British Literature-Student James Stobaugh, 2012-11-30 From reformers and rogues to poets and playwrights a study of British literature will take you through some of the most popular works ever written This curriculum uses a strong biblical worldview to teach students about literary masterpieces from the British literary canon and their historical context In this

comprehensive examination of British literature students critical thinking abilities communication skills and knowledge of literary classics are all amply developed This course also stresses biblical application and equips students to think critically about philosophy and trends in culture Through studying and writing about literature students will greatly enhance their own personal communication skills 1 Year Curriculum 10th 12th Grade 1 Credit Labor of the Heart Kathleen

Whitten,2008-02-28 Adoptive parents often experience the double trial of emotional responses to infertility and to the process of adoption itself called excruciating labor with no end in sight by one adoptive mother Would be adoptive parents cycle through grief anger fear anxiety frustration and guilt and back again All of these emotions cloud decision making at exactly the time that adoptive parents are making life altering irrevocable decisions whether to adopt at all to adopt an older child or an infant or to parent a child with developmental delays as well as other pressing questions New empirical research by Kathleen Whitten Ph D a developmental psychologist and adoptive mother and other experts in the field contradicts many of the outdated myths presented to parents and written about in widely used adoption guides Whitten separates fact from fiction and leads parents by the hand through the many emotional impacts the process involves Written in a reassuring conversational tone the author tells parents when they should listen to their heart and when practical considerations are too important to ignore Each chapter features workbook section with constructive exercises and stimulating questions Adoptive parents do not need yet another book promising a fast track to a child or explaining how to collect documents Instead they need Labor of the Heart to help them through the difficult emotions and decisions about adoption Using Chinese Classics

for Intercultural Communicative Competence Jinai Sun,Xuehua Xiang,Li Ye,2024-08-05 Using Chinese Classics for Intercultural Communicative Competence presents new strategies and tools for integrating Mandarin language teaching with fostering intercultural competencies through contemporary global lenses on Chinese classic texts Chinese classic texts are canonical works in Chinese culture published before 1911 They offer a window into deeply held cultural values which learners of the Chinese language would benefit from studying to facilitate meaningful intercultural dialogues With chapters covering classic Chinese texts such as Journey to the West Dream of the Red Chamber and The Romance of the Three Kingdoms this book will demonstrate the value importance and feasibility of teaching Chinese classic works for ICC development in the Chinese world language classroom and equip teachers with carefully planned classroom tested lesson models that demonstrate the innovative integrative models advocated in this book This book will be valuable for pre and in service Mandarin Chinese teachers across various institutional settings at different levels looking for ready materials and professional development resources The book can also be used as core material for teacher training programs
