Citizen-Soldiers in a Time of Transition Stephanie Sanok Kostro, 2014-05-02 Currently U S armed forces are facing a rapidly shifting environment Even as the major combat operations in Afghanistan and Iraq that defined the last decade are coming to an end a wide variety of new and evolving challenges both abroad and at home are confronting the nation s military The U S Army National Guard faces a unique set of dynamics given its role in domestic as well as overseas operations As the Army National Guard considers its future it asked the CSIS Homeland Security and Counterterrorism Program to provide an independent analysis of the strategic level issues facing the Guard as well as its evolving roles and missions This report provides policymakers and practitioners with objective insights and recommendations to assist in outlining potential future responsibilities for the Army National Guard Nordic, Central, and Southeastern Europe 2014 Wayne C. Thompson, 2014-07-24 This is an annually updated presentation of each sovereign country in Nordic Central and Southeastern Europe past and present It is organized by individual chapters for each country dealing with its geography people history political system constitution parliament decentralization and states if a federation parties political leaders and elections There are also sections on foreign and defense policy economy culture future and a lengthy bibliography

Department of Defense Appropriations for Fiscal Year 2014 United States. Congress. Senate. Committee on Appropriations. Subcommittee on Defense, 2014 **Military Deployment and its Consequences for Families** Shelley MacDermid Wadsworth, David S. Riggs, 2013-11-23 War related separations challenge families in many ways The worry and uncertainty associated with combat deployments provokes anxiety in family members left at home Lengthy separations may challenge the personal social and economic coping resources of families at home In this war thanks to medical advances many service members who previously would have died of their injuries are returning home to live long although altered lives As a result families are facing the additional challenge of assisting service members who have experienced amputation traumatic brain injury and psychological wounds These challenges are faced not only by service members in the active

component of the armed forces but also by service members in the National Guard and Reserves In response the Department of Defense has launched unprecedented efforts to support service members and families before during and after deployment in all locations of the country as well as in remote locations These support efforts are focused not only on medical care but also mental health care and logistical support Research about families and war tends to move forward in fits and starts associated with major conflicts and there is currently an increasing flow of family research moving into the scientific domain Military Families and the Aftermath of Deployment focuses heavily on the aftermath of deployment for families It is the first compilation of such chapters released in relation to the wars in Iraq and Afghanistan and includes contributions from leading researchers from diverse disciplines and arenas including universities the Veterans Administration and the Department of Defense as well as international researchers from Canada and Croatia among others This work will be of use to graduate students and researchers in family studies social work counseling military science psychology and sociology **Department of Defense Authorization for Appropriations for Fiscal Year 2014 and the Future Years Defense Program, Part 7, S. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 2014 Beyond These Walls Tony Platt, 2019-01-08 You should definitely read this book What really struck me in reading Beyond These Walls was that Tony Platt had very seriously and carefully considered the contributions of social movements feminist queer disability and labor Angela Davis Beyond These Walls is an ambitious and far ranging exploration that tracks the legacy of crime and imprisonment in the United States from the historical roots of the American criminal justice system to our modern state of over incarceration and offers a bold vision for a new future Author Tony Platt a recognized authority in the field of criminal justice challenges the way we think about how and why millions of people are tracked arrested incarcerated catalogued and regulated in the United States Beyond These Walls traces the disturbing history of punishment and social control revealing how the criminal justice system attempts to enforce and justify inequalities associated with class race gender and sexuality Prisons and police departments are central to this process but other institutions from immigration and welfare to educational and public health agencies are equally complicit Platt argues that international and national politics shape perceptions of danger and determine the policies of local criminal justice agencies while private policing and global corporations are deeply and undemocratically involved in the business of homeland security Finally Beyond These Walls demonstrates why efforts to reform criminal justice agencies have often expanded rather than contracted the net of social control Drawing upon a long tradition of popular resistance Platt concludes with a strategic vision of what it will take to achieve justice for all in this era of authoritarian disorder **Staying**

in the Fight Jeffrey S. Lantis, 2024-08-06 During the chaotic evacuation of the United States from Afghanistan in 2021 a group of Congress members who were also military veterans of the War on Terror leapt into action to assist vulnerable people in Afghanistan who had aided the American war effort This cohort of legislators and their staffs on Capitol Hill created hotlines and worked 24 hour shifts in an intense effort to save lives often coordinating between government agencies informal networks of veterans groups and contacts on the ground in Kabul In the process many veteran lawmakers also became vocal critics of presidential management of the crisis and said they felt a moral obligation to act In *Staying in the Fight* How War on Terror Veterans in Congress Are Shaping U S Defense Policy author Jeffrey S Lantis shines a spotlight on this cohort of legislators and their unique position in the American government By using exclusive interview data archival sources statistics process tracing and comparative case methodology Lantis illustrates ways that policy interventions and activism by veterans on both sides of the aisle have shaped America s involvement in conflicts from Afghanistan to Ukraine The first study of its kind to focus on this new generation of military veterans and their role in foreign and security policy decision making *Staying in the Fight* speaks directly to debates in civil military relations veterans studies and research on congressional foreign policy advocacy
