## **Patent Ethics Prosecution:**

**Patent Ethics** David Hricik, Mercedes Meyer, 2009-09-17 Patent Ethics Prosecution serves as an essential guide to the ethical issues arising in the course of the patent prosecution process. By providing relevant rules and case law it allows practitioners to identify ethical problems before they arise and to address them most effectively when they do. Patent Ethics Prosecution is the first of two volumes on patent ethics; the second is on litigation, written by Professor David Hricik and Drinker Biddle partner Mercedes Meyer. This treatise is the first of its kind to combine the United States Patent and Trademark Office (PTO) rules with commentary by the authors, which distills the authors' own experience and expertise in patent prosecution into effective practice strategies. *Patent Ethics* David Hricik, 2016 00000000, 1932 **Patent Ethics Litigation** David Hricik, 2010-04-29 In *Patent Ethics Litigation* David Hricik provides practitioners with an essential guide to the professional ethical issues arising in the course of a patent litigation. **Book Review** Christopher M. Holman, 2014 Patent practitioners must navigate a complex set of overlapping and sometimes inconsistent rules of professional responsibility that govern their conduct. Violation of these rules can lead to severe and costly consequences for them and for their clients. In *PATENT ETHICS PROSECUTION* David Hricik and Mercedes Meyers provide excellent guidance in identifying and avoiding these ethical pitfalls in a manner that is comprehensive up to date and practical, filling an important niche that to my knowledge is not addressed in any other book. It also provides practical advice on best practices along with exemplary language for use in reputation with clients and potential clients and should be a welcome addition to the bookshelf of any patent prosecutors. **Patent Ethics : Litigation** David Charles Hricik, 2009 **Patent Case Management Judicial Guide**, 2009 **Official Gazette of the United States Patent and Trademark Office**, 1997
