Paul In Acts Library Of Pauline Studies:

Paul, His Letters, and Acts () Thomas E. Phillips, 2010-01-01 Aside from Jesus the Apostle Paul had the greatest formative influence on the early Christian movement Yet who was this passionate missionary who carried the message of Christ throughout the Mediterranean world The New Testament writings give us not one but two portraits of Paul We read numerous details of Paul s life and relationships in the Book of Acts and we also find an additional set of details about Paul s activities in his letters Yet how consistent are these two portraits And which one gives us the most accurate picture of the historical Paul In this volume Thomas E Phillips examines the portrayals of Paul in recent biblical scholarship in the light of these two major NT portraits Believing the apostolic conference at Jerusalem to be a watershed event Phillips draws conclusions that help contemporary readers get a more accurate picture of Paul **Paul in Acts** Stanley E. Porter, 2000-11-01 Stanley E Porter focuses upon the depiction of Paul in the book of Acts from literary critical rhetorical and theological perspectives among several others The essays within this volume examine various topics related to the Paul of Acts such as the extent to which the we passages of Acts should function as a source regarding Paul and the theology and perspective of these passages in terms of their portrait of him Porter analyzes the Acts passages that deal with Paul and the Holy Spirit and the question of whether Paul is an epistolographer or rhetorician He examines Paul s missionary speeches and apologetic speeches in Acts Porter also looks at Acts 21 and Paul s arrest in Jerusalem before he closes with an analysis of some common conceptions and misconceptions of the Paul of Acts and the Paul of the letters The Library of Pauline Studies is a series of books exploring key issues in Pauline and related studies This series is edited by Stanley E Porter principal dean and professor of New Testament at McMaster Divinity College in Hamilton Ontario Canada **T&T Clark Handbook to the Historical Paul** Ryan S. Schellenberg, Heidi Wendt, 2022-05-05 The T T Clark Handbook to the Historical Paul gathers leading voices on various aspects of Paul s biography into a thorough reconsideration of him as a historical figure The contributors show how recent trends in Pauline scholarship have invited new questions about a variety of topics including his social location his mode of subsistence his cultural formation his place within Judaism his religious experience and practice and his affinities with other religious actors of the Roman world Through careful attention to biographical detail social context and historical method it seeks to describe him as a contextually plausible social actor The volume is structured in three parts Part One introduces sources methods and historiographical approaches surveying the foundational texts for Paul and the early Pauline tradition Part Two examines key biographical questions pertaining to Paul s bodily comportment the material aspects of his career and his religious activities Part Three reconstructs the biographical portraits of Paul that emerge from the letters associated with him presenting a series of micro biographies pieced together by leading Pauline scholars *The Letters of Paul* Charles B. Puskas, Mark Reasoner, 2013 Since Charles Puskas first published *The Letters of Paul* it has proven to be a reliable text and reference tool It is an exemplary guide to the basic issues surrounding the Pauline

letters who really wrote each letter when it was written the letter's social context audience and literary characteristics and also includes discussion of the worlds of Paul the letter genre and the rhetorical arrangement of each letter Working with noted Pauline scholar Mark Reasoner on this new second edition with more than 40 percent new and revised material the authors have taken account of a host of diverse cultural historical sociorhetorical literary and contextual studies of recent years and critically reexamined several issues of authorship date historical situation literary form and rhetorical structure They have addressed new and pressing issues filled certain lacunae and generally updated the book for a new generation of readers

