Nursing Home and hospital visitation does not necessarily have to bring a frown to the face of the person that has been asked to go nor to the eager individual that has their heart set on ministering to the sick or dying This book brings a light hearted easy to read handbook style to the general public for effective bedside ministry The Heart of Counseling Jeff L.

Cochran, Nancy H. Cochran, 2015-01-09 More than any other text on the market The Heart of Counseling is effective in helping students to understand the importance of therapeutic relationships and to develop the qualities that make the therapeutic relationships they build with clients the foundation of healing In these pages students come to see how all skills arise from and are directly related to the counselor's development and to building therapeutic relationships Student learning ranges from therapeutic listening and empathy to structuring sessions from explaining counseling to clients and caregivers to providing wrap around services and ultimately to experiencing therapeutic relationships as the foundation of professional and personal growth The Heart of Counseling includes extensive case studies and discussions applying skills in school and

agency settings specific guidance on how to translate the abstract concepts of therapeutic relationships into concrete skill sets exploration of counseling theories and tasks within and extending from core counseling skills videos that bring each chapter to life test banks instructor s manuals syllabi and guidance for learning outcomes assessments for professors
