**Being 'in Christ' in the Letters of Paul** Teresa Morgan,2020-11-05 In this study Teresa Morgan offers a radically new interpretation of in Christ and related expressions in the undisputed letters of Paul Starting from a reassessment of Deissmann's *Die neutestamentliche Formel in Christo* Jesu she argues that Deissmann's philology is flawed the Schweitzerian concept of participation in Christ which is indebted to it is problematic and many contemporary accounts of participation are better understood in other terms Through close readings of each letter Teresa Morgan shows how Paul uses *en Christo*

language instrumentally to speak of what God has done through Christ by Christ's death and encheiristically to speak of the life the faithful now live in Christ's hands in Christ's power under his authority under his protection and in his care This creative use of en Christo language forms part of and connects Paul's soteriology eschatology and Christology shaping his narrative of God's intervention in the world the relationship between God Christ and the faithful the lordship and work of Christ between the resurrection and the parousia and God's ultimate triumph This narrative is closely connected with Paul's ecclesiology and ethics where life in Christ's hands is envisaged as the this worldly dimension of the new creation an aspect of eternal life already active in the present time In Christ's hands the faithful not least Paul himself live a new life in communities with a distinctive structure and dynamic In Christ's hands they hope to remain in right standing with God and serve God until Christ's return

*The Law and the Spirit of Life* Bill D. Blackmon, 2022-10-24 The Apostle Paul is a larger than life figure within the Christian world and his letter to the believers in Rome is considered his most important writing Powerful and passionate The Law and the Spirit of Life offers a fresh and broadly researched perspective on the book of Romans More than just a study of the biblical text this enlightening book engages in a study of the studies on Paul and this epistle Bill Blackmon takes readers on a geographical historical and theological journey answering questions such as Why did God direct Paul to write this letter What was its primary purpose As the author definitively establishes Romans embodies the core of the Christian faith and without it the Church would not exist as it does today Inviting a myriad of voices to contribute their insights to the study Dr Blackmon crafts a valuable resource for all those clergy or laity believer or not who want to deepen their understanding of God and His salvation offered to humanity

**Participation and Covenant** Dick Moes, 2024-03-13 In Participation and Covenant Contours of a Theodramatic Theology Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's

fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton s presentation but rather an ontology of participating in God s loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton s framework of covenant theology

*Soothing Aroma* Tyesha Thompson,2023-10-25 What is the likelihood of being told God sees you in comparison to God smells you However the smell of a Christian s life is just as potent as behavior and appearance which is relative to a soothing aroma Soothing Aroma is a term used in the New American Standard Bible in correlation to the phrase sweet savior in the King James version It examines scriptural text about offerings that smelled pleasing to the Lord It is a theological thought with a prophetic sound into the disposition of the sacrificial system concerning burnt offerings The general intent of a soothing aroma was to appease God The type of sacrifice God deems valuable and costly is us His people as living sacrifices A live sacrifice rather than a dead one infuses the fragrance of Christ That is the soothing aroma that is pleasing to God Jesus is a true example to His followers of what classifies and extols authentic worship to God a valuable and costly sacrifice Christians give off the aroma of Christ as they surrender their lives to Christ as living sacrifices

Romans Andrew B. Spurgeon,2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible

*Just Imagine* Dianne B. Salter,2019-07-31 In our everyday lives we are often expected to offer hospitality to others we meet yet for Christians and church leaders hospitality can mean so much more What is hospitality in the spiritual sense Why do we extend God s hospitality Who is called to offer this hospitality And how do we live out God s hospitality Just Imagine The Joy of God s Hospitality Overflowing with Loving Relationships answers these questions and more about Christian hospitality Author Dianne B Salter explains how this is not a program it is a Christian lifestyle especially in the church the body of Christ God s hospitality must be supported and promoted by the pastor and by the church governing group But it will be effective only if the people in the pews take leadership advocate for it and sincerely practice this new lifestyle Based on scriptural directives Just Imagine advocates friendship evangelism building relationships and creating ministries for those not currently a part of the church All chapters end with Hospitality Challenges that help

individuals and the church to just imagine what they might become if they truly practiced God's hospitality
