team Todd and Linda Shimoda's skills blend seamlessly together to make *Subduction* a hauntingly beautiful and highly unique novel. The author's prose and illustrator's talent give the book a tone and quality that is both rare and memorable.

ForeWord *Subduction* is a timely electrifying thriller set on a tiny earthquake plagued island. Endo, a young physician unjustly charged with a patient's death, is banished to the island to care for the few remaining elderly residents. Determined to remain on their crumbling island and resuscitate their defunct fishing industry, the aging islanders plot against all outsiders. After a mysterious death and attacks on Endo and fellow newcomers, he discovers why the islanders don't wish to leave years ago: jealousies, lust, and violence ripped apart their lives, and the wounds haven't healed. The aftershocks of the islanders' past, as well as Endo's own troubled history, replay violently in the present just as a massive earthquake strikes. Exquisitely designed with L.J.C. Shimoda's artwork throughout, *Subduction* also features a sixteen-page illustrated retelling of the myth of Kashima, the god who controls a giant thrashing catfish that causes earthquakes. The myth offers clues to the mysterious motives of the island's denizens. Todd Shimoda won the 2010 Elliot Cades Award for Literature from the Hawai'i Literary Arts Council. His previous novel *Oh* was an NPR Best Summer Read. *The Fourth Treasure* was translated into six languages and named a notable book by the Kiriya Prize. L.J.C. Shimoda is an accomplished artist, illustrator, and book designer. Her artwork and illustrations have appeared in her husband Todd Shimoda's novels *365 Views of Mt. Fuji*, *The Fourth Treasure*, and *Oh*.

Why Ghosts Appear Todd Shimoda, 2015-10-27 A fortuneteller hires a detective to find her missing son in this existential noir mystery. A startling clue leads the detective into the underground worlds of fortunetelling and pleasure tours. The missing son reminds him of an old case which ended badly; one he is compelled to reopen. As he investigates, both he and his life become more ghostlike.

Todd Shimoda has published four novels on Japanese themes. The books have been translated into six languages with over one hundred thousand copies printed worldwide. Todd was also the recipient of the Hawaii Literary Arts Council's 2010 Elliot Cades Award for Literature.
