Maloney,Ivoni Richter Reimer,2022-11-27 2023 Catholic Media Association Third Place Award Scripture Academic Studies The Acts of the Apostles the earliest work of its kind to have survived from Christian antiquity is not history in the modern sense nor is it about what we call the church Written at least half a century after the time it describes it is a portrait of the Movement of Jesus followers

as it developed between 30 and 70 CE More important it is a depiction of the Movement of what Jesus wanted the inbreaking of the reign of God In this commentary Linda Maloney Ivoni Richter Reimer and a host of other contributing voices look at what the text does and does not say about the roles of the original members of the Movement in bringing it toward fruition with a special focus on those marginalized by society many of them women The author of Acts wrote for followers of Jesus in the second century and beyond contending against those who wanted to break from the community of Israel and offering hope against hope like Israel s prophets before him Catalog of Copyright Entries, Third Series ,1963 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Christian Stewardship in Light of Paul's Collection for the Poor** Murray J.

Paul's Letter to the Philippians in the Light of Disunity in the Church Davorin Peterlin,2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul s response in his letter The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul It demonstrates the pervasiveness of the theme of disunity in most sections of the letter The second part correlates these findings with sections of the letter dealing with the Philippians financial support for Paul It treats such topics as Paul s attitude to money and the sociological composition of the church The book s aim is to draw attention to social and non theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians
