and updated edition of *The New York Times Parent's Guide to the Best Books for Children* the children's book editor of *The New York Times Book Review* personally selects and recommends books for children of every age The most comprehensive and authoritative book of its kind has been completely updated for the new millennium It contains hundreds of new entries many expanded descriptions and notations of additional companion and related titles more than 1 700 in all The best loved classics of the twentieth century are included as well as a thoughtful selection of outstanding titles from the last decade Six sections are organized according to reading level Wordless Picture Story Early Reading Middle Reading and Young Adult In addition to a summary of the book each entry provides the essential bibliographic information you need to find a book in your local library or bookstore including title author and or illustrator hardcover and or paperback publisher and publication year major awards related titles The unique and most popular feature of the guide is its system of special indexes more than sixty in all They make it easy for parents and grandparents teachers and librarians even children themselves to match the right book to the right child Browse through the indexes and find titles for every interest and mood picture books about cats mice or dinosaurs for babies funny books to read aloud to toddlers series about family life or school or fantasy adventures for a middle grade child books on divorce or death and coming of age novels just right for someone starting junior high school There are also indexes for books about minorities and religion an age appropriate reading level index and much more Lavishly decorated with more than three hundred illustrations from representative titles the guide also features extra wide margins for notes on which of your children liked which book at what age and why Thus the guide becomes a family reading record as well as an invaluable resource you'll use again and again

Books Kids Will Sit Still For 3: A Read-Aloud Guide Judy Freeman, 2006-04-30 A guide to captivating read alouds for grades K through 6 with tips on effective reading aloud storytelling and classroom and library activities It also includes references to related titles that help teachers and librarians plan effective programs and instill a love of books and reading as well as a bibliography of professional books

Growing Readers Kathy Collins, 2023-10-10 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In *Growing Readers* Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension

strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in Growing Readers create the kind of primary classrooms where that happens
