Offering Hospitality Caron E. Gentry, 2022-09-30 In *Offering Hospitality Questioning Christian Approaches to War* Caron Gentry contributes an informed feminist and postmodernist critique to the just war conversation **Orthodox Christian Perspectives on War** Perry T. Hamalis, Valerie A. Karras, 2017-12-15 Many regions of the world whose histories include war and violent conflict have or once had strong ties to Orthodox Christianity Yet policy makers religious leaders and scholars often neglect Orthodoxy's resources when they reflect on the challenges of war Through essays written by prominent Orthodox scholars in the fields of biblical studies church history Byzantine studies theology patristics political science ethics and biology *Orthodox Christian Perspectives on War* presents and examines the Orthodox tradition's nuanced and unique insights on the meaning and challenges of war with an eye toward their contemporary relevance This volume is structured in three parts *Confronting the Present Day Reality Reengaging Orthodoxy's Tradition and Constructive Directions in Orthodox Theology and Ethics* Each exemplifies the value of interdisciplinary reflection on war and the potential for the Eastern Orthodox tradition to enhance ecumenical and interfaith discussions surrounding war in both domestic and international contexts The contributors do not advance a single account of the meaning of war or a comprehensive and normative stance purporting to be the Orthodox Christian teaching on war Instead this collection presents the breadth and depth of Orthodox Christian thought in a way that engages Orthodox and non Orthodox readers alike In addition to offering fresh resources for all people of good will to understand prevent and respond faithfully to war this book will appeal to Christian theologians who specialize in ethics to libraries of academic institutions and to scholars of war peace studies international relations and Orthodox thought Contributors Peter C Bouteneff George Demacopoulos John Fotopoulos Brandon Gallaher Perry T Hamalis Valerie A Karras Alexandros K Kyrou Aristotle Papanikolaou Elizabeth H Prodromou Nicolae Roddy James C Skedros Andrew Walsh and Gayle E Woloschak **Expanding Responsibility for the Just War** Rosemary Kellison, 2019 This feminist critique of just war reasoning argues for an expansion of responsibility for harms inflicted on civilians in war The Palgrave Handbook of Disciplinary and Regional Approaches to Peace Oliver Richmond, Sandra Pogodda, Jasmin Ramovic, 2016-03-15 In this handbook a diverse range of leading scholars consider the social cultural economic political and developmental underpinnings of peace This handbook is a much needed response to the failures of contemporary peacebuilding missions and narrow disciplinary debates both of which have outlined the need for more interdisciplinary work in International Relations and Peace and Conflict studies Scholars students and policymakers are often disillusioned with universalist and northern dominated approaches and a better understanding of the variations of peace and its building blocks across different regions is required Collectively these chapters promote a more differentiated notion of peace employing comparative analysis to explain how peace is debated and contested **Handbook on Gender and War** Simona Sharoni, Julia Welland, Linda Steiner, Jennifer Pedersen, 2016-07-27 This interdisciplinary Handbook offers a comprehensive

and detailed overview of the relationship between gender and war exploring the conduct of war its impact aftermath and opposition to it Offering sophisticated theoretical insights and empirical research from the First World War to contemporary conflicts around the world this Handbook underscores the centrality of gender to critical examinations of war **Routledge Handbook of Critical Terrorism Studies** Richard Jackson, 2016-04-14 This new handbook is a comprehensive collection of cutting edge essays that investigate the contribution of Critical Terrorism Studies to our understanding of contemporary terrorism and counterterrorism Terrorism remains one of the most important security and political issues of our time After 9 11 Critical Terrorism Studies CTS emerged as an alternative approach to the mainstream study of terrorism and counterterrorism one which combined innovative methods with a searching critique of the abuses of the war on terror This volume explores the unique contribution of CTS to our understanding of contemporary non state violence and the state s response to it It draws together contributions from key thinkers in the field who explore critical questions around the nature and study of terrorism the causes of terrorism state terrorism responses to terrorism the war on terror and emerging issues in terrorism research Covering a wide range of topics including key debates in the field and emerging issues the Routledge Handbook of Critical Terrorism Studies will set a benchmark for future research on terrorism and the response to it This handbook will be of great interest to students of terrorism studies political violence critical security studies and IR in general

