The Choice Og Mandino,1986-03-01 Choice The key is Choice You have options You need not spend your life wallowing in failure ignorance grief poverty shame and self pity But hold on If this is true then why have so many among us apparently elected to live in that manner The answer is obvious Those who live in unhappy failure have never exercised their options for a better way of life because they have never been aware that they had any Choices The Choice Og Mandino,2011-02-02 Choice The key is Choice You have options You need not spend your life wallowing in failure ignorance grief poverty shame and self pity But hold on If this is true then why have so many among us apparently elected to live in that manner The answer is obvious Those who live in unhappy failure have never exercised their options for a better way of life because they have never been aware that they had any Choices *The Power of Choice* Joyce Guccione,2007-03-01 The Power of Choice begins with The Untold Story of The Greater Adventures of Humpty Dumpty a simple yet profound illustration for people of all ages that shows us that the secret to a better life lies in the Choices we make It then goes on to provide some Encouraging Words in a collection of quotations from hundreds of voices which we have heard throughout the ages in a virtual litany of empowering quotations which is said to have a powerful effect upon those who take the time to read through them Finally it shows us how to constantly exercise our Choices by Picking up the Best and Leaving all the Rest The Power of Choice May it be a life changing experience for you CPR 4 Libraries A full 10% of every retail sale of The Power of Choice made on this site will be contributed to rebuild libraries in the Gulf Region All funds will go to the ALA Hurricane Katrina Library Relief Fund

The Lost Choice Andy Andrews,2004-06-22 A work of both scholarship and imagination The Lost Choice is a legend of personal discovery a reminder of the opportunities we each are given When a young boy finds a mysterious object in the creek near his home it starts a series of events that could change the world again Many search for the ancient relic s secret but few find its truer purpose What choices will each make or lose The Power of Choice Belu Mabandla,2013-03-23 In this world success is often measured by the wealth and prestige that one acquires So anyone who does not possess these things is considered a failure However for Belu Mabandla her financial stability and her social status do not matter at all if she cannot sow the seeds that benefit others With this in mind she wrote The Power of Choice a journal about her personal journey as a successful mother and career woman who was able to weather the storms of her life through her undying trust in God The book also tells about the experiences of other people that can be a source of inspiration and valuable lessons
