Paul The Apostle His Life And Times:

Paul, the Apostle Robert Boyd,1995 Author Robert T Boyd follows the life and thoughts of Paul from his early days in Tarsus to his final ones in Rome a life trek of some 20 000 miles and 50 000 words It is the journey of the walker and the writer the preacher and the phrasemaker **St. Paul the Apostle** Josef Holzner,1978 Catalogue of the Central Lending Library ... ,1898 The Life, Times, and Travels of St. Paul William John Conybeare,John Saul Howson,1869 *The Apostle* John Pollock,1994-01-07 The Acclaimed Authentic Biography of the Early Church s Greatest Evangelist the Apostle Paul Master storyteller John Pollock makes Paul and his amazing story freshly alive so that you can know the greatest apostle much as Luke and Timothy did as they traveled with him As you turn the pages you ll sense Paul s motives his aims and priorities what mattered to him and what he was willing to die for **St. Paul the Apostle** Josef Holzner (mgr),1978

Paul the Apostle J. Albert Harrill,2012-09-24 This book is a controversial new biography of the apostle Paul that argues for his inclusion in the pantheon of key figures of classical antiquity along with the likes of Socrates Alexander the Great Cleopatra and Augustus It first provides a critical reassessment of the apostle s life in its historical context that focuses on Paul s discourse of authority which was both representative of its Roman context and provocative to his rivals within Roman society It then considers the legend that developed around Paul as the history of his life was elaborated and embellished by later interpreters creating legends that characterized the apostle variously as a model citizen an imperial hero a sexual role model an object of derision and someone to quote from It is precisely this rewriting of Paul s history into legend that makes the apostle a key transformative figure of classical antiquity **Apostle Paul** Udo Schnelle,2005-11 This comprehensive introduction to the life and thought of Paul combines historical and theological analysis *Paul in the Greco-Roman World: A Handbook* J. Paul Sampley,2016-10-06 This landmark handbook written by distinguished Pauline scholars and first published in 2003 remains the first and only work to offer lucid and insightful examinations of Paul and his world in such depth Together the two volumes that constitute the handbook in its much revised form provide a comprehensive reference resource for new testament scholars looking to understand the classical world in which Paul lived and work Each chapter provides an overview of a particular social convention literary of rhetorical topos social practice or cultural mores of the world in which Paul and his audiences were at home In addition the sections use carefully chosen examples to demonstrate how particularly features of Greco Roman culture shed light on Paul s letters and on his readers possible perception of them For the new edition all the contributions have been fully revised to take into account the last ten years of methodological change and the helpful chapter bibliographies fully updated Wholly new chapters cover such issues as Paul and Memory Paul s Economics honor and shame in Paul s writings and the Greek novel John Bunyan: His Life Times and Work John Brown B.A., D.D.,1888 **John Bunyan, His Life, Times, and Work** John Brown,1900 The Biography Book Daniel S. St. Paul; His Life and Times James Iverach,2023-07-18 In St Paul His Life and Times James Iverach provides a detailed account of one of the most important figures in Christian history From his early life in Tarsus to his missionary work throughout the Mediterranean world Iverach s book is a must read for anyone interested in the life and teachings of the Apostle Paul This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Epistles of Paul the Apostle to the Thessalonians,*

Corinthians, Galatians, Romans and Philippians James Drummond,1899 **Evangelical Biography** Erasmus Middleton,1816 **Christian Treasury** ,1849 *Do you know the meaning of the cross?* Keith Ogden,2015-07-30 The book is all about what the cross really means It is okay to wear a cross made of silver or wood as a statement or jewellery It is to bring Christians and anyone else to fully understand why Jesus died on the cross and it s full implications that lead to a loving and living relationship with the Lord Jesus as ones personal Saviour More details can be found on Timely Bridges Books UK Facebook page *Living Hope* David H. Jensen,2010-01-01 Eschatology the theological name for the study of the endtime often conjures up frightening concepts of the rapture the final judgment heaven and hell Armageddon and the anti Christ Author David Jensen s theological approach offers a brighter perspective on the end time as a time of hope when Christians will see the full glory of the Kingdom of God the resurrection of the body and Christ s promised return [The New Testament of Our Lord and Saviour Jesus Christ](#) Adam Clarke,1835 *Paul: A Critical Life* Jerome

Murphy-O'Connor,1996-06-27 Here Jerome Murphy O Connor presents a completely new and much more vivid and dramatic account of the life of Paul than has ever previously been attempted From his childhood in Tarsus and his years as a student in Jerusalem to the successes and failures of his ministry this biography has no peer in terms of its detailed reconstructions of Paul s movements and motives Traditionally the Acts of the Apostles has provided the framework for the lives of Paul In recent years however the historical value of the Acts has been called into question Despite the accuracy of many details they

have been linked in ways which reflect the interests of Luke rather than objective reality Critical assessment is called for if they are to be incorporated into a life of Paul The prime source for a reconstruction of the Apostle s life must be his own writings Recent advances in the study of the letters have brought to light new depths which enables them to be used for biographical purposes The originality of this book lies in the combination of these two approaches which are reinforced by close attention to the social and cultural aspects of Paul s ministry as revealed by archaeology and contemporary texts and it transforms a fountain of theological ideas into a human being
