An Essay on the First Principles of Government Joseph Priestley,2020-04-29 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy

An Historical Essay on Different Governments James Green,1793 The Enlightenment of Joseph Priestley Robert E. Schofield,1997-01-01 Joseph Priestley 1733 1804 is one of the major figures of the English Enlightenment A contemporary

and friend of Benjamin Franklin and Thomas Jefferson he exceeded even these polymaths in the breadth of his curiosity and learning Yet no one has attempted an all inclusive biography of Priestley probably because he was simply too many persons for anyone easily to comprehend in a single study Robert Schofield has devoted a lifetime of scholarship to this task The result is a magisterial book covering the life and works of Priestley during the critical first forty years of his life Although Priestley is best known as a chemist this book is considerably more than a study in the history of science As any good biographer must Schofield has thoroughly studied the many activities in which Priestley was engaged Among them are theology electricity chemistry politics English grammar rhetoric and educational philosophy Schofield situates Priestley the provincial dissenter within the social political and intellectual contexts of his day and examines all the works Priestley wrote and published during this period Schofield singles out the first forty years of Priestley s life because these were the years of preparation and trial during which Priestley qualified for the achievements that were to make him famous The discovery of oxygen the defenses of Unitarianism and the political liberalism that characterize the mature Priestley all are foreshadowed in the young Priestley A brief epilogue looks ahead to the next thirty years when Priestley was forced out of England and settled in Pennsylvania the subject of Schofield s next book But this volume stands alone as the definitive study of the making of Joseph Priestley

The Adam Smith Review Fonna Forman,2020-12-28 Adam Smith s contribution to economics is well recognised yet scholars have recently been exploring anew the multidisciplinary nature of his works The Adam Smith Review is a rigorously refereed annual review that provides a unique forum for interdisciplinary debate on all aspects of Adam Smith s works his place in history and the significance of his writings to the modern world It is aimed at facilitating debate among scholars working across the humanities and social sciences thus emulating the reach of the Enlightenment world which Smith helped to shape This twelfth volume brings together leading scholars from across several disciplines and contributes to two particular themes First there is a focus on Adam Smith s moral and political philosophy exploring how Smith s approach finds expression in both abstract philosophy and practical judgment Second there is a focus on epistemology economics and law with innovative interpretations of Smithian theories
