Diary of a Zombie Sergi Llauger,2014-08-20 The day I died was the day when I nearly lost the little humanity that was left inside me The eternal promise of leaving as a peaceful spirit was never fulfilled instead I became a wandering soul rooted to the entrails of this wasteland You might think that smiling in the face of death should be something glorious but there s nothing glorious about this There s only a deep and sinister emptiness inside Destiny made me walk among demons I didn t need to be scared of It allowed me to stare at the sun without looking away from dawn to dusk It placed the burden of this world on my back and also forced me to remember the meaning of love and of giving human beings a second chance Was there ever a reason for so many broken laws Who knows Let me tell you about a fascinating journey and faraway lands about unswerving loyalty and unimaginable creatures My name is Erico Lombardo and I am doomed to be aware of myself Maybe after my death I still had one last thing to do Diary of a Zombie transports us to a desolate world a planet wiped out by a massive pandemic where human beings have almost become extinct But what makes this story different from the rest is the fact that it is told from a very unusual point of view that of a zombie who for unknown reasons keeps his human consciousness and free will after being transformed This is a unique case After a few chapters in which the character is introduced we will witness a story of redemption full of human values that is centered around a peculiar friendship Erico s cold cynical and unsociable behavior will gradually change as he meets a lonely and mysterious 8 year old girl on whom humankind s scarce chances of survival depend During the whole of his epic adventure Erico will be linked to his most human side again as he recovers memories and feelings he had not experienced since the times when warm blood still coursed through his veins Diary of a Zombie mostly set in a post apocalyptic Barcelona presents a pleasant story which will bring the reader both tears and laughter It is a breath of fresh air that reinvents a genre which apparently had nothing new to offer

as dangerous as life under a sadistic Massa That s what fifteen year old Naomi learns after she escapes the brutal confines of life on an Alabama plantation and takes refuge in a Georgia brothel run by a gun toting Jewish madam named Cynthia Amidst a revolving door of gamblers and prostitutes Naomi falls into a love affair with a smooth talking white man named Jeremy The product of their union is Josey whose white skin and blond hair mark her as different from the others on the plantation Having been taken in as an infant by a free slave named Charles Josey has never known her mother who was murdered at her birth Josey soon becomes caught in the tide of history when news of the Emancipation Proclamation reaches her and a day of supposed freedom turns into one of unfathomable violence that will define Josey and her lost mother for years to come

Congress Annual Symposium held at the We Ko Pa Resort and Conference Center in Fountain Hills Arizona I had to wonder could there really be something to this tale Keep in mind scientists believe there are one hundred billion stars in our galaxy and ten trillion galaxies in the observable universe That means there are about 1 000 000 000 000 000 000 000 000 a thousand quintillions or one sextillion stars out there It is believed that 7 6% of those are Class G stars like our own sun That s important because it is estimated that almost all Class G stars support at least one planet in which life must exist The Universe is believed to be teeming with life If that is such couldn t there be other life forms like E T out there somewhere And If so why is it so fundamentally insane to suppose they ve been coming to Earth since the beginning of mankind to manipulate our DNA hunt or live among us

The Billionaire's Creed Gia Hunter,2022-07-22 I did everything against my beliefs in marriage The day our worlds collided I hated his guts If you think a man who is striking so damn good looking shallow narcissistic and extremely rich like Mykel Creed will ask the love of his life to marry him You re wrong It was me who asked a complete stranger a hardworking independent woman who took a different path from the family business Yet right now I m marrying him for my inheritance I blame myself for my self defeating action It doesn t take long for me to realize my biggest mistake is marrying the right man for the wrong reason until my actions speak the loudest and my heart starts to get a mind of its own Not so long ago my only priority was making billions with a little bit of fun along the way Yet it only took Adley Kross a minute to make me agree to marry her the woman who called me names If you think I will laugh in her face call her nuts and show her the way out You re wrong Well I owed her and now she comes to collect it but that s not the point she had me at the first sway of her ass I blame myself for being drawn to those sterling eyes and her gorgeous curves But being with her seems to matter more than my money and being bound to her stupid terms
