Recommendations for practice *Parent and Family Engagement in Higher Education* Judy Marquez Kiyama, Casandra E. Harper, 2015-10-12 Gain a comprehensive understanding of the role that parents and families play in college students' lives through their involvement starting with K-12, moving through the transition to college and then focusing on the college experience itself. The authors broaden the conversation to reflect the actual and diverse array of parents and families that play vital roles in students' collegiate experiences. Particular attention is paid to diverse families including students of color, first-generation college students, and low-income students, an agenda for more inclusive research theories and practices with the goal of broadening the conversation to reflect the diverse array of parent and family engagement and standards models and best practices that might be applied more broadly and modified as needed. As a whole, this volume offers an expanded way of thinking about how higher education understands, engages, and serves the needs of parents and families. This is the 6th issue of the 41st volume of the Jossey-Bass series ASHE Higher Education Report. Each monograph is the definitive analysis of a tough higher education issue based on thorough research of pertinent literature and institutional experiences. Topics are identified by a national survey. Noted practitioners and scholars are then commissioned to write the reports with experts providing critical reviews of each manuscript before publication.

Qualitative Research Handbook for Teachers Jane Meryl B. Dalde, 2025-04-30 This handbook is specifically designed for teachers, offering comprehensive discussions on qualitative research and an in-depth analysis of its various types. It serves as a practical guide that not only explains key concepts and methodologies but also illustrates them through sample research analyses. By examining real-world examples, educators can develop a deeper understanding of qualitative research approaches such as case studies, phenomenology, ethnography, grounded theory, and narrative research. Built on thorough research and a commitment to enhancing qualitative research instruction, this resource equips teachers with the knowledge and confidence to effectively teach qualitative inquiry in the Practical Research 1 curriculum. It bridges theoretical foundations with practical applications, providing structured discussions, illustrative case studies, and step-by-step analyses to help educators guide their students in conducting meaningful qualitative research.

Mindfulness in the Academy Narelle Lemon, Sharon McDonough, 2018-08-24 This book focuses on the way academics understand, embrace, and enact the concepts of mindfulness in approaching their work in demanding and dynamic contemporary higher education environments. It examines how they implement formal and informal mindfulness practices that increase the capacity to transform mind and body states by drawing on concepts such as compassion, kindness, gratitude, curiosity, self-awareness, and non-judgmental stances. The book provides insights into and highlights the struggles of scholars through their experiences and perspectives in relation to their identities, practices, and job enactment. Each chapter author explains their mindfulness practices and their motivations for implementing them and explores how mindful ways of researching, writing, learning, and teaching, leading and engaging with others, leads us to self-awareness and engagement in the present.