Researching War Annick T. R. Wibben, 2016-05-12 Researching War provides a unique overview of varied feminist contributions to the study of war through case studies from around the world Written by well respected scholars each chapter explicitly showcases the role of feminist methodological ethical and political commitments in the research process Designed to be useful for teaching also the book provides insight into feminist research practices for students and scholars wanting to further their understanding what it means to study war and other issues from a feminist perspective To this end every author follows a four part structure in the presentation of their case study outlining a research puzzle explaining the chosen approach describing the findings and finally offering a reflection on the feminist commitments that guided the research This book Provides a multi disciplinary perspective on war by drawing on disciplines such as anthropology history literature peace research postcolonial theory queer studies security studies and women s studies Showcases a multiplicity of experiences with war and violence emphasizing everyday experiences of war and violence with accounts from around the world Challenges stereotypical accounts of women violence and war by pointing to contradictions and unexpected continuities as well as unexpected findings made possible by adopting a feminist perspective Teases out linkages between various forms of political violence against women but increasingly also by women Discusses theoretical and methodological innovation in feminist research on war This book will be essential reading for advanced students and scholars of Security Studies Gender and Conflict Women and War Feminist International Relations and Research Methods **Beyond Mothers, Monsters, Whores** Caron E. Gentry, Laura Sjoberg, 2015-08-15 Beyond Mothers Monsters Whores takes the suggestion in

Mothers Monsters Whores that it is important to see genderings in characterizations of violent women and to use critique of those genderings to retheorize individual violence in global politics It begins by demonstrating the interdependence of the personal and international levels of global politics in violent women s lives but then shows that this interdependence is inaccurately depicted in gender subordinating narratives of women s violence Such narratives the authors argue are not only normatively problematic on the surface but also intersect with other identifiers such as race religion and geopolitical location

Bertrand Russell and Albert Einstein - Builders of Peace Claudio Giulio Anta, Bertrand Russell and Albert Einstein had very different cultural backgrounds and personalities At the same time they were united in their tenacious battle for peace it began with the Great War and culminated in their famous 1955 Manifesto Through various kinds of pacifism they sought to encapsulate the dilemmas and problems that derived from the changed political conditions of his time the beginning of the Great War the creation and failure of the League of Nations the affirmation of totalitarian regimes the outbreak of the Second World War the origin of the atomic age and the escalation of the Cold War the establishment of the UN with its political and institutional weakness and the need for a world government in the form of a world federation Their reflections on the subject of peace led them into dialogue with some of the greatest figures of their time R Rolland Th Woodrow Wilson V I Lenin F D Roosevelt J F Kennedy N Khrushchev F Castro S Freud L Szil rd and E Reves *This American Moment* Caron E. Gentry,2018-08-01 According to this book the United States is currently in a moment of crisis fomented by anxieties around race and gender politics Unlike fear which is usually focused on a particular object anxiety is indeterminate and uncertain It is also the emotion that led to the election and continued support of President Trump But Caron Gentry says that we can deal with this anxiety in a productive way To do so she turns to Reinhold Niebuhr whose philosophy of Christian realism has been an abiding influence on foreign policy since the Cold War According to Niebuhr Man s capacity for justice makes democracy possible but man s inclination to injustice makes democracy necessary Anxiety is central to Niebuhr s ideas an emotion that is abiding because we lack control over the circumstances of our lives In turn anxiety prompts a desire for unity but also an intolerance for difference Niebuhr suggests that anxiety can be dealt with destructively or creatively and that power must be balanced to prevent destructive action Gentry is critical of Niebuhr saying that he gives in to destructive tendencies in humans by elevating power above other more creative solutions In *This American Moment* she offers feminist Christian realism as an alternate approach to anxiety in international politics Gentry s feminist Christian realism differentiates itself from Niebuhr s Christian realism by re engaging the importance of love and relationships over power It suggests that we can arrive at creative solutions to anxiety through a conversation about the imago dei and the inherent commitments to community borne of one s relationship with God including the recognition of obligation in the face of vulnerability Throughout Gentry applies her ideas to the problems of police brutality women s reproductive health and the rise in fascist politics *Modern Chinese Theologies* Chloë Starr,2023 *Chinese Theologies* introduces the vibrant development of Chinese

theology in its many forms across the twentieth and twenty first centuries It also challenges prevalent narratives regarding the lack of Chinese theologies and engages questions of the construction of theology in their own traditions nations

