Patience Worth: A Psychic Mystery Casper Salathiel Yost, 2020-09-28 The women referred to are Mrs John H Curran wife of the former Immigration Commissioner of Missouri and Mrs Emily Grant Hutchings wife of the Secretary of the Tower Grove Park Board in St Louis both ladies of culture and refinement Mrs Curran is a young woman of nervous temperament bright vivacious ready of speech She has a taste for literature but is not a writer and has never attempted to write anything more ambitious than a personal letter Mrs Hutchings on the other hand is a professional writer of skill and it was to her quick appreciation of the quality of the communications that the starting of the record is due It was soon apparent however that it was Mrs Curran who was the sole agent of transmission for the communications came only when she was at the board and it mattered not who else sat with her During the first months only Mrs Curran and Mrs Hutchings sat but gradually the circle widened and others assisted Mrs Curran Sometimes as many as five or six would sit with her in the course of an evening Mr Curran has acted as amanuensis and recorded the communications at most of the sittings Mrs Curran's mother Mrs Mary E Pollard occasionally taking his place The ouija board is a rectangular piece of wood about 16 inches wide by 24 inches in length and half an inch thick Upon it the letters of the alphabet are arranged in two concentric arcs with the ten numerals below and the words Yes and No at the upper corners The planchette or pointer is a thin heart shaped piece of wood provided with three legs upon which it moves about upon the board its point indicating the letters of the words it is spelling Two persons are necessary for its operation They place the tips of their fingers lightly upon the pointer and wait Perhaps it moves perhaps it does not Sometimes it moves aimlessly about the board spelling nothing sometimes it spells words but is unable to form a sentence but often it responds readily enough to the impulses which control it and even answers questions intelligibly occasionally in a way that excites the wonder and even the awe of those about it Its powers have been attributed by some to supernatural influence by others to subconsciousness but science has looked upon it with disdain as until recent years science has looked upon nearly all unprecedented phenomena Mr W T Carrington an eminent English investigator of psychical phenomena in an exhaustive work upon the subject has this to say of the ouija board Granting for the sake of argument that the board is moved by the sitter either consciously or unconsciously the great and vital question still remains What is the intelligence behind the board that directs the phenomena Whoever sets out to give a final and decisive answer to this question in the present state of our knowledge will have his task cut out for him and I wish him happiness in the undertaking Personally I am attempting nothing of the kind      **Patience Worth** Casper Salathiel Yost, 2016-01-04 Perhaps if it were not for the scholarly Casper S Yost the writing of Patience Worth might never have been brought to the public eye It was Casper Salathiel Yost who published the first book about Patience Worth which provided a brief history of the coming of Patience Worth and a sampling of her poetry and prose as well as his interpretations of some of it His small book was titled Patience Worth A Psychic Mystery and was published by Henry Holt and company in 1916 It was

due to this book that the writing of Patience Worth gained some degree of notoriety attracting the attention of other newspaper men doctors lawyers psychologists and college professors Other books would eventually be written about Patience Worth and Pearl Curran over the next 100 years or so but it was Casper Yost with his gentle trust and belief that Patience Worth was a spirit of a woman who lived 250 years ago who presented the story of Patience Worth in a simple non scientific way that enabled Patience Worth to gain a substantial readership during the early 20th century It helped of course that Casper Yost was the Editorial Director of the St Louis Globe Democrat He was an accomplished writer himself having written several books among which were The Carpenter of Nazareth The Making of a Successful Husband Letters of a Happily Married Man to His Son and The Principles of Journalism The compiler of this book is not a spiritualist nor a psychologist nor a member of the Society for Psychical Research nor has he ever had anything more than a transitory and skeptical interest in psychic phenomena of any character He is a newspaper man whose privilege and pleasure it is to present the facts in relation to some phenomena which he does not attempt to classify nor to explain but which are virtually without precedent in the record of occult manifestations The mystery of Patience Worth is one which every reader may endeavor to solve for himself The sole purpose of this narrative is to give the visible truth the physical evidence so to speak the things that can be seen and that are therefore susceptible of proof by ocular demonstration In this category are the instruments of communication and the communications themselves which are described explained and in some cases interpreted where an effort at interpretation seems to be desirable
