## **Old Dog New Tricks Black Dog Book 4:**

**Old Dog New Tricks** Gordon Carroll,2022-09-02 Gil and Max are tasked with finding the killer of a Sheriff's Deputy. Hired by the fallen officer's wife they come into conflict with a biker gang, Mexican Cartels, The Italian Mafia and even the police. Can Gil and Max solve the crime while surviving their internal conflicts? And what about Pilgrim? Continue the journey now.

**Old Dog #4** Declan Shalvey,2023-05-10 The exciting action series by DECLAN SHALVEY continues with a brand new mission. Secrets come to light for Rottweiler and Retriever. As Keelin looks back on her path toward Black Circle Jack's mission is derailed when he comes face to face with an old protégé who is on a dark path of their own.

**Hounded** Vince Stadon,2021-12-16 I think my wife might be right. I am going slightly mad. Hounded is an escape from the anxiety of reaching a half century written during the pandemic of 2020 and into the spring of 2021 during which comedy writer Vince Stadon experienced every film, TV, audio, drama, spoken word, reading, documentary, stage play, pastiche, graphic novel, animation, kids cartoon and PC game version of The Hound of the Baskervilles. A quirky, funny and unique memoir about Spectral Hounds Consulting Detectives, panic attacks and way too many cats. Hounded is a bewildered middle-aged man's silly odyssey through a binge experience of every conceivable version of Sir Arthur Conan Doyle's celebrated novel. As the world darkens and he gleefully immerses himself in the fiction of the fog-drenched mystery, Vince Stadon undertakes a marathon of the most famous Sherlock Holmes story of them all. He makes deductions, adopts disguises, sends anonymous "Beware the moor" letters to Canadians, steals footwear, learns Sherlock Holmes's favoured martial art and he tracks the Hound across the melancholy moor during those dark hours when the forces of evil are exalted. Along the way Vince remembers his childhood, tries to understand his mysterious and troubled father, gets to grips with chronic anxiety and strives to keep sane and calm during a pandemic. Written in tweets, poems, songs, extracts from proposed 80s Hollywood blockbuster action films, prog rock lyrics, very silly stage plays and far too many irrelevant and irreverent footnotes, Hounded is the funniest book you'll ever read about a bloody big ghost hound that's dogged a man all his life. A ridiculous number of footnotes.

**The Sheep Book For Smallholders** Tim Tyne,2010-03-15 This promises to be the only book on sheep you will ever need. Packed full of detailed information, The Sheep Book for Smallholders covers every aspect of keeping sheep on a small scale. Beginning with a brief overview of the sheep industry and the rise and fall of the artisan shepherd, the author has logically divided the book up into the shepherd's calendar so that the sheep keeper knows what to expect with each season. All aspects of looking after the flock are covered, including selection, culling, nutrition, housing, lambing, grassland management, ailments and prevention. There are also sections on home slaughter and butcher and uniquely processing the byproducts, including the fleece and keeping sheep for dairying. Unusually, the book also has a section on training sheepdogs. Supported by stunning photography and clear illustrations as well as huge and useful appendices, This is a welcome addition to the smallholder's bookshelf and is going to be a reference classic in years to come.

[Apocalyptic Rhetoric and the Black Protest Movement](#) Aaron Pride,2023-12-06

Apocalyptic Rhetoric and the Black Protest Movement offers a challenging new formulation of African American religious culture by asserting that African American Christianity produced a militant millennialist movement that invoked the apocalypse the kingdom of God and the end of the world to compel Black people to oppose racial injustice in the early twentieth century In this account of the Black civil rights movement in Boston in the early twentieth century Aaron Pride argues that the apocalyptic rhetoric and millennial imagery disseminated from the Boston Guardian by William Monroe Trotter cast Booker T Washington and other opponents of Black protest as false prophets biblical villains and harbingers of the end times By placing Black Christianity at the center of Black civil rights activism in the early twentieth century this book provides a seminal interpretation of the emancipatory capacity of religion as cultural and intellectual force in social and political movements This book will be of interest to scholars of cultural history Black studies and the history of religion