Imperial Pilgrims Shawn A. Aghajan,2022-03-29 This book is an Augustinian interrogation of contemporary Christian accounts of empire just war and terrorism Though Augustine s voice has guided much of the Christian discourse in these conjoined arenas it has not shielded his work from being misappropriated to serve ends that are inimical to his own The US war on terror is the most recent and egregious example of violence that many theologians have unjustly baptized as Augustinian By reading Augustine pastorally rather than merely polemically this work offers a counter narrative and an alternative praxis for the American Christian trying to reconcile her baptism with her citizenship **Routledge Handbook of Gender and Security** Caron E. Gentry,Laura J. Shepherd,Laura Sjoberg,2018-09-03 This handbook provides a comprehensive look at the study of gender and security in global politics The volume is based on the core argument that gender is conceptually necessary to thinking about central questions of security analytically important for thinking about cause and effect in security and politically important for considering possibilities of making the world better in the future Contributions to the volume look at various aspects of studying gender and security through diverse lenses that engage diverse feminisms with diverse policy concerns and working with diverse theoretical contributions from scholars of security more broadly It is grouped into four thematic sections Gendered approaches to security including theoretical conceptual and methodological approaches Gendered insecurities in global politics including the ways insecurity in global politics is distributed and read on the basis of gender Gendered practices of security including how policy practice and theory work together or do not Gendered security institutions across a wide variety of spaces and places in global politics This handbook will be of great interest to students of gender studies security studies and IR in general *Ford's The Modern Theologians* Rachel Muers,Ashley Cocksworth,2024-02-21 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology s engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations

forward The Modern Theologians Explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford's The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study *The Oxford Handbook of Christian Monasticism* Bernice M.

Kaczynski, Thomas Sullivan, 2020 The Oxford Handbook of Christian Monasticism addresses for the first time in one volume multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism

Christian Register and Boston Observer, 1929 Reagan's Gun-Toting Nuns Theresa Keeley, 2020-09-15 In Reagan's Gun Toting Nuns Theresa Keeley analyzes the role of intra Catholic conflict within the framework of U S foreign policy formulation and execution during the Reagan administration She challenges the preponderance of scholarship on the administration that stresses the influence of evangelical Protestants on foreign policy toward Latin America Especially in the case of U S engagement in El Salvador and Nicaragua Keeley argues the bitter debate between U S and Central American Catholics over the direction of the Catholic Church shaped President Reagan's foreign policy The flash point for these intra Catholic disputes was the December 1980 political murder of four American Catholic missionaries in El Salvador Liberal Catholics described nuns and priests in Central America who worked to combat structural inequality as human rights advocates living out the Gospel's spirit Conservative Catholics saw them as agents of class conflict who furthered the so called Gospel according to Karl Marx The debate was an old one among Catholics but as Reagan's Gun Toting Nuns contends it intensified as conservative anticommunist Catholics played instrumental roles in crafting U S policy to fund the Salvadoran government and the Nicaraguan Contras Reagan's Gun Toting Nuns describes the religious actors as human rights advocates and against prevailing understandings of the fundamentally secular activism related to human rights highlights religion inspired activism during the Cold War In charting the rightward development of American Catholicism Keeley provides a new chapter in the history of U S diplomacy and shows how domestic issues such as contraception and abortion joined with foreign policy matters to shift Catholic laity toward Republican principles at home and abroad **The Christian Union**, 1890 *The Missionary Review of the World*, 1927 **Young Men's Era**, 1892

Offering Hospitality Questioning Christian Approaches To War: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Offering Hospitality Questioning Christian Approaches To War : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
