Reconciliation, Forgiveness and Violence in Africa Marius J. Nel, Dion A. Forster, Christo H. Thesnaar, 2020-04-07 What might reconciliation and forgiveness mean in relation to various forms of personal structural and historical violence across the African continent This volume of essays seeks to engage these complex and contested ethical issues from three different disciplinary perspectives Biblical Studies Systematic Theology and Practical Theology Each of the authors reflects on aspects of reconciliation forgiveness and violence from within their respective African contexts They do so by employing the tools and resources of their respective disciplines The end result is a rich and textured set of interdisciplinary theological insights that will help the reader to navigate these issues with a greater measure of understanding and a broader perspective than what a single approach might offer What is particularly encouraging is that the chapters represent research from established scholars in their fields recent PhD graduates and current PhD students This is the first book to be published under the auspices of the Unit for Reconciliation and Justice in the Beyers Naud Centre for Public Theology

A Journey Called Aging James C. Fisher, Henry C.

Simmons, 2012-11-12 **A Journey Called Aging** presents an insightful exploration of the years between the entry into older adulthood and death. This text examines the significant changes and major landmarks of older persons between 60 and 90. Grounded by a developmental framework based on empirical research, this book presents a new way of looking at older adulthood, describing the older adult years in intensely human terms through both anecdotes and research-based findings to engage the reader as both guide and traveler. Using a series of sequential stages as a framework, *A Journey Called Aging* discusses the experiences of older adults, addressing the challenges and opportunities presented at each stage. This clear analysis can be used as a guide to help persons plan their own odyssey through the older years. Topics in *A Journey Called Aging* include research and results of the study entering older adulthood, the long stable stage of Extended Middle Age, Early Transition, Older Adult Lifestyle, Later Transition, the stable stage near the end of life, and the final transition. *A Journey Called Aging* is crucial reading for professionals who work with older adults, including pastors, attorneys, facilities managers, and program directors, gerontology educators, and students, and older adults themselves, their families, and those who care for and about them.

Cyber Worship in Multifaith Perspectives Mohamed Taher, 2006 *Cyber Worship in Multifaith Perspectives* as is implied by its name, explores worship, i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc., on the Internet. It is not an everything-you-need-to-know guide about the subjects of faith and belief, religions online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric of cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term Cyber Worship is a catchall phrase which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.

Moving Toward Spiritual Maturity Neil Pembroke, 2012-11-12 *Three windows to spiritual maturity: How can a faithful Christian avoid stagnating in their spiritual development? Moving Toward Spiritual Maturity: Psychological, Contemplative, and Moral Challenges in Christian Living* explores effective ways in which Christian discipleship can grow in spiritual maturity. This thoughtful integrative roadmap explains the journey through three interrelated perspectives or windows: psychotherapeutic psychology, prayer and contemplation, and moral theology. The author uses numerous examples from everyday life to make the reflections interesting and practical. Unlike other books on Christian spirituality, this book is more challenging and sophisticated in its depth of thought. Spiritual maturity is a process that begins when a person accepts Jesus Christ as Savior and progresses ongoing through a Christian's life. *Moving Toward Spiritual Maturity* discusses in detail the challenges one must face, including the sustained, in-depth, and faithful attention to psychological wholeness, conversion to the true self, and interpersonal and social responsibility. Effective strategies are given through example and personal story.

making understanding of the principles easier This reflection on Christian maturity helps readers to focus directly on the personal issues all must face when attuning to the Spirit of Christ Topics in *Moving Toward Spiritual Maturity* include reforming the wayward self moral or guilt based perfectionism achievement or shame based perfectionism the two types of conversion responsibility and accountability agape and the loving of oneself three virtues at the heart of the responsible life integrity courage and compassion virtues as habits the relationship between personal fulfillment and the Christian vocation *Moving Toward Spiritual Maturity* is a unique look at the path toward spiritual maturity and is challenging thoughtful reading for laypersons ministers priests and theological students **Living, Loving and Loss** Brad

DeFord, Richard Gilbert, 2016-12-05 One of the unspoken aspects of mourning concerns the ways that loss affects our intimate relationships and our sexual expressiveness This text opens these subjects for conversation with the aim of promoting the trust care and respect that enable us to be vulnerable It purposefully covers a range of topics including 1 the meaning of intimacy and the significance of sexuality providing a basis for the use of these terms throughout the book 2 death grief and differences in sexual orientation including death and intimacy in the lesbian gay bisexual and transgender LGBT community and the losses endured by young people due to gender issues 3 loss of relationship and restoration of intimacy in families including pharmacological effects on the grief processes of widowers grieving a not so loved parent the layered losses of infertility and intimacy and the tolls of war intimacy and sexuality challenges for soldiers and their families 4 adjusting to life's losses associated with aging or illness or infirmity including Alzheimer's and dementia related illnesses physical health losses after 50 and intimacy sex and hospice self determination and dignity at the end of life and 5 religious bases that have shaped our perspectives for understanding intimacy sexuality and healing after loss and which give us hope including the spiritual reflections of a rabbi and a Christian voice in defining what is right Set in a framework that is both psychological and spiritual the well researched contributions are intended to acknowledge these experiences both professionally and personally The book concludes with an extensive bibliography valuable for research and reference This book will be of value in undergraduate and graduate courses on thanatology as well as for anyone interested in knowing more about grief both those currently bereaved and those who wish to support others in mourning The contributors appreciate both the importance of our capacities for intimacy and sexuality and our inhibitions and hesitations in giving voice to our needs and concerns perhaps especially when we are grieving The information and compassionate understanding they provide encourage us to bridge the gap between the secret and the private and to share what is close to our hearts

Understanding Muslim Chaplaincy Sophie Gilliat-Ray, Mansur Ali, 2016-02-24 *Understanding Muslim Chaplaincy* provides a lens through which to explore critical questions relating to contemporary religion in public life and the institutionalisation of Islam in particular Providing a rich description of the personnel practice and politics of contemporary Muslim chaplaincy the authors consider the extent to which Muslim chaplaincy might be distinctive in Britain relative to the

work of Muslim chaplains in the USA and other countries This book will make a major contribution to international debate about the place of religion in public life and institutions This book derives from research that has depended on exclusive access to a wide range of public institutions and personnel who largely work behind closed doors By making public the work of these chaplains and critically examining the impact of their work within and beyond their institutions this book offers a groundbreaking study in the field of contemporary religion that will stimulate discussion for many years to come about Islam and Muslims in Western societies *The Soul of Addiction* Ibraheem Raheem,2012-03-12 This book is a cutting edge

resource for clergy working in clinical settings helping people deal with substance abuse and other behavior health challenges It takes a critical look at the role spirituality plays in recovery from addictions a rising epidemic in our society It also provides a methodical approach to providing spiritual care in non traditional settings when helping this target audience The book is a must have resource for modern ministry encounters **Wu Wei, Negativity, and Depression** Siroj

Sorajjakool,2014-06-11 Discover a pastoral approach to depression that combines Eastern wisdom and Western science Wu Wei Negativity and Depression reveals a way to break the cycle of depression not by denying it or fighting it but by the ancient principle of wu wei non trying The bleak cycle of depression starts when people experience negativity They turn inward to try to find self esteem but the negativity strips all the power of self affirmation from them The gap between is and ought how they see themselves and how they want to be is too great to bridge The cycle known as self regulatory perseveration means that depressed persons are caught in a desperate fruitless search for affirmation Instead of self esteem they find self criticism and further negative thoughts Yet they keep looking and looking and looking The more they look for self worth inside the less they find and the harder they try the cycle continues When trying simply doesn t work wu wei the principle of letting go may help break that cycle When trying simply doesn t work wu wei not trying may help Wu wei is the principle of letting go By giving up on the self imposed and unattainable oughts and shoulds the depressed person stops focusing on self Wu wei breaks the cycle of negativity allowing the depressed person to begin to heal Wu Wei Negativity and Depression offers a comprehensive discussion of depression including epidemiology of depression etiology and biological causes psychosocial theories standard treatments of the past and present pastoral care of depressed persons This important book constructs a possible approach to depressed souls weary of fighting and trying to fix themselves Wu Wei Negativity and Depression can bring new hope to those who most need it **Methods in Religion, Spirituality & Aging** James W.

Ellor,2013-10-18 Since the 1971 White House Conference on Aging in the United States the need to move from religiosity into new areas such as Spiritual Assessment and Spirituality has emerged This movement has picked up momentum among scholars particularly in terms of research in the area of Spirituality While spirituality as a term is employed in many new studies this term continues to defy the quest for a single definition and method This book is divided into three sections In the first the authors reflect on the philosophical and theological issues presented by these terms from a variety of both cognate

and practical methodological approaches The second section offers insights from the major professions of sociology psychology public health nursing and social work The final section offers insight and assistance to researchers and authors on specific religious traditions This book will be important for anyone working to develop such practical tools as spiritual assessment forms to those who engage in more formal scholarly investigation
