*Dental Office Administration* Geraldine S Irlbacher, Guy S. Girtel, 2020-03-18 *Dental Office Administration* is a comprehensive resource that details the responsibilities of the dental office professional providing practical communication techniques and tips for problem solving. It also provides the necessary clinical background information every dental office professional needs for a successful practice. Hands on activities within the text require students to practice common tasks such as dental charting, writing a memo or conducting a mock telephone call with another student. A free bonus DVD ROM for Windows includes practice management software called DENTRIXG4 practice management to give students real world experience managing patient data and filing electronic claims. A companion Website includes the full text and a quiz bank.

*Office-Based Procedures, An issue of Urologic Clinics* J. Stephen Jones, 2013-11-28 This issue of the *Urologic Clinics* covers office based procedures in urology. There are a wealth of urologic procedures that can be done in the office setting offering reduced risks to the patient, less stress and better recovery time as well as a more favourable reimbursement for the physician. Articles include more common issues such as stone management, ultrasound, prostate biopsy and vasectomy as well as infusion therapy, biofeedback and office anesthesia.
