## Old Amarillo Amish Journeys:

**Old Amarillo** Sara Barnard, 2015-08-31 Upon returning from her Rumspringa in New York City Katie Knepp is certain of her need to remain Amish. However the memories of her newfound independence have left her thirsting for more adventure than can be found on her family's farm in Gasthof Village, Indiana. After praying for guidance she remembers a conversation about a bee keeping Mennonite settlement in the wilds of west Texas and the tugging of her heartstrings almost makes the decision for her. Leaving her parents proved hard enough but leaving her twin sister Annie and hopeful fiancé Peter Wagler made getting out of Indiana almost impossible. Katie learns all too early in her journey that the trail to Texas is a rough one laced with barbed wire fences that stretch for miles, railroads that attract would-be bandits and a drought so severe that even turning back isn't an option. **The Mennonite**, 1929 *Running with God an Autobiography* by Patrick DiCicco

Patrick R. DiCicco, 2010-12-14 This is a spiritual journey that travelled through the mean streets of Youngstown, Ohio to the calmer countrysides of California. It is a story of overcoming adversity and having a burning desire to succeed all the while trusting and believing in God. Pat DiCicco was born at an Army Base in Monterey, California at the end of World War II and was subsequently raised dysfunctionally in Youngstown, Ohio. While a teenager he experienced a foretelling dream which dramatically altered the way he lived and yet another vivid dream which released him from the bonds of death. Throughout his journey he survived numerous accidents and turns in his life that led him to believe his journey was a spiritual one—a journey greater than merely existing. Come with us now as we walk the tightrope we call life and swim in the ever-changing times. Read and see if you can identify with Pat's experiences, his life-changing events and the way they changed his life and hopefully those around him. *Cycle World Magazine*, 2004-01 [America, History and Life](#), 1998 Provides historical coverage of the United States and Canada from prehistory to the present. Eicher, Nathan Miller, 2014-06-01 Most of us want a simpler life and there's no better example of the simple life than found among the Amish. But what is it really like to be Amish? In this delightful compilation of stories by more than 30 Amish men and women you'll get the inside story on the daily life of Amish families. With humor, grace and charm these plain people tell their stories bringing tears, laughter and an occasional dose of Amish wisdom to your heart. You'll learn how the Amish love their animals, the joys of a community-wide barn raising, the ways the Amish handle great tragedy, how the Amish find happiness in giving more than receiving. This unforgettable book is compiled by two men who know the Amish. Author Jerry S. Eicher was raised as an Amish boy and Nathan Miller is a member of the Old Order Amish. **The History of the Old Order Amish in Texas, 1909-1994** William P.
