Essentials of Catholic Radicalism Corneliu C. Simuț, 2011 The book describes the fundamental tenets of Catholic Radicalism defined as an understanding of Christianity from a perspective which dismisses the traditional supernatural image of God The essentials of Catholic Radicalism are extracted from the works of Vito Mancuso a lay Italian theologian whose intention is to rebuild Christian theology starting from the natural and physical reality of this world Mancuso insists that he is a Catholic theologian despite his conviction that God should be seen today in atheistic terms which help us understand the world from a rational perspective The use of reason in theology is compulsory for Mancuso in order for theology to make sense in the skeptical society of our times which is characterized by a powerful lay consciousness

Sport and Modernity Richard Gruneau, 2017-10-16 This important new book from one of the world's leading sociologists of sport weaves together social

theory history and political economy to provide a highly original analysis of the complex relationship between sport and modernity Incorporating a powerful set of theoretical insights from traditions and thinkers ranging from classical Marxism and the Frankfurt School to Foucault and Bourdieu Gruneau analyzes the emergence of sport as a distinctive field of practice in western societies Examining subjects including the legacy of Greek and Roman antiquity representations of sport in nineteenth century England Nazism and modern mega events such as the Olympics and the World Cup he seeks to show how sport developed into an arena which articulated competing understandings of the kinds of people bodies and practices best suited to the modern western world This book thereby explores with brio and sophistication how the ever changing economic social and political relations of modernity have been produced and reproduced and sometimes also opposed and escaped through sport from the Enlightenment to the rise of neoliberalism as well as examining how the study of exercise athletics the body and the spectacle of sport can deepen our understanding of the nature of modernity It will be essential reading for students and scholars of the sociology and history of sport sociology of culture cultural history and cultural studies

From Alienation to Forms of Life Amy Allen, Eduardo Mendieta, 2018-05-22 The wide ranging work of Rahel Jaeggi a leading voice of the new generation of critical theorists demonstrates how core concepts and methodological approaches in the tradition of the Frankfurt School can be updated stripped of their dubious metaphysical baggage and made fruitful for critical theory in the twenty first century In this thorough introduction to Jaeggi s work for English speaking audiences scholars assess and critique her efforts to revitalize critical theory Jaeggi s innovative work reclaims key concepts of Hegelian Marxist social philosophy and reads them through the lens of such thinkers as Adorno Heidegger and Dewey while simultaneously putting them into dialogue with contemporary analytic philosophy Structured for classroom use this critical introduction to Rahel Jaeggi is an insightful and generative confrontation with the most recent transformation of Frankfurt School inspired social and philosophical critical theory This volume features an essay by Jaeggi on moral progress and social change essays by leading scholars engaging with her conceptual analysis of alienation and the critique of forms of life and a Q A between Jaeggi and volume coeditor Amy Allen For scholars and students wishing to engage in the debate with key contemporary thinkers over the past present and future s of critical theory this volume will be transformative

Rethinking Security in the Age of Migration Ali Bilgic, 2013-09-02 Migration and especially irregular migration are politically sensitive and highly debated issues in the developed world particularly in Europe This book analyses irregular protection seeking migration in Europe with close attention to sub Saharan migration into the EU from the perspective of emancipatory security theory Some individuals leave their countries because political social and economic structures largely fail to provide protection This book examines how communities respond to migrants who seek protection and security where migration is perceived as a source of insecurity by many in that community The central aim of this critical analysis is to explore ideas and practices which can contribute to replacing the political structures of insecurity with emancipatory structures where individuals both irregular

migrants and members of the receiving communities enjoy security together not opposed to each other Drawing on the security dilemma critical approaches to security forced migration and trust the book demonstrates how common life between two groups of individuals can be politically constructed in tandem with limitations risks and possible handicaps of initiating such a construction in world politics Rethinking Security in the Age of Migration will be of interest to students and scholars of migration studies security studies international relations European politics and sociology