Luke's Characters in their Jewish World Jenny Read-Heimerdinger, 2024-08-22 Jenny Read Heimerdinger explores the characters of Luke Acts in order to situate them in the Jewish world to which they belong Through a close reading of the Greek text she argues that Luke emerges as a person thoroughly steeped in a Jewish view of Scripture familiar with a range of associated oral traditions and that taking account of the Jewish features allows new insights into the way that the author situates events and characters firmly within the history of Israel before the Church was a separate institution or religion Read Heimerdinger proposes that such a view of his work implies an addressee capable of understanding what he received and that one eminently qualified candidate is Theophilus the high priest in Jerusalem 37-41 and brother in law of Caiaphas The Jewish perspective of Luke's two volumes is more visible in forms of the text not used for modern translations notably that of Codex Bezae and the early versions which are rejected by the editors of the Greek New Testament on which translations are based Read Heimerdinger draws on the analysis of the variants of the Greek text analysed in her previous *Luke in his Own Words* 2022 in a manner more accessible to readers unfamiliar with Greek The variant readings make use of a sophisticated knowledge of Jewish exegetical techniques that would generally be discarded by later generations of Christians but which are increasingly being recognized by NT scholars in line with Jewish historical studies of Second Temple and Rabbinic Judaism Seeing the characters of Luke Acts through Theophilus eyes brings exciting insights and a fresh understanding of the author's message

Rethinking Paul's Rhetorical Education Ryan S. Schellenberg, 2013-09-03 Winner of the Canadian Society of Biblical Studies 2015 F W Beare Award Did Paul have formal training in Greco-Roman rhetoric or did he learn what he knew of persuasion informally as social practice Pauline scholars recognize the importance of this question both for determining Paul's social status and for conceptualizing the nature of his letters but they have been unable to reach a consensus Using 2 Corinthians 10-13 as a test case Ryan Schellenberg undertakes a set of comparisons with non-Western speakers most compellingly the Seneca orator Red Jacket to demonstrate that the rhetorical strategies Paul employs in this text are also attested in speakers known to have had no formal training in Greco-Roman rhetoric Since there are no specific indicators of formal training in the way Paul uses these strategies their appearance in his letters does not constitute evidence that Paul received formal rhetorical education

Ecclesial Solidarity in the Pauline Corpus James T. Revisiting Aspect and Aktionsart Francis G. H. Pang, 2016-02-02 In *Revisiting Aspect and Aktionsart* Francis G H Pang employs a corpus approach to analyze the relationship between Greek aspect and Aktionsart Recent works have tried to predict the meanings that emerge when a certain set of clausal factors and lexical features combine with one of the grammatical aspects Most of these works rely heavily on Zeno Vendler's telicity distinction Based on empirical evidence Pang argues that telicity and perfectivity are not related in a systematic manner in Koine Greek As a corollary Aktionsart should be considered an interpretive category meaning that its different values emerge not from the interaction of only one or two linguistic parameters but from the process of interpreting language in context **The Language and Literature of the**

Coutsoumpas,2019-06-18 The apostle Paul wrote the epistle to the Galatians By far Galatians is one of the most controversial letters among the Pauline writings Galatians appears to have been written in instantaneous response to what Paul observed as an urgent crisis among the Galatian churches For Galatians provides us with more personal and autobiographical information than any other letters of the apostle Paul When all the information and the teaching is integrated with the teaching of the letter itself it helps us to build up a strong picture of Paul the missionary and theologian and also allows us to situate the letter to Galatia itself within both his life and his theology To the Galatians however Paul had preached Christ crucified and response of faith had resulted in rich and powerful experience of the Spirit Paul s recollection also gives valuable information regarding those to whom the letter was addressed and about their admission into Christian faith

Peter Between Jerusalem and Antioch Jack J. Gibson,2013 Why did Peter cease eating with the Gentile Christians at Antioch Gal 2 11 14 after defending his decision to eat with Cornelius before the entire Jerusalem church Acts 11 1 18 Beginning with a character study of Peter throughout the Gospels and Acts Jack Gibson demonstrates that Peter is consistently portrayed as being a faithful disciple whose pre Pentecost impetuosity is due to a lack of understanding of the message of Jesus and his post Pentecost boldness is due to his newly revealed understanding of this message The historical background to the Antioch incident is considered with special consideration given to the Jewish response to Roman rule Peter s relationship with James and Paul is analyzed culminating in an evaluation of Peter s motivations for ceasing to eat with the Gentiles
