Reconciling Theology Paul Avis, 2022-02-28 In *Reconciling Theology* leading thinker on Anglicanism and ecumenism Paul Avis focuses on the perennial Christian issues of argument debate polemic and conflict on the one hand and dialogue search for common ground working for agreement and harmony on the other Exploring the tension and interaction between them in a range of contexts in modern theology and the Church Avis offers a rigorous but accessible vision of church which moves beyond the usual dichotomy of liberal or orthodox

Soft Shepherd or Almighty Pastor Annemie Dillen, 2015-03-26 In *Soft Shepherd or Almighty Pastor* contributors seek to go beyond the taboo on power within pastoral contexts They not only discuss fundamental theological and philosophical questions about power but also develop ways to prevent power abuse in pastoral context Power is considered as omnipresent and is analyzed in its positive and negative aspects Not only the classical associations of power over or domination are discussed in relation to ecclesial and pastoral situations but also forms of power linked to *Bad Pastors* Anson D. Shupe, William A. Stacey, Susan E. Darnell, 2000-08 Child molesting priests embezzled church treasures philandering ministers and rabbis even church endorsed pyramid schemes that defraud gullible parishioners of millions of dollars for the past decade clergy misconduct has seemed continually to be in the news Is there something about religious organizations that fosters such misbehavior *Bad Pastors* presents a range of new perspectives and solidly grounded data on pastoral abuse investigating sexual misconduct financial improprieties and political and personal abuse of authority Rather than focusing on individuals who misbehave the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves stemming from hierarchies of power in which trusted leaders have the ability to define reality control behavior and even offer or withhold the promise of immortality Arguing that such phenomena arise out of organizational structures the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective *Bad Pastors* moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct from violence against women to the role of charisma and abuse of power in new religious movements Highlighting similarities between other forms of abuse such as domestic violence the volume helps us to conceptualize and understand clergy misconduct in new ways

Calvin's Company of Pastors Scott M. Manetsch, 2015 In *Calvin's Company*

of Pastors Scott Manetsch examines the pastoral theology and practical ministry activities of Geneva's reformed ministers from the time of Calvin's arrival in Geneva until the beginning of the seventeenth century. During these seven decades more than 130 men were enrolled in Geneva's Venerable Company of Pastors as it was called, including notable reformed leaders such as Pierre Viret, Theodore Beza, Simon Goulart, Lambert Daneau, and Jean Diodati. Aside from these better-known epigones, Geneva's pastors from this period remain hidden from view, cloaked in Calvin's long shadow even though they played a strategic role in preserving and reshaping Calvin's pastoral legacy. Making extensive use of archival materials, published sermons, catechisms, prayer books, personal correspondence, and theological writings, Manetsch offers an engaging and vivid portrait of pastoral life in sixteenth and early seventeenth-century Geneva, exploring the manner in which Geneva's ministers conceived of their pastoral office and performed their daily responsibilities of preaching, public worship, moral discipline, catechesis, administering the sacraments, and pastoral care. Manetsch demonstrates that Calvin and his colleagues were much more than ivory tower theologians or quasi-agents of the state concerned primarily with dispensing theological information to their congregations or enforcing magisterial authority. Rather, they saw themselves as spiritual shepherds of Christ's Church, and this self-understanding shaped to a significant degree their daily work as pastors and preachers.

Gildas Salvianus:

The Reformed Pastor Richard Baxter, 2018-12-28 As a leader of religious thought in England, Richard Baxter (1615-1691) was deeply concerned about the state of the church and in particular about the condition of the ministry. During his years at Kidderminster, he attempted to draw contending parties together by an experiment in Christian unity, afterwards famous as the Worcestershire Association, from which similar movements arose in other English counties. This volume preserves the documents in connection with this movement. It is therefore a historical study. Yet it has a wider purpose. Baxter's *Reformed Pastor* is a classical writing on the Christian ministry. It belongs not only to the seventeenth century but to every generation. In our present time, when in the ministry of all the churches there is a deep searching of heart amidst these difficult days, this book presents both a challenge and an appeal from the pen of this Puritan divine who styled himself catholic Christian.
