success at the local level or to translate local successes to wider arenas There is no one agreed upon reason for the difficulty in translating peacebuilding from one arena of action to another but among those elements that have been studied one that appears understudied or assumed to be unimportant is the role of legitimacy Many questions can be asked about legitimacy as a concept and this volume addresses these questions through multiple case studies which examine legitimacy at local regional national and international levels as well as looking at how legitimacy at one level either translates or fails to translate at other levels in order to correlate the level of legitimacy with the success or failure of peacebuilding projects and programs The value of this work lies both in the breadth of the cases and the singular focus on the role of legitimacy in peacebuilding By focusing on this concept this volume represents an attempt to build beyond the critical peacebuilding approach of deconstructing the liberal peacebuilding paradigm to a search for pragmatic answers to the problems that continue to plague peacebuilding efforts at all levels of society This book will be of much interest to students of peacebuilding conflict resolution development studies security studies and International Relations

Handbook of Asian States Markus Porsche-Ludwig, Ying-Yu Chen, 2021 This handbook presents precise yet accessible up to date information about the geography history culture politics and economy of 49 Asian states ranging from Afghanistan Bangladesh and China to India Russia and Yemen The targeted readership consists primarily of scholars students teachers journalists and other mediators of political education as well as anyone interested in politics It is a basic work that contributes to comparative assessments of this hugely important and diverse region

Studies in Intelligence, 2014 **Sikkim** Andrew Duff, 2015-05-14 A history of larger than life characters and the demise of the tiny Himalayan kingdom nestled between India and China This is the true story of Sikkim a tiny Buddhist kingdom in the Himalayas that survived the end of the British Empire only to be annexed by India in 1975 It tells the remarkable tale of Thondup Namgyal

the last King of Sikkim and his American wife Hope Cooke thrust unwittingly into the spotlight as they sought support for Sikkim's independence after their fairytale wedding in 1963. As tensions between India and China spilled over into war in the Himalayas, Sikkim became a pawn in the Cold War in Asia during the 1960s and 1970s. Rumors circulated that Hope was a CIA spy. Meanwhile, a shadowy Scottish adventuress, the Kazini of Chakung, married to Sikkim's leading political figure, coordinated opposition to the Palace. As the world's major powers jostled for regional supremacy during the early 1970s, Sikkim and its ruling family never stood a chance. On the eve of declaring an emergency across India, Indira Gandhi outwitted everyone to bring down the curtain on the 300-year-old Namgyal dynasty. Based on interviews and archive research as well as a retracing of a journey the author's grandfather made in 1922, this is a thrilling, romantic, and informative glimpse of a real life Shangri-La. Praise for Sikkim: A remarkable piece of detective work. Fascinating human stories, a very valuable addition to how the Cold War played out in South Asia and to the history of the foreign policies of China, India, and the U.S. Michael Burleigh, author of *The Best of Times, the Worst of Times*. *Navigating Deep River* Mark W. Dennis, Darren J. N. Middleton, 2020-04-01. An interdisciplinary dialogue with Shikuko End's last novel offering new perspectives on Japanese culture, Christian doctrine, Hindu spiritualities, and Buddhist worldviews. In *Navigating Deep River*, Mark W. Dennis and Darren J. N. Middleton have curated a wide-ranging discussion of Shikuko End's final novel, *Deep River*, in which four careworn Japanese tourists' journey to India's holy Ganges in search of spiritual as well as existential renewal. *Navigating Deep River* evaluates and probes End's decades-long search to find the words to explain Transcendent Mystery, the difficult tension between faith and doubt, the purpose of spiritual journeys, and the challenges posed by the reality of religious pluralism in an increasingly diverse world. The contributors, including Van C. Gessel, who translated *Deep River* into English in 1994, offer an engaged and patient exploration of this major text in world fiction, and this anthology promises to deepen academic appreciation for End within and beyond the West. This volume contextualizes, delineates, and articulates the complex religious, theological, spiritual dimensions of *Deep River* and its rich intertextual, interpersonal, psychosocial, and literary aspects. There are few edited volumes in which so many experts focus on a single Japanese text in this sustained manner, and this stands as a model of how to do so deftly and productively. David C. Stahl, author of *Social Trauma: Narrative, Memory, and Recovery in Japanese Literature and Film*. *Nimita's Place* Akshita Nanda, 2019-01-30. It is 1944 in India, and Nimita Khosla yearns to attend university to become an engineer, but her parents want a different life for her. As she accepts her fate and marries, religious upheaval is splitting the country and forcing her family to find a new home. In 2014, her granddaughter, molecular biologist Nimita Sachdev, escapes India to run away from the prospect of an arranged marriage. Staking out a future in Singapore, she faces rising anger against immigrants and uncertainty about her new home. Two generations apart, these two women walk divergent paths but face the same quandaries: who are we, and what is home? **From Midnight to Glorious Morning?** Mihir Bose, 2017-07-03. Mihir Bose was born in January 1947. Eight months later, India became a modern free

nation The country he knew growing up in the 1960s has undergone vast and radical change India today exports food sends space probes to Mars and all too often Indian businesses rescue their ailing competitors in the West In *From Midnight to Glorious Morning* Bose travels the length and breadth of India to explore how a country that many doubted would survive has been transformed into one capable of rivaling China as the world's preeminent economic superpower Multifarious challenges still continue to plague the country although inequality and corruption are issues not unique to India such a rapid ascent to global prominence creates a precarious position However as Bose outlines this rapid ascent provides evidence that India is ever capable of making great strides in the face of great adversity Bose's penetrating analysis of the last seventy years asks what is yet to be done for India in order to fulfill the destiny with which it has been imbued The predictions of doom in August 1947 have proved to be unfounded the growth of the nation in population and capital has been exponential and there is much to celebrate But Bose's nuanced personal and trenchant book shows that it is naive to pretend the hoped for bright morning has yet dawned

The Sage Encyclopedia of Refugee Studies Yen Le Espiritu, 2025-09-01 Refugees and displacement are defining issues of the 21st century with over 70 million asylum seekers refugees and stateless individuals forced from their homes as of 2020 Every two seconds one person is forcibly displaced due to climate change global epidemics and ongoing conflicts The SAGE Encyclopedia of Refugee Studies edited by members of The Critical Refugee Studies Collective serves as a vital and comprehensive resource for understanding the historical political and cultural dimensions of displacement Featuring over 250 authoritative articles this landmark reference work is organized into three key themes law politics and policy humanitarianism and humanitarian organizations and media culture and storytelling Drawing from disciplines such as migration studies Indigenous studies critical race studies environmental studies sociology political science law anthropology and the arts this encyclopedia critically examines refugee issues in relation to imperialism racism patriarchy and militarism Beyond academic analysis The SAGE Encyclopedia of Refugee Studies centers refugee voices through narratives first person accounts and visual storytelling highlighting the lived experiences communities and creative expressions of displaced individuals This essential resource is invaluable for scholars educators policymakers community based organizations and refugees themselves

Midnights Descendants South Asia From Partition To The Present Day Introduction

In today's digital age, the availability of *Midnights Descendants South Asia From Partition To The Present Day* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Midnights Descendants South Asia From Partition To The Present Day* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Midnights Descendants South Asia From Partition To The Present Day* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Midnights Descendants South Asia From Partition To The Present Day* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Midnights Descendants South Asia From Partition To The Present Day* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Midnights Descendants South Asia From Partition To The Present Day* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Midnights Descendants South Asia From Partition To The Present Day* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

Midnights Descendants South Asia From Partition To The Present Day

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Midnights Descendants South Asia From Partition To The Present Day books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Midnights Descendants South Asia From Partition To The Present Day books and manuals for download and embark on your journey of knowledge?

FAQs About Midnights Descendants South Asia From Partition To The Present Day Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Midnights Descendants South Asia From Partition To The Present Day is one of the best book in our library for free trial. We provide copy of Midnights Descendants South Asia From Partition To The Present Day in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Midnights Descendants South Asia From Partition To The Present Day.
