Douglas Weiss, 2005-07 Did one or both of your parents Become emotionally distant and unloving to their spouse Talk about sex or sexuality in an inappropriate way Spend a lot of time away from home or form unusually close platonic relationships Continue their destructive behavior even when confronted by the damage it was causing If so you are an adult child of a sex addict Sex addiction is not about parents who cheat on each other or have multiple partners although it does manifest itself that way It is about any sexual dysfunction between people in a long term relationship sexual withholding emotional detachment bullying or demeaning behavior etc These relationship problems form subconscious impressions on children and lead to unfulfilling relationships in later life This book for the first time identifies sexual addiction as a root cause of many of the dysfunctions in relationships It helps readers analyze their parents relationships It then shows them the possible dysfunctions these problems caused in their own relationships giving both general guidance and personal anecdotes from a select group of children of sex addicts Finally it gives readers several specific exercises to help free them from their past heal their relationship with your parents especially the victim partner often the wife who is subconsciously blamed for not stopping the spouse s disruptive behavior and repair any damage in their current relationships This book is not just about cheating or abuse It is about finding the way back to the loving relationships you want and that those around you deserve

Magness,2013-04-02 Sex addiction is a growing menace that threatens all strata of our society destroying millions of marriages damaging reputations contributing to suicides and in come cases prison sentences and wasting mind boggling amounts of money But there is hope Sex addiction is treatable Through a rigorous recovery program detailed in these pages it is possible for sex addicts to stop all of their destructive behaviors forever The recovery road is long and difficult but also very rewarding Marriages have not only been restored but enriched by following the Steps described in *Stop Sex Addiction* addicts and their partners have found the path to freedom from sex addiction You have taken the first step by reading this summary The wisdom in this book will lead to real hope and true freedom *Sex, Men and God* Douglas Weiss,2002 Finally a book that deals with men s sexual issues in a direct compassionate and spiritual manner Dr Douglas Weiss shows men how they are not alone in their struggles and temptations regarding sex He also provides a roadmap to follow in bringing up young men to have a holy and scriptural understanding of God s plan for sex *When Your Partner Has an Addiction* Christopher Kennedy Lawford,Beverly Engel,2016-10-04 Your partner s addiction takes a toll on both of your lives That doesn t mean you should turn your back on the person you love We ve been told that staying with a partner who struggles with addiction whether it be with drugs alcohol or addictive behaviors means that we re enabling their destructive behavior That wanting to help them means we re codependent and that the best thing for both of us is to walk away from the relationship entirely But is that true *When Your Partner Has an Addiction* challenges the idea that the best chance for recovery for the addict and their partner is to walk away Instead it makes the revolutionary claim that you and the love you have for your partner can be a key part of his or her journey to recovery Together addiction activist and bestselling author Christopher Kennedy Lawford and psychotherapist Beverly Engel MFT take a fresh look at addiction and codependency the latest research on what causes them and what the two have in common Rather than treat addiction or codependency as disease or weakness *When Your Partner Has an Addiction* honors the trauma and shame that often lie at their source and shows you how to use your love to combat that shame allowing you to more effectively support your partner and heal yourself The research proves that while you
