Past Imperfect Ordinary People In Extraordinary Times:

Ordinary People, Extraordinary Times Sheryllynne Haggerty, 2023-08-15 In October of 1756 Sarah Folkes wrote home to her children in London from Jamaica Posted on the ship Europa bound for London her letter was one of around 350 that were never delivered due to an act of war they remain together today in the National Archives in London In Ordinary People Extraordinary Times Sheryllynne Haggerty closely reads and analyses this collection of correspondence exploring the everyday lives of poor and middling whites free people of colour and the enslaved in mid eighteenth century Jamaica Britain s wealthiest colony of the time at the start of the Seven Years War This unique cache of letters brings to life both thoughts and behaviours that even today appear quite modern concerns over money surviving in a war torn world family squabbles poor physical and mental health and a desire to purchase fashionable consumer goods The letters also offer a glimpse into the impact of British colonialism on the island Jamaica was a violent cruel and deadly materialistic place dominated by slavery from which all free people benefited and it is clear that the start of the Seven Years War heightened the precariousness of enslaved peoples lives Jamaica may have been Britain s Caribbean jewel but its society was heterogeneous and fractured along racial and socioeconomic lines A rare study of microhistory Ordinary People Extraordinary Times paints a picture of daily life in Jamaica against the vast backdrop of transatlantic slavery war and the eighteenth century British Empire Past Perfect Susan Isaacs, 2012-08-14 From bestselling author Susan Isaacs comes her feisty funny and smart New York Times novel about a successful TV writer who once worked for the CIA Katie seems to have the perfect life a great husband a precocious and winning ten year old son and a glamorous job as writer for the long running TV series *Spy Guys* based on her own surprisingly successful novel But for Katie writing about the spy business isn t as satisfying as working in it Fifteen years ago she was working at CIA headquarters She loved her job and especially her boss Then suddenly for no apparent reason she was fired Katie comes from a family of Manhattan achievers so it s been tough to accept such humiliation She d give almost anything to know what falsehoods lay in her personnel file A surprise call from former colleague Lisa gives Katie hope Lisa says she urgently needs Katie s help on a matter of national importance and promises to reveal all if Katie will work with her Then Lisa disappears One person is dead then another Who will be next With some help from a couple of colorful ex spies Katie embarks on a scary mission leading her back to the extraordinary and eerie days as the Berlin Wall was about to crumble Flawlessly crafted witty and suspenseful Past Perfect is classic Susan Isaacs in top form **Men in reserve** Juliette Pattinson, Arthur McIvor, Linsey Robb, 2017-02-01 Men in reserve focuses on working class civilian men who as a result of working in reserved occupations were exempt from enlistment in the armed forces It uses fifty six newly conducted oral history interviews as well as autobiographies visual sources and existing archived interviews to explore how this group articulated their wartime experiences and how they positioned themselves in relation to the hegemonic discourse of military masculinity It considers the range of masculine identities circulating amongst civilian male workers during the war and

investigates the extent to which reserved workers draw upon these identities when recalling their wartime selves. It argues that the Second World War was capable of challenging civilian masculinities positioning the civilian man below that of the soldier hero while simultaneously reinforcing them by bolstering the capacity to provide and to earn high wages frequently in risky and dangerous work all which were key markers of masculinity **'Past Perfect!'** Tamas Kiss, Christopher Mielke, Stephen Pow, 2020-12-31 In 2012 CEU Medieval Radio was launched as an effort not only to bring medieval music to everyone but also to make complex high quality scholarship more approachable to the general public. Over seventy interviews were recorded for CEU Medieval Radio's program Past Perfect with the intent of bridging the gap between ivory tower academia and the listeners at home. In this volume sixteen first rate scholars kindly sat down before the microphone and got the chance to explain their work in a friendly and accessible way. Scholars like Natalie Zemon Davis and Patrick Geary represent some of the international guests. Janos Bak and Jozsef Laszlovszky discuss amazing new research from Central European University while Richard Unger and Benedek Lang are part of the CEU Medieval Radio team's personal favorites talking about topics such as beer queens and code breaking. From Apocalypses to Zooarchaeology CEU Medieval Radio's long time host Christopher Mielke asks the tough questions that have made this program so memorable Balcony View - a 9/11 Diary Julia Frey, 2011-12-02 What if you had a dying child spouse lover parent and the world caved in. It could happen. What was it like after the Towers fell to live in a war zone with a gravely ill husband. Julia Frey's BALCONY VIEW is far more than a 9/11 story. In this unique historic diary the handwritten original is in the 9/11 Museum in New York. Frey a distinguished biographer found herself in the unenviable position of writing about a life as it was falling apart her own. Her vivid wry tender book describes living for six months at Ground Zero with writer Ron Sukenick during his terminal illness. It's a beautifully written clear eyed portrait of simple courage remarkable humor generosity and decency. Douglas Penick writer literary critic. The view from this balcony is compelling and utterly unique. Julia Frey has a first row seat for the two tragedies which mark her existence the terrorist attacks on the World Trade Center and her husband's progressively disabling malady. She peers down at the excavation of Ground Zero and brings us an account both riveting and thoughtful despairing and buoyant graceful and frank. As she navigates post 9/11 Manhattan and a marriage that has been dealt the blow of untimely illness we get to see up close how ordinary people get through extraordinary times. With her deft touch and her sharp warm humor Frey is the perfect guide for such daunting territory. Elizabeth Scarborough author Phoenix upside down. Very quietly Ron said You know I think the Towers are going to go. Maybe we'd better get out of here. If either of the Towers fell at a certain angle our building was directly in the line of fall. Above the raging flames the steel I beams were beginning to bulge out softening in the heat. Again his unnaturally quiet voice I can't stay here. If the Towers start falling on us I'll die of fright. BALCONY VIEW a 9/11 Diary. Julia Frey's remarkable account begins on September 11 2001 as the couple decide that no matter how weak Ron is they must somehow flee. They abandon his wheelchair. He is too frail to climb on a boat. Later that day covered with ashes

they struggle home through a neighborhood pitched into destruction and chaos to look out his study window at their new view the stage set for Dante's *Inferno* The domino effect of one burning collapsing building setting fire to the next one makes it clear that their own building could still go The electricity was out Ron could never go down 26 flights on his rear end We were trapped in the sky That's when Julia decides to write it all down if only for the people who will find their bodies Describing the first night in the ruins being evacuated then returning weeks later to live at Ground Zero she discovers that their world has totally changed yet finally not changed at all Our previous problems didn't magically disappear They were just waiting for us to come back in the door This hugely powerful narrative of double coping with Ron's progressive illness and with the after effects of 9/11 describes a situation the manuals don't cover caregiving in a disaster Her intense yet humorous you are there style moves the diary swiftly along catching us in a gripping touching brave and yes funny story of falling towers a failing husband and a floundering marriage Nothing happens in a vacuum she says weaving in the leitmotif of a love affair Unflinchingly she faces the ruins outside and her frightening inner ambivalence as she sacrifices creative and professional life to nurse her husband Ron is no angel either the self-centered willful novelist insists she take a lover then wants her to give him up What makes him think he can turn us off and on like televisions she wonders In a poignant Coda she describes an almost supernatural series of events after Ron dies There is even a happy ending

Machiavelli's Romans Patrick J. Coby, 1999-05-13 Although Machiavelli is usually considered a pioneer among modern political philosophers he read deeply in and was greatly influenced by the works of classical Roman thinkers such as Livy There is thus a fundamental tension between the modern and the ancient within Machiavelli's philosophy he is both a precursor to the Enlightenment and a throwback to republican Rome This is the main thesis behind Patrick Coby's innovative study of the neglected Machiavellian classic *Discourses on Livy* Coby argues that scholars have been too quick to dismiss the ancient antecedents of Machiavelli's thought particularly with regard to the modes and orders of the Roman republic The book seeks to resolve the central paradox of the *Discourses* that Machiavelli recommends adoption of Roman modes and orders even though those modes and orders destroyed the virtue the strength which Machiavelli would have moderns resuscitate by imitating Rome A sophisticated highly engaging book Machiavelli's *Romans* will be of special interest to political theorists Renaissance scholars and classicists

