

The background of the entire image is a dramatic landscape. On the left, a large, leafy tree stands on a grassy field. The sky is filled with dark, heavy clouds, suggesting an approaching storm. In the distance, a small, dark structure is visible on the right. The bottom half of the image shows a cross-section of the ground, revealing a complex network of tree roots extending across the dark soil.

Root Demographics and Their Efficiencies in Sustainable Agriculture, Grasslands and Forest Ecosystems James E. Box Jr.,1998-09-30 The International Society of Root Research sponsored the Symposium Root Demographics and Their Efficiencies in Sustainable Agriculture Grasslands and Forest Ecosystems July 14-18 1996 at the Madren Conference Center Clemson University Clemson South Carolina USA The conference was a continuation of a series of international symposiums on root research held every three to four years Symposiums have also been held twice in Vienna Austria and once in Uppsala Sweden and Almaty Kazakhstan prior to the meeting at Clemson University The sponsoring society has made a particular effort in these symposia to include root scientists from the former Soviet Union because of the importance of

exchanging information on a worldwide basis This symposium continued and promoted that effort by providing travel grants to several scientists from that region however funds for that purpose were limited Therefore in compiling these proceedings a number of papers from scientists from the former Soviet Union and former Warsaw Pack countries have been included even though the scientists were not actually present for the Symposium
