An excerpt from the book George's return on April 5, 2015, was just a mere trailer and preview to the PG 13 show that people were in store for in the 2015-16 season Back in August of the previous season Paul George had his number changed from 24, his idol Kobe Bryant's number, to 13 He has always worn the number 24 since high school because he wanted to be like Kobe The reason for the change was that he already had an identity of his own and that it was time for him to pave his own path from being that kid who idolized Kobe to the man known as PG 13 His PG 13 nickname gimmick gives him his own identity to build on and he also said it was pretty catchy because PG 13 in normal television terms implies that the show will be enjoyable yet safe The offseason prior to the 2015-16 NBA season was a period of transition for the Pacers Larry Bird had communicated to the coaching staff that he wanted the Pacers to play faster as opposed to their usual slow-paced offense in the past This transition to a fast-paced offense made the slow giant Roy Hibbert dispensable The Pacers traded Hibbert to the Los Angeles Lakers in exchange for a future second-round draft pick Moreover, they lost veteran leadership in David West when he opted to forego his 12 million player option to stay with the Pacers and instead signed with the Spurs for a much lower amount They also lost CJ Watson and backup big man Luis Scola The silver lining about the loss of their frontline starters was that it provided an avenue for their younger and more athletic players to play at a higher pace

same game he had in college to the NBA floor and arguably nobody else in the NBA plays perimeter defense better than he does With a wingspan so long that his arms could envelop six men and with hands so huge that he could cover the ball with one hand Leonard has used his natural physical gifts to good use on the defensive end of the floor Tags kawhi leonard bio kawhi leonard basketball tim duncan lamarcus aldrige tony parker manu ginobili danny green gregg popovich paul george stephen curry jimmy butler
