Paul The Letter Writer Paul The Letter Writer:

Paul the Letter-Writer and the Second Letter to Timothy Michael Prior, 1989-03-01 This study argues for new perspectives on the letters of Paul especially the Second Letter to Timothy It examines striking aspects of Paul s letters especially the fact that many of them are co authored that six of them acknowledge that a secretary has penned the letter and that 1 Timothy 2 Timothy and Titus are the only ones addressed to individuals It investigates the implications of these facts for the concept of Pauline authorship Prior maintains that the received arguments statistical as well as literary which exclude 2 Timothy from the influence of Paul are less than convincing The author suggests an original reading of 2 Timothy arguing it was composed by Paul towards the end of his first Roman imprisonment Contrary to all interpretations of the letter which argue that Paul was about to be martyred Prior claims that Paul was confident that he would be released and was assembling a mission team to bring his proclamation of the Gospel to a completion Timothy s courage and missionary zeal needed rekindling for he and Mark were to be key figures in this new team *Paul the Letter-writer* Jerome Murphy-O'Connor, 1995 How did Paul use his secretaries Did he rely on co authors Did his rhetorical education affect the way he organised his material This book confronts these questions on the basis of extensive quotations from classical Greek and Latin authors A synoptic survey of the beginnings and ends of the letters brings out the extent to which Paul both used and adapted current epistolary conventions The intention of the book is to humanize the Pauline letters and make their complex theology less daunting Adapted from back cover **Paul, the Letter Writer** M. Luther Stirewalt, 2003 This engaging study shows how Paul s stylized use of the official Roman letter a form of communication of great social import in his day played a crucial role in his apostolic ministry conveying both his self identity and sense of authority M Luther Stirewalt describes the logistics of letter writing in the first century Mediterranean world and shows how official letters served to substitute for speeches to an audience to convey executive official or bureaucratic matters or to bring complaints or petitions from citizens to officials He then shows how Paul structured his apostolic correspondence after these models of writing drawing evidence directly from seven Pauline epistles 1 Thessalonians 1 and 2 Corinthians Philippians Philemon Galatians and Romans Cutting a new angle on Paul s purposes his ministry and his pastoral concerns Stirewalt s *Paul the Letter Writer* will appeal to readers of the Bible and ancient history Paul the Ancient Letter Writer Jeffrey A. D. Weima, 2016-11-15 This clear and user friendly introduction to the interpretive method called epistolary analysis shows how focusing on the form and function of Paul s letters yields valuable insights into the apostle s purpose and meaning The author helps readers interpret Paul s letters properly by paying close attention to the apostle s use of ancient letter writing conventions Paul is an extremely skilled letter writer who deliberately adapts or expands traditional epistolary forms so that his persuasive purposes are enhanced This is an ideal supplemental textbook for courses on Paul or the New Testament It contains numerous analyses of key Pauline texts including a final chapter analyzing the apostle s Letter to Philemon as a test case to demonstrate the

benefits of this interpretive approach

Paul and First-Century Letter Writing E. Randolph Richards, 2004-10-22

Informed by the historical evidence and with a sharp eye for telltale clues in the Apostle Paul's letters E. Randolph Richards takes us into his world and places us on the scene with Paul the letter writer offering a glimpse that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be

Paul and First-Century Letter Writing E. Randolph Richards, 2025-07-29 Traditional Christian art depicts Paul the letter writer pen in hand attentive to the Spirit. We might think we know better and imagine him pacing in agitation as he rapidly dictates to a secretary his letter to the Galatians. But in reality neither of these pictures is accurate. In Paul's day producing a letter was a time consuming and costly business. And we have ample resources from the ancient world to piece together what it must have been like. A secretary was usually part of the picture. But so were notes, drafts, corrections, and careful rewrites, not to speak of scratchy pens, sooty ink, and coarse papyrus. Interestingly, there is evidence that Paul involved his missionary team in the writing of letters. And then came the delivery over land and sea, the reading and circulation, as well as the epistolary afterlife of copying, collecting, and storing. E. Randolph Richards has extensively studied ancient letter writing and secretaries. Informed by the historical evidence and with a sharp eye for telltale clues in Paul's letters, he takes us into this world and places us on the scene with Paul the letter writer. What first appears to be just a study of secretaries and stationery turns out to be an intriguing glimpse of Paul the letter writer that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be

Paul and the Ancient Letter Form Stanley E. Porter, Sean A.

Adams, 2010 Throughout the last century there has been continuous study of Paul as a writer of letters. Although this fact was acknowledged by previous generations of scholars, it was during the twentieth century that the study of ancient letter writing practices came to the fore and began to be applied to the study of the letters of the New Testament. This volume seeks to advance the discussion of Paul's relationship to Greek epistolary traditions by evaluating the nature of ancient letters as well as the individual letter components. These features are evaluated alongside Paul's letters to better understand Paul's use and adaptations of these traditions in order to meet his communicative needs

Fakes, Forgeries, and Fictions Tony Burke, 2017-05-31 Fakes, Forgeries, and Fictions examines the possible motivations behind the production of apocryphal Christian texts. Did the authors of Christian apocrypha intend to deceive others about the true origins of their writings? Did they do so in a way that is distinctly different from New Testament scriptural writings? What would phrases like "intended to deceive" or "true origins" even mean in various historical and cultural contexts? The papers in this volume, presented in September 2015 at York University in Toronto, discuss texts from as early as second-century papyrus fragments to modern apocrypha such as tales of Jesus in India in the nineteenth century, the Life of Saint Issa. The highlights of the collection include a keynote address by Bart Ehrman, "Apocryphal Forgeries: The Logic of Literary Deceit," and a panel discussion on the Gospel of Jesus Wife, reflecting on what reactions to this particular text primarily on

biblioblogs can tell us about the creation transmission and reception of apocryphal Christian literature The eye opening papers presented at the panel caution and enlighten readers about the ethics of studying unprovenanced texts the challenges facing female scholars both in the academy and online and the shifting dynamics between online and traditional print scholarship

God as Father in Paul Abera M. Mengestu, 2013-08-28 God as Father in Paul explores Paul's use of the kinship term Father to refer to God along with related familial terms children of God and Christ followers as brothers and sisters as part of a study of the use of kinship language in the identity formation of early Christianity Mengestu argues that these kinship terms are shared modes of identity constructions within the wider textual and cultural settings the Roman Empire the Roman Stoic philosophers the Hebrew Bible and ancient Jewish literature from which Paul draws on as well as contests Employing theoretical kinship and social identity theory as well as interpretative approaches imperial critical and narrative approaches to Paul he contends that Paul uses God as Father consistently strategically and purposefully in both stable and crisis situations to develop a narrative orienting framework that images the community of Christ followers as a family that belongs to God who together with the Lord Jesus Christ bestows on them equal but diverse membership in the family The narrative so constructed forms the foundation for referring to Christ followers as children of God and brothers and sisters of one another It constructs boundaries and serves as nexus of transformation and negotiation

Paul as homo novus Eve-Marie Becker, Jacob Mortensen, 2018-04-16 20th century research in St Paul is widely impacted by Adolf Deissmann's prominent view on the apostle as a homo novus 1911 But where does this concept originate from and what does it imply This collection of articles does not only re-evaluate Deissmann's concept by tracing it back to its historical and socio-political origins in Cicero and exploring how authors from early Imperial Time perceive and transform the homo novus paradigm by diverse modes and strategies of literary self-fashioning Scholars ranging the fields of New Testament Studies Greek and Latin Philology Ancient History Patristics and Comparative Literature also examine how the Ciceronian paradigm was early on transformed disseminated and applied as a literary concept and an authorial topos of self-molding One of the leading questions throughout the volume thus is How do authors like Cicero Horace Paul Tacitus Seneca Athanasius and Augustine fashion themselves in accordance to or in difference from the idea of being a new man It is argued that by means of literary self-configuration indeed some of these writers such as Paul and Augustine want to appear as new men by either altering traditional social moral religious or political roles or by creating new patterns of social behavior and religious self-understanding

