North     Ecocultures Steffen Böhm, Zareen Pervez Bharucha, Jules Pretty, 2014-12-05 The world faces a perfect storm of social and ecological stresses including climate change habitat loss resource degradation and social economic and cultural change In order to cope with these communities are struggling to transition to sustainable ways of living that improve well being and increase resilience This book demonstrates how communities in both developed and developing countries are already taking action to maintain or build resilient and sustainable lifestyles These communities here designated as Ecocultures are exemplars of the art and science of sustainable living Though they form a diverse group they organise themselves around several common organising principles including an ethic of care for nature a respect for community high ecological knowledge and a desire to maintain and improve personal and social wellbeing Case studies from both developed and developing countries including Australia Brazil Finland Greenland India Indonesia South Africa UK and USA show how based on these principles communities have been able to increase social ecological and personal wellbeing and resilience They also address how other more mainstream communities are beginning to transition to more sustainable resilient alternatives Some examples also illustrate the decline of ecocultures in the face of economic pressures globalisation and climate change Theoretical chapters examine the barriers and bridges to wider application of these examples Overall the volume describes how ecocultures can provide the global community with important lessons for a wider transition to sustainability and will show how we can redefine our personal and collective futures around these principles

The Top Books of the Year Patriots A Novel Of Survival In The Coming Collapse The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Patriots A Novel Of Survival In The Coming Collapse : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Patriots A Novel Of Survival In The Coming Collapse : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
