## **Paul Ginsborg Storia D Italia Dal Dopoguerra Ad Oggi:**

**Paul Ginsborg and the Historiography of Modern Italy** John Foot, Stephen Gundle, 2024-07-27 This book brings together a group of British and Italian scholars who have made significant contributions to the historiography of modern Italy over the last three decades dedicated to the influence of Paul Ginsborg Reflecting Ginsborg's interest in the encounter of social and political history in modern Italy contributions explore the varied forms taken by activism in civil society Rather than just treating activism and engagement as limited circumscribed phenomena within a political system the essays consider these as interventions in the social Taken together the contributions gathered here highlight Ginsborg's contributions to scholarship and activism as well as advancing our understanding of cultural change institutional reform and the renewal of community in modern Italian history **Fanfani e la casa**, 2002 **Risorgimento in Modern Italian**

**Culture** Norma Bouchard, 2005 The renewed attention to the origin and shape of nationalist discourses has promoted many excellent studies devoted to examining the rich storehouse of cultural responses produced during and after Risorgimento the political events that from 1859 to 1870 led Italy from being a fragmented peninsula to an independent and unified nation state However the assessment of Risorgimento and its myths from the post World War II era to the present remains for the most part unexplored While it is undeniable that the dramatic economic social and political transformations that have characterized Italy from the second half of the twentieth century to the present have altered the role and function of nationalist narratives it remains equally true that interest in the Risorgimento in modern Italian culture has not diminished

*Reconsidering Women's History* Lucy Bland, Katharina Rowold, 2016-04-14 Deriving from the 20th Anniversary Women's History Network Conference entitled 20 Years of the Women's History Network Looking Back Looking Forward this volume reflects on the state of women's and gender history as well as showcasing the diversity of the current field The range of contributions is broad and stimulating covering such themes as transnational movements gender and space sexualities motherhood and women in politics Together the interdisciplinary chapters reflect the rich diversity of current women's history and historiography and will offer important insight to students and scholars researching the past present and future of feminist studies This book was originally published as a special issue of Women's History Review *1968 in Europe* M.

Klimke, J. Scharloth, 2008-04-14 A concise reference for researchers on the protest movements of the 1960s and 1970s this book covers the history of the various national protest movements the transnational aspects of these movements and the common narratives and cultures of memory surrounding them *Ideological Profile of Twentieth-Century Italy* Norberto Bobbio, 2014-07-14 Anyone interested in the entire sweep of political thought over the last hundred years will find in Norberto Bobbio's *Ideological Profile of Twentieth Century Italy* a masterful thought provoking guide Home to the largest communist party in a democratic society Italy has been a unique place politically one where Christian democrats liberals fascists socialists communists and others have co existed in sizable numbers In this book Bobbio who himself played an

outstanding role in the development of Italian civic culture follows each of the major ideologies explaining how they developed describing the key actors and considering the legacies they left to political culture He wrote *Ideological Profile* in 1968 to explain from a personal perspective the history behind that decade's tumultuous politics Bobbio's defense of democracy and critique of capitalism are among the themes that will particularly interest American readers of this updated edition the first to appear in English Beginning in the late nineteenth century with positivism and Marxism Bobbio next presents the ideological currents that developed before the outbreak of the First World War Catholic socialist irrational and anti democratic thought the reaction against positivism and the thinking of Benedetto Croce After discussing the impact of the war the author turns to the revolutionary reactionary polarization of the postwar period and the ideology of fascism The final chapters consider Croce's opposition to fascism and the ideals of the resistance and conclude with the post Second World War Years of Involvement Originally published in 1995 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Italian Canadian Heritage* Valentina Sgro, 2022-12-21 Through a historical and economic analysis of Italian Canadian migration in the second half of the 20th century and through the study of Italian and Canadian archival sources this book provides an analytic and in depth tool for the study of the economic and cultural relations between Italy and Canada from the Golden Age until the present It focuses in particular on the analysis of migratory flows between the two countries on the evolution of integration work and assistance problems and on the promotion of Italian Canadian culture The book also retraces the evolution of some relevant non profit organizations and their role in the enhancement of Italian Canadian cultural heritage

*Europeans Are Lovin' It? Coca-Cola, McDonald's and Responses to American Global Businesses in Italy and France, 1886-2015* Giulia Crisanti, 2023-09-25 From the French origin of Coca Cola to McDonald's sponsorship of the 2015 Milan Expo the book presents the first comparative history of these multinational corporations in two Western European countries addressing some compelling questions to what extent our increasingly globalized world is persistently shaped by forms of American hegemony and what are some of the forces that have been most effective at challenging the relationship between Americanization and globalization Through the local history of global companies the book tells a new story about not only the influence of American businesses in Europe but also the influence of European governments and societies on those American businesses and their adaptability

