## **O'flaherty V C George Bernard Shaw:**

*O'Flaherty V.C.: A Recruiting Pamphlet* Bernard Shaw,2020-03-16 O Flaherty V C by George Bernard Shaw is a play about two friends O Flaherty and Sir Pierce which exhorts the importance of conscription for the Irish army Excerpt It may surprise some people to learn that in 1915 this little play was a recruiting poster in disguise The British officer seldom likes Irish soldiers but he always tries to have a certain proportion of them in his battalion because partly from a want of common sense which leads them to value their lives less than Englishmen do lives are really less worth living in a poor country and partly because even the most cowardly Irishman feels obliged to outdo an Englishman in bravery if possible and at least to set a perilous pace for him Irish soldiers give impetus to those military operations which require for their spirited execution more devilment than prudence O'Flaherty George Bernard Shaw,2004-06 O FLAHERTY If you d been brought up by my mother sir you d know better than to joke about her What I m telling you is the truth and I wouldn t tell it to you if I could see my way to get out of the fix I ll be in when my mother comes here this day to see her boy in his glory and she after thinking all the time it was against the English I was fighting O'Flaherty V. success He used the stage to deliver messages to his audiences in the hope of bettering society Shaw s vision was not just to reconcile issues within his society but to encourage mankind to strive for a sort of perfection close to divinity He did not ask questions about the present but envisioned an alternate reality altogether Contained in this volume are two of Shaw s lesser known works O Flaherty V C and Overruled **O'Flaherty V.C** George Bernard Shaw,2020-12-22 O Flaherty V C A Recruiting Pamphlet 1915 is a comic one act play written during World War I by George Bernard Shaw The plot is about an Irish soldier in the British army returning home after winning the Victoria Cross The play was written at a time when the British government was attempting to promote recruitment in Ireland while many Irish republicans expressed opposition to a war to defend the British Empire **Bernard Shaw Collection - O'Flaherty V. First World War literature often emphasize enormous emotional disruption and the war's extremes other writers used humour to encourage a gentle mild amusement drawing on familiar popular genres and forms used before 1914 In humorous portrayals of the war tameness outdoes the unmanageable and the temperate exceeds the extraordinary Humour in British First World War Literature is based on little known primary material uncovered from detailed archival research as well as works that though written by celebrated authors tend not to be placed in the canon of Great War literature Each chapter examines key examples of literary texts ranging from short stories and poetry to theatre and periodicals in doing so investigating the complex representational political and social significance of the tame strand in humorous Great War literature

Dramatic Mirror of Motion Pictures and the Stage, 1917      *Bernard Shaw and the Censors* Bernard F. Dukore, 2020-10-06 Dukore's style is fluid and his wit delightful I learned a tremendous amount as will most readers and *Bernard Shaw and the Censors* will doubtless be the last word on the topic Michel Pharand former editor of *SHAW The Journal of Bernard Shaw Studies* and author of *Bernard Shaw and the French* 2001 This book shows us a new side of Shaw and his complicated relationships to the powerful mechanisms of stage and screen censorship in the long twentieth century Lauren Arrington Professor of English Maynooth University Ireland A fresh view of Shaw versus stage and screen censors this book describes Shaw as fighter and failure whose battles against censorship of his plays and those of others of his works for the screen and those of others he sometimes won but usually lost We forget usually because ultimately he prevailed and because his witty reports of defeats are so buoyant they seem to describe triumphs We think of him as a celebrity not an outsider as a classic not one of the avant garde of which Victorians and Edwardians were intolerant as ahead of his time not of it when he was called disgusting immoral and degenerate Yet it took over three decades and a world war before British censors permitted a public performance of Mrs Warren's Profession We remember him as an Academy Award winner for *Pygmalion* not as an author whose dialogue censors required deletions for showings in the United States Scrutinizing the powerful stage and cinema censorship in Britain and America this book focuses on one of its most notable campaigners against them in the last century
