## **Of Warriors Lovers And Prophets:**

**Of Warriors, Lovers and Prophets** Max du Preez, 2010-11-05 South African history will never be the same again Shunning the predictable Max du Preez has put on his investigative journalist's cap and examined our past from a fresh perspective The result is a collection of extraordinary and mostly unknown stories all meticulously researched and written in an engaging and lively style Instead of regurgitating the story of Jan van Riebeeck's arrival at the Cape he tells the tales of a Portuguese viscount killed on a Cape beach in 1510 of the Khoikhoi chief who was kidnapped and taken to England in 1610 and of the saucy goings on between slave women and their European settler lovers There's the story of King Moshoeshoe's remarkable conduct when cannibals ate his beloved grandfather and Shaka's sexuality is explored via his relationship with his mother and the woman who loved him without ever touching him Sidestepping the old clichés about the Anglo Boer War Du Preez recounts the story of an Afrikaner broedertwis General Christiaan de Wet and his brother Piet who joined the British forces and fought his own people The reader is taken through every stage of our history up to the story of apartheid South Africa's nuclear bombs and the secret dealings and intrigue during the negotiations leading up to the 1994 elections This is South African history as you've never seen it before a colourful mosaic of our rich heritage *Of Tricksters, Tyrants and Turncoats* Max du Preez, 2010-11-05 The sequel to the bestselling *Of Warriors Lovers and Prophets* this is a collection of more fascinating colourful and mostly unknown historical tales all meticulously researched and written in a lively and engaging style There are stories of Khoikhoi who tried with mixed fortunes to integrate into early Cape colonial society and eccentric Europeans who ventured to the turbulent interior Readers will meet the Xhosa mystic and war doctor Makhanda who nearly succeeded in taking Grahamstown from the British in 1819 and the chieftainess Mantatisi who led her people to military victories during the upheavals of the nineteenth century Also featured are the Johannesburg based Foster Gang who were indirectly responsible for the killing of Boer hero Koos de la Rey and the men who pulled off the biggest jewellery heist of the time stealing Bridget Oppenheimer's jewels in 1956 *Of Tricksters Tyrants and Turncoats* spans more than three hundred years of history concluding with an account of the man who exposed South Africa's controversial arms deal Once again Max du Preez brings the past to life proving that history can be more interesting and more fun than fiction

**Brothers in War and Peace** Dennis Cruywagen,2014-08-08 Abraham and Constand Viljoen were identical twins who took starkly different paths in life One was a deeply religious man who opposed apartheid the other was a man of war who became head of the SADF But together they would play a crucial role in preventing South Africa from descending into civil war In the early 1990s Constand came out of retirement to head the Afrikaner Volksfront which opposed the negotiations with the ANC and made plans for military action Realising that war would destroy their country Abraham approached his estranged brother and urged him to consider the alternative talks with the ANC What followed was a series of secret meetings and negotiations that ultimately prevented civil war Brothers in War and Peace documents the crucial yet largely unheralded role the Viljoen brothers played in ensuring peace in South Africa Based on interviews with the brothers and other key political figures the book gives new insights into a time when the country s future was on a knife edge

**Legends** Matthew Blackman, Nick Dall, 2023-09-29 We have a lot to be positive about in South Africa With all our problems it's easy to feel bleak But hold those thoughts because Legends might be just the tonic you need to drive off the gloom This book tells the stories of a dozen remarkable people some well known others largely forgotten who changed Mzansi for the better Most South Africans are proud of Nelson Mandela and rightly so His life was truly astounding but he's by no means the only person who should inspire us There's King Moshoeshoe whose humanity and diplomatic strategies put him head and shoulders above his contemporaries both European and African And John Fairbairn who brought non racial democracy to the Cape in 1854 Olive Schreiner was a bestselling international author who fought racism corruption and chauvinism And Gandhi spent twenty years here inventing a system of protest that would bring an Empire to its knees Legends also celebrates Eugene Marais's startling contributions to literature and natural history despite a lifelong morphine addiction Sol Plaatje's wit intelligence and tenacity in the face of racial zealots Cissie Gool's lifetime fighting for justice and exposing bigots and Sailor Malan's battles against fascists in the skies of Europe and on the streets of South Africa Legends also celebrates Eugene Marais's startling contributions to literature and natural history despite a lifelong morphine addiction Sol Plaatje's wit intelligence and tenacity in the face of racial zealots Cissie Gool's lifetime

fighting for justice and exposing bigots and Sailor Malan's battles against fascists in the skies of Europe and on the streets of South Africa And then there's Miriam Makeba who began her life in prison and ended it as an international singing sensation Steve Biko who shifted the minds of an entire generation and Thuli Madonsela the book's only living legend who gracefully felled the most powerful man in the land Engagingly written and meticulously researched Legends reminds South Africans that we have a helluva lot to be proud of

**A Short History of South Africa** Gail Nattrass, 2017-11-16 South Africa is popularly perceived as the most influential nation in Africa a gateway to an entire continent for finance trade and politics and a crucial mediator in its neighbours affairs On the other hand post Apartheid dreams of progress and reform have in part collapsed into a morass of corruption unemployment and criminal violence A Short History of South Africa is a brief general account of the history of this most complicated and fascinating country from the first evidence of hominid existence to the wars of the 18th 19th and 20th centuries that led to the establishment of modern South Africa the horrors of Apartheid and the optimism following its collapse as well as the prospects and challenges for the future This readable and thorough account illustrated with maps and photographs is the culmination of a lifetime of researching and teaching the broad spectrum of South African history Nattrass's passion for her subject shines through whether she is elucidating the reader on early humans in the cradle of humankind or describing the tumultuous twentieth century processes that shaped the democracy that is South Africa today

**Different Visions of Love** Brian Griffith, 2008 Griffiths narrative moves like a searchlight over each phase of church history illuminating the visions options and choices behind events He traces the rise of a dominator version of Christianity in which the primary concern was a chain of command to be followed with rewards or punishments according to the degree of obedience And beside this he illuminates another face of Christianity concerned with healing all divisions between loved and unloved people The story Griffith presents is often deeply disturbing as in his unstinting accounts concerning the gospel for women or the age of holy wars and witch hunts But ultimately his story offers solid grounds for optimism He shows that all contention between different religious visions can be a process of building partnership As Griffith points out Jesus himself wished to debate his opponents openly not to silence or eliminate them He was not afraid of real encounter or the potential of creative conflict I want to congratulate Brian Griffith on this masterful controversial and highly readable account His book offers hope in a divided world where reaction against globalized godless corporate secularism meets with a war on religious fundamentalism I hope to see other writers do comparable work in highlighting the partnership and dominator visions within their religious traditions around the world Riane Eisler author of The Chalice the Blade Sacred Pleasure Tomorrows Children The Power of Partnership The Real Wealth of Nations I find it gives me an incredibly clarifying perspective on Christianity way beyond my previous understanding It should be read by everyone with an interest in Western Civilization It is a marvelous companion to The Great Turning David Korten author of The Great Turning From Empire to Earth Community

**AIDS, Intimacy and Care in Rural KwaZulu-Natal** Patricia C.
