Venus and Virtue Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30 Venus and Virtue are a match made in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of

reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women s issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative
