Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons      **The Premarital Counseling Guide** O Randall Jenkins DEdMin, 2024-04-11 Marriage includes everything a man and a woman desire in life love hope thrills security peace comfort family rest and joy The conversations they have prior to marriage are vital to their future success and perseverance through the hard seasons of life The Premarital Counseling Guide offers the counselor a comprehensive starting point for the couple to begin candid conversations to help them establish a strong foundation to build their marriage Ministers counselors and officiants will benefit from this small volume as a resource      **Engaging Exposition** Dr. Daniel L.