**Modern European Tragedy** Annamaria Cascetta, 2014-05-01 The idea of the tragic has permeated Western culture for millennia and has been expressed theatrically since the time of the ancient Greeks However it was in the Europe of the twentieth century one of the most violent periods of human history that the tragic form significantly

developed Modern European Tragedy examines the consciousness of this era drawing a picture of the development of the tragic through an in depth analysis of some of the twentieth century s most outstanding texts      **The Oxford Handbook of Italian Politics** Erik Jones, Gianfranco Pasquino, 2015-11-05 The Oxford Handbook of Italian Politics provides a comprehensive look at the political life of one of Europe s most exciting and turbulent democracies Under the hegemonic influence of Christian Democracy in the early post World War II decades Italy went through a period of rapid growth and political transformation In part this resulted in tumult and a crisis of governability however it also gave rise to innovation in the form of Eurocommunism and new forms of political accommodation The great strength of Italy lay in its constitution its great weakness lay in certain legacies of the past Organized crime popularly but not exclusively associated with the mafia is one example A self contained and well entrenched caste of political and economic elites is another These weaknesses became apparent in the breakdown of political order in the late 1980s and early 1990s This ushered in a combination of populist political mobilization and experimentation with electoral systems design and the result has been more evolutionary than transformative Italian politics today is different from what it was during the immediate post World War II period but it still shows many of the influences of the past      **Genesis. Anatomy of the Red Brigades Alessandro Orsini, 2011-04-15. The Red Brigades were a far left terrorist group in Italy formed in 1970 and active all through the 1980s. Infamous around the world for a campaign of assassinations, kidnappings and bank robberies intended as a concentrated strike against the heart of the State, the Red Brigades' most notorious crime was the kidnapping and murder of Italy's former prime minister Aldo Moro in 1978. In the late 1990s a new group of violent anticapitalist terrorists revived the name Red Brigades and killed a number of professors and government officials. Like their German counterparts in the Baader Meinhof Group and today's violent political and religious extremists, the Red Brigades and their actions raise a host of questions about the motivations, ideologies and mind sets of people who commit horrific acts of violence in the name of a utopia. In the first English edition of a book that has won critical acclaim and major prizes in Italy, Alessandro Orsini contends that the dominant logic of the Red Brigades was essentially eschatological, focused on purifying a corrupt world through violence. Only through revolutionary terror, Brigadists believed, could humanity be saved from the putrefying effects of capitalism and imperialism. Through a careful study of all existing documentation produced by the Red Brigades and of all existing scholarship on the Red Brigades, Orsini reconstructs a worldview that can be as seductive as it is horrifying. Orsini has devised a micro-sociological theory that allows him to reconstruct the group dynamics leading to political homicide in extreme left and neo-Nazi terrorist groups. This subversive revolutionary feedback theory states that the willingness to mete out and suffer death depends, in the last analysis, on how far the terrorist has been incorporated into the revolutionary sect. Orsini makes clear that this political-religious concept of historical development is central to understanding all such self-styled purifiers of the world. From Thomas M. ntzer's theocratic dream to Pol Pot's Cambodian revolution, all the violent purifiers of the world have a clear goal: to build a perfect society in which there will no longer be any sin and unhappiness and in which no opposition can be allowed to upset the universal harmony. Orsini's book reconstructs the origins and evolution of a revolutionary tradition brought into our own times by the Red Brigades.

**Eugenio Scalfari e il suo tempo** Angelo Cannatà, 2022-09-16T00:00:00+02:00. La Repubblica stata la postazione dalla quale ha osservato il mondo e lo ha raccontato a generazioni di italiani, ma Eugenio Scalfari stato molto pi di un giornalista. Filosofo, scrittore, politico, imprenditore. Il suo eclettismo stato un caso unico nel panorama culturale del nostro Paese. Proprio per questo, per comprendere la portata della sua figura e della sua eredit intellettuale, necessario prendere in considerazione le molteplici sfaccettature dello Scalfari, personaggio pubblico. Questo saggio vuole restituire un profilo del fondatore della Repubblica secondo quattro filoni di indagine: le idee politiche, la

produzione artistica il pensiero filosofico e il rapporto con la religione

### **Oil Exploration, Diplomacy, and Security in**

**the Early Cold War** Roberto Cantoni, 2017-03-27 The importance of oil for national military industrial complexes appeared more clearly than ever in the Cold War This volume argues that the confidential acquisition of geoscientific knowledge was paramount for states not only to provide for their own energy needs but also to buttress national economic and geostrategic interests and protect energy security By investigating the postwar rebuilding and expansion of French and Italian oil industries from the second half of the 1940s to the early 1960s this book shows how successive administrations in those countries devised strategies of oil exploration and transport aiming at achieving a higher degree of energy autonomy and setting up powerful oil agencies that could implement those strategies However both within and outside their national territories these two European countries had to confront the new Cold War balances and the interests of the two superpowers
