

Of Mice and Men: Notes

Chapter One

- OMAM is set in Salinas California during the 1930's great depression.
- We meet Lennie Small and George Milton: two guys who are among the poor and the scrambling. *"The first man was small and quick, dark of face...behind him walked his opposite, a huge man, shapeless of face, with large, pale eyes..."*
- George is small and smart, Lennie is huge and mentally disabled.
- Lennie drops to his knees and drinks from a pool of dirty water, slurping out of it like a horse. *"His huge companion dropped his blankets and flung himself down and drank from the surface of the green pool."* George verbally swats him. *"Lennie. You gonna be sick like you was last night."*
- This is the dynamic of their relationship in a nutshell: Lennie acts like a kid and looks up to George, and George minds him and gives out to him like a parent.
- George reminds about where they are going and why: a ranch where they can buck barley for 50 dollars a month.
- Lennie gets in trouble with George for carrying around a dead mouse, a mouse Lennie squeezed to death due to his strength. George acts like a strict parent to a toddler with a tantrum when George demands Lennie discard the mouse. *"Give it here!" said George. 'Aw, leave me have it, George' 'Give it here!'"*
- George tells Lennie his favorite story, the one where they have their own ranch and Lennie gets to tend rabbits.
- George also reminds Lennie to come back to this spot by the river if anything bad happens.

Chapter Two

- In chapter two George and Lennie arrive at the farm and enter the bunkhouse. Here we meet Candy, Curley, Slim and Carlson (the boss' son and the boss).
- This is the start of their work on their farm, we see George leading the way and being the more dominant figure in the relationship.
- Curley picks on Lennie because of Lennies size and the fact George is speaking for him. This is a catalyst for Curley's hatred towards Lennie as the book goes on.
- During their first night in the bunkhouse Carlson comes in and asks Slim about his puppies.