Critical Theory: A Very Short Introduction Stephen Eric Bronner, 2011-03-18 Critical Theory emerged in the 1920s from the work of the Frankfurt School the circle of German Jewish academics who sought to diagnose and if at all possible cure the ills of society particularly fascism and capitalism In this book Stephen Eric Bronner provides sketches of leading representatives of the critical tradition such as George Luk cs and Ernst Bloch Theodor Adorno and Walter Benjamin Herbert Marcuse and Jurgen Habermas as well as many of its seminal texts and empirical investigations This Very Short Introduction sheds light on the cluster of concepts and themes that set critical theory apart from its more traditional philosophical competitors Bronner explains and discusses concepts such as method and agency alienation and reification the culture industry and repressive tolerance non identity and utopia He argues for the introduction of new categories and perspectives for illuminating the obstacles to progressive change and focusing upon hidden transformative possibilities Only a critique of critical theory can render it salient for a new age That is precisely what this very short introduction provides

Question Authority Mark Kingwell, 2024-11-05 Philosopher Mark Kingwell thinks about thinking for yourself in an era of radical know it all ism Question authority the popular 1960s slogan commanded Think for yourself But what started as a counter cultural catchphrase playful in logic but serious in intent has become a practical paradox Yesterday s social critics are the tone policing tyrants of today while those who claim colourblindness see no need to engage with critical theory at all The resulting crisis of authority made worse by rival political factions and chaotic public discourse has exposed cracks in every facet of shared social life Politics academia journalism medicine religion science every kind of institutional claim is now routinely subject to objection investigation and outright disbelief A recurring feature of this comprehensive distrust of authority is the firm often unshakeable belief in personal righteousness and superiority what Mark Kingwell calls our addiction to conviction In this critical survey of the predicament of contemporary authority Kingwell draws on philosophical argument personal reflection and details from the headlines in an attempt to reclaim the democratic spirit of questioning authority and thinking for oneself Defending a program of compassionate skepticism Question Authority is a fascinating

survey of the role of individual humility in public life and illuminates how we might each do our part in the infinite project of justice

John F. Kennedy and the Artful Collaboration of Film and Politics Melissa Wye Geraci, 2003 This is the first historical analysis that reveals the depth and scope of the contribution that the Kennedy family professional staff and outside collaborators made in creating the John F Kennedy presidential campaign image Documenting the origins of this groundbreaking strategy as the combined result of both 1920s Hollywood film production and propaganda films in Europe during the 1930s it sheds new light on the effectiveness of the Kennedy influence during the 1960s and up to the present The Kennedy boundary spanning approach to the development and dispersal of public private information has since become an integral component of media based politics The business of enhancing the aesthetics of the run for the presidency through pictorial and cinematic representation has become an essential contributing factor in many of the more controversial aspects of Hollywood filmmaking as well as a governmental propaganda resource The work particularly examines the campaign film *The New Frontier* *Forthcoming Books* Rose Arny, 2002

Conspiracy U Scott A. Shay, 2021-10-05 In *Conspiracy U* Shay presents a case study of his alma mater Northwestern University in order to challenge the proliferation of anti Zionist conspiracy theories championed on college campuses by both the far right and far left Shay tackles the thorny question of how otherwise brilliant minds willingly come to embrace and espouse such patent falsehoods He explains why Zionism the movement for Jewish national self determination has become the focal point for both far right and far left conspiracy theories His keen analysis reveals why Jews serve as the canary in the coal mine *Conspiracy U* delivers an urgent wake up call for everyone who cares about the future of civil society and is concerned that universities today are failing at teaching students how to strive for truth but rather guiding students to blindly trust theories driven by ideology The book provides a roadmap for reform based on universal moral and intellectual standards and offers a way out of the culture wars that are ripping America apart *Books in Print Supplement*, 2002

Jahrbuch des Simon-Dubnow-Instituts / Simon Dubnow Institute Yearbook X (2011) Dan Diner, 2011-12-07 The Yearbook of the Simon Dubnow institute for 2011 has as one of its major themes the Jewish presence in the local governments of Central Eastern Europe particularly during the time between World War I and World War II and especially in Poland A further theme considers matters of literary history after 1945 based on iconic texts as well as approaches determined by our knowledge of history The general section and the other sections contain contributions on urban life in Eastern Europe on the history of Jewish newspaper production on the early studies of the Holocaust on intellectual circles in the study of Judaism and on the history of the transfer and effect of continental theories in America