Nowhere's Child Kari Rosvall, Naomi Linehan, 2015-04-02 This is a beautifully written story Of healing and love and pain Reading this book is like sitting in front of Kari listening to her opening her heart to you Irish Times Kari Rosvall's early life was shrouded in mystery until at age 64 she received a letter through the post In it was a photograph of herself as a young baby the only one she had ever seen This was the first step towards her discovery of the dark secret of her conception Kari soon learned that she was a Lebensborn child part of Hitler's Spring of Life programme which encouraged Nazi soldiers to have children with Scandinavian women in order to create an Aryan race And so began a journey back to her roots to Norway where she was taken from her mother and sent to Germany

in a crate to join the other Lebensborn children and to post war Germany and her eventual rescue by the Red Cross from an attic Nowhere's Child is a remarkable story of reconciliation and of forging new beginnings from a dark past Ultimately for this woman who set up a new life in Ireland it is the life affirming account of what it really means to find a place called home

Stormy Weather Paulette Jiles, 2009-10-13 From Paulette Jiles the acclaimed New York Times bestselling author of *Enemy Women* comes a poignant and unforgettable story of hardship sacrifice and strength in a tragic time and of a desperate dream born of an undying faith in the arrival of a better day Oil is king of East Texas during the darkest years of the Great Depression The Stoddard girls responsible Mayme whip smart tomboy Jeanine and bookish Bea know no life but an itinerant one trailing their father from town to town as he searches for work on the pipelines and derricks that is when he's not spending his meager earnings at gambling joints race tracks and dance halls And in every small town in which the windblown family settles mother Elizabeth does her level best to make each sparse temporary house they inhabit a home But the fall of 1937 ushers in a year of devastating drought and dust storms and the family's fortunes sink further than they ever anticipated when a questionable accident leaves Elizabeth and her girls alone to confront the cruelest hardships of these hardest of times With no choice left to them they return to the abandoned family farm It is Jeanine proud and stubborn who single-mindedly devotes herself to rebuilding the farm and their lives But hard work and good intentions won't make ends meet or pay the back taxes they owe on their land In desperation the Stoddard women place their last hopes for salvation in a wildcat oil well that eats up what little they have left and on the back of late patriarch Jack's one true legacy a dangerous racehorse named Smoky Joe And Jeanine the fatherless daddy's girl must decide if she will gamble it all on love □□□□3

Carolyn Klein, 2021-03-04 *Peg A Work of Fiction* By R Carolyn Klein She was a child of the forties living a sheltered life under the strict control of her overbearing mother Her young life was shaped by parochial school and then her time at a small convent in the New Jersey countryside Peg's first introduction into the real world as a young nun occurred during a tumultuous transformative time in U S history when the world was being shaped by the Civil Rights Movement the Women's Movement and the Vietnam War and everything she thought she knew about life and her faith was being called into question Peg's coming of age story is about discovering who we are and who we want to become It is a tale of overcoming destructive ineffective life patterns that hold us back from reaching our full potential and living a full satisfying life *The Postcard from Italy* Angela Petch, 2024-12-03 Italy 1945 Where am I The young man wakes bewildered He sees olive trees against a bright blue sky A soft voice soothes him We saw you fall from your plane The parachute saved you He remembers nothing of his life or the war that has torn the world apart but where does he belong England present day Antique shop owner Susannah wipes away a tear as she tidies her grandmother's belongings Elsie's memories are fading and every day Susannah feels further away from her only remaining family But everything changes when she stumbles across a yellowed postcard of a

beautiful Italian stone farmhouse tucked away in Elsie's dressing table. A message dated from World War 2 speaks of a secret love. Could her grandmother who never talked about the past have fallen for someone in Italy all those years ago? With Elsie unable to answer her questions, Susannah becomes determined to track down the house and find a distraction from her grief. Arriving at what is now a crumbling hotel by the sparkling Italian sea, she feels strangely at home. And after an unexpected encounter with handsome wine waiter Giacomo, she can't tell if it's his dark eyes or his offer to help solve her mystery that makes her heart race. Together they find a dusty chest tucked in a forgotten corner of the building. The white silk of a World War 2 parachute spills out. And the Royal Air Force identity tag nestled in the folds bears a familiar name. With Giacomo by her side and before it's too late for her grandmother, can Susannah discover the truth behind a shocking wartime secret at the heart of her family? Or will it tear her apart? An absolutely stunning page-turner that will sweep you away to the olive groves and majestic views of the Italian coast. Perfect for fans of Kathryn Hughes, Fiona Valpy, and Victoria Hislop.