Paul the Letter-writer: His World, His Opinions, His Skills Jerome Murphy-O'Connor, 1995

Exploring the Origins of the Bible (Acadia Studies in Bible and Theology) Craig A. Evans, Emanuel Tov, 2008-10-01 How did the Bible we have come to be What do biblical scholars mean when they talk about canon the Septuagint the Apocrypha or the Masoretic Text All this biblical study is interesting but does it really matter Leading international scholars explain that it does This thought-provoking and cutting-edge collection will help you go deeper in your understanding of the biblical

writings how those writings became canonical Scripture and why canon matters Beginning with an explanation of the different versions of the Hebrew Bible scholars in different areas of expertise explore the complexities and issues related to the Old and New Testament canons why different Jewish and Christian communities have different collections and the importance of canon to theology The Making of the New Testament Arthur G. Patzia, 2025-11-04 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of The Making of the New Testament is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul's letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh Paul of Tarsus Panayotis Coutsoumpos, 2018-09-25 Paul's writings are central and important not only for the establishment of the Christian faith but also for the entire history of the Early Christian Church The study of Paul's person his letter and his theology can be stimulating and a challenging reading effort Paul of Tarsus is an introduction designed for students pastors and laymen P Coutsoumpos seeks to expand Paul's essential message Seeking to situate the study of the Apostle in a proper perspective Coutsoumpos first looks into the contours of Paul's personal life before and after his encounter with the risen Christ Then he looks at each of Paul's letters independently and lastly emphasizes the central elements of his theological belief Paul of Tarsus is an appealing and accessible book that places Paul within his historical and theological context **Beginning from Jerusalem** James D.G. Dunn, 2009-03-16 **Beginning from Jerusalem** covers the early formation of the Christian faith from 30 to 70 C.E. After outlining the quest for the historical church parallel to the quest for the historical Jesus and reviewing the sources James Dunn follows the course of the movement stemming from Jesus beginning from Jerusalem He opens with a close analysis of what can be said of the earliest Jerusalem community the Hellenists the mission of Peter and the emergence of Paul Then Dunn focuses solely on Paul the chronology of his life and mission his understanding of his call as apostle and the character of the churches that he founded The third part traces the final days and literary legacies of the three principal figures of first generation

Christianity Paul Peter and James the brother of Jesus Each section includes detailed interaction with the vast wealth of secondary literature on the many subjects covered **Letter Hermeneutics in 2 Corinthians** Eve-Marie

Becker,2004-11-15 Having presented a brief history of research on 2 Corinthians Eve Marie Becker outlines the process of Paul s communication with the Corinthian community and considers letter production and letter reception at the time She develops a literary historical model for reconstructing the original separate letters 1 1 7 4 7 5 16 8 9 10 13 which were later compiled to form the canonical letter She defines by means of linguistics and communication theory the central theoretical elements for Pauline letter hermeneutics There is a thorough exegesis of those parts of 2 Corinthians in which Paul formulates aspects of his hermeneutics based on the theory of letter hermeneutics and on the results of the literary historical reconstruction of the original form of 2 Corinthians There is also an examination of the reception and interpretation of 2 Corinthians in the early church This is volume 279 in the Journal for the Study of the New Testament Supplement series

The Theology of Paul's Letter to the Galatians James D. G. Dunn,1993-09-09 Paul s Letter to the Galatians is one of the fiercest and most polemical writings in the Bible That is what makes it for the author of this study such an exciting document to deal with It emerges from the early days of a vigorous new movement Christianity when basic principles were first being formulated and when the whole character of the movement was at stake In the pages of Galatians we witness fundamental features of Christian theology taking shape before our eyes where the living heart of Paul s gospel is encountered For James D G Dunn there is an elemental quality about the letter to which those tired of compromising half truths are drawn when they feel the impulse to return to first principles This book which benefits from this perspective on Paul explains more clearly than hitherto both the issues which confronted Paul and the powerful theological arguments he brought to bear in response and casts light on a document still capable of shaping lives and theology today **A Forty-Day Study of Paul's Letter to the**
