Oh Garden of Fresh Possibilities! ,2008-09 Inspiration and practical advice for a fantastic garden Kim Smith s passion is her garden a small and densely packed quarter acre beside her family s seaside home in Gloucester brimming with every species imaginable and some including apricots a few might consider unimaginable Here she has created a living tapestry of fragrance foliage flower and fruit She is sensitive to the plant s forms hues and horticultural demands and has by design established a succession of blooms and a selection of plant materials that reduce the needs for pesticides and herbicides Any gardener wrestling with the challenges of blight bugs poor soil limited light and the vagaries of weather will find in these pages both sound advice and practical solutions But this is intended as more than another how to book The author is especially interested in the intangibles a garden provides the moods and ambiance the butterflies attracted the harmonious patterns of color light and texture Her advice is as much about how to visualize a garden as about particular trees shrubs vines perennials and annuals Illustrated in full color with the author s own exquisite drawings containing twenty two chapters that illuminate every aspect of garden planning and planting this book is for gardeners seeking both sensible guidance and extraordinary design ideas

To Stand and Stare Andrew Timothy O'Brien,2023-02-14 Reconnect with nature from the ground up and nurture not only your garden but your body mind and soul There s a lot of advice out there that would tell you how to do numerous things in your garden But not so much that invites you to think about how to be while you re out there With increasingly busy lives yet another list of chores seems like the very last thing any of us needs when it comes to our own practice of self care relaxation and renewal After all aren t these the things we wanted to escape to the garden for in the first place Put aside the Jobs to do this week section in the Sunday papers What if there was a more low intervention way to garden some reciprocal arrangement through which both you and your soil get fed with the minimum degree of fuss effort and guilt on your part and the maximum measure of healthy organic growth on that of your garden A gardening book unlike anything you ve read before A celebration of the quiet joy of gardening and the importance of delighting in nature s wonders A season by season reflection of the garden s rhythms and our place within them An exploration of the natural processes at work in the garden and how tapping into them can transform both your gardening experience and your life In To Stand and Stare Andrew Timothy O'Brien weaves together strands of botany philosophy and mindfulness to form an ecological narrative suffused with practical gardening know how Informed by a deep understanding and appreciation of natural processes O'Brien encourages the reader to think from the ground up as we follow the pattern of a plant s growth through the season roots shoots flowers and fruits while advocating an increased awareness of our surroundings

Second Chance Rose Sally Glover,2023-05-30 He was the high school sweetheart who disappeared without a trace Now he wants a second chance at her heart Can two wounded souls learn to love again When a Hollywood movie takes over sleepy Orcas Island Rose Hardy is hardly impressed even when she discovers August Quinn is among the crew She s got a plan to save the family farm and nothing s going to stop her not even a wild night with her ex Rose was just eighteen when her mom died and August left town in the middle of the night With the support of friends and her beloved grandfather she pursued a singular focus to keep her mother s legacy alive But when a record breaking heat wave hits and threatens to take away everything she s worked for she s forced to find out who she can trust and who she can t Much changed in August s decade away from Orcas Island just not his love for Rose Trouble is after an accident shattered his leg he s convinced he s half the man she needs And when his doubts get the better of him he does the only thing he knows how disappears Struggling to reconcile between her head and her heart Rose must learn to find happiness again Set on a rugged island at the edge of the Pacific Second Chance Rose will have you rooting for love and the power of second chances This is book 2 in the Wildflower Romance series Each can be read as a complete standalone HEA
