landscape particularly in the country's capital Madrid. After a four-decade-long dictatorship, artists and thinkers sought to make the most of their newly found freedoms. The vibrancy, optimism, and aesthetic heterogeneity of the period are best captured in contemporary ephemera in the fanzines and magazines that provided movida participants with an immediate and largely unmediated outlet for their creative experiments. Among them, monthly arts magazine *La Luna de Madrid* is arguably the most iconic, and its preoccupation with urban space, identity, and postmodernity suggests that *la movida* was indeed more than just a teardrop in the rain, as some of its critics have suggested.

Desire Unlimited Paul Julian Smith, 2014-08-12 In the last decade, Spanish auteur Pedro Almodóvar has grown from critical darling of the film circuit scene to mainstream success. Frequently comic, often deadly serious, always visually glorious, his recent films range from the Academy Award-winning drama *Talk to Her* to the 2011 horror film *The Skin I Live In*. Though they are ambitious and varied in style, each is a distinctive innovation on the themes that have defined his work. *Desire Unlimited* is the classic film-by-film assessment of Almodóvar's oeuvre, now updated to include his most recent work. Still the only study of its kind in English, it vigorously confirms its original argument that beneath Almodóvar's genius for comedy and visual pleasure lies a filmmaker whose work deserves to be taken with the utmost seriousness.

Gay Directors, Gay Films? Emanuel Levy, 2015-08-25 Through intimate encounters with the life and work of five contemporary gay male directors, this book develops a framework for interpreting what it means to make a gay film or adopt a gay point of view. For most of the twentieth century, gay characters and gay themes were both underrepresented and misrepresented in mainstream cinema. Since the 1970s, however, a new generation of openly gay directors has turned the closet inside out, bringing a poignant immediacy to modern cinema and popular culture. Combining his experienced critique with in-depth interviews, Emanuel Levy draws a clear timeline of gay filmmaking over the past four decades and its particular influences and innovations. While recognizing the queering of American culture that resulted from these films, Levy also takes stock of the ensuing conservative backlash and its impact on cinematic art, a trend that continues alongside a growing acceptance of homosexuality. He compares the similarities and differences between the North American attitudes of Todd Haynes, Gus Van Sant, and John Waters and the European perspectives of Pedro Almodóvar and Terence Davies, developing a truly expansive approach to gay filmmaking and auteur cinema.

Toward a Cultural Archive of la Movida William J. Nichols, H. Rosi Song, 2013-11-26 *Toward a Cultural Archive of la Movida* revisits the cultural and social milieu in which *la Movida*, an explosion of artistic production in the late 1970s and early 1980s, was articulated discursively, aesthetically, socially, and politically. We connect this experience with a broader national and international context that takes it beyond the city of Madrid and outside the borders of Spain. This collection of essays links the political and social undertakings of this cultural period with youth movements in Spain and other international counter-cultural or underground movements. Moving away from biographical experiences or the identification of further participants and works that belong to *la Movida*, the articles collected in this volume situate this movement within the political and social development of post

Franco Spain Finally it also offers a reading of recent politically motivated recoveries of this cultural phenomenon through exhibitions state sponsored documentaries musicals or tourist itineraries The perception of Spain as representative of a successful dual transition from dictatorship to democracy and free market capitalism created a Spanish model that has been emulated in countries like Portugal Argentina Chile and Hungary all formerly ruled by totalitarian regimes While social scientists study the promises contradictions and failures of the Spanish Transición especially on issues of memory repression and the lack of reconciliation our approach from the humanities offers another vantage point to a wider discussion of an unfinished chapter in recent Spanish history by focusing on la Movida as the cultural archive whose cultural transitions parallel the political and economic ones The transgressive urban nature of this movement demonstrated an overt desire especially among Spanish youth to reach onto a global arena emulating the punk and new wave aesthetic of such cities as London New York Paris and Berlin Art design film music fashion during this period helped to forge a sense of a modern urban identity in Spain that also reflected the tensions between modernity and tradition global forces and local values international mass media technology and regional customs

Indiscreet Fantasies Andrés Lema-Hincapié, Conxita Domènech, 2020-11-13 Indiscreet Fantasies Iberian Queer Cinema is a collection of fifteen essays each focusing on a queer film by a prominent Iberian filmmaker The films studied here span nearly five decades beginning with Narciso Ibáñez Serrador's La residencia The House That Screamed 1970 and ending with João Pedro Rodrigues' Ornithology The Ornithologist 2016 The first of its kind for English speaking readers this book examines the work of filmmakers Ventura Pons Cesc Gay Marta Ballester Coll Paulo Rocha Roberto Castán Ignacio Vilar and Pedro Almodóvar among others from various Iberian cultural and linguistic cultures including that of Portugal Catalonia Galicia and the Basque Country Rather than presenting a historical survey of Iberian queer films Indiscreet Fantasies encourages a deep reading of each film sends readers to other related films writings and fosters meditation on the ways these films cast light on particular moments and aspects of contemporary Iberian queer issues in history and society

Women on the Verge of a Nervous Breakdown Peter William Evans, 2021-04-08

Pedro Almodóvar's 1988 black comedy melodrama *Women on the Verge of a Nervous Breakdown* established its director as one of the most exciting of European film making talents. An often hilarious study of sexual mores, *Women on the Verge* has a central character, Pepa, as warm and richly drawn as any modern film heroine. Made strong and self-reliant by suffering in a troubled relationship, Pepa is the centre of a network of lovers, friends, and family who represent a vivid cross-section of Spanish society. Peter William Evans provides a formidable analysis of Almodóvar's insights into gender, sexuality, and identity. Evans sees *Women on the Verge* as concerned with the often tyrannical spell of sexual desire and the anxieties of relationships and families, but also with the possibilities for personal liberation. He discusses the film in the context of the history of Spain and the social revolution that occurred after the death of Franco. In his foreword to this new edition, Evans reflects upon *Women on the Verge* in the light of Almodóvar's subsequent films and the impact of Carmen Maura's performance as Pepa on the representation of women in Spanish cinema.

Featuring Post-national Spain Andrés Zamora, 2016

In the last quarter of the twentieth century, a considerable number of Spanish films were involved in the task of essaying the nation, that is, of attempting to make it or make it over, of trying to reshape a national identity inexorably dictated by General Francisco Franco up to his death. The book explores four major issues in this regard: 1. the filmic negotiations of the borders of the nation, focusing particularly on the debated and controversial development of Basque cinema vis-à-vis the films produced in the rest of Spain; 2. the persistence of the old obsession with violence, thought of as an inescapable native trait in a large amount of post-dictatorial films; 3. the newfound insatiable appetite for cinematic travelling, for going out and coming in through all possible variations of the road and travel movie genres; 4. and the vindication of the mother, qua a benign emblem of the land and its people, of the nation. There is a narrative in Spanish cinema taken as a collective discourse which ties together these four cinematic topoi and proposes a nation whose specificity must be precisely its impurity, difference within its essence, a hybrid nation located in temporal and spatial rendezvous of past and present tradition and novelty, centre and margin, inside and outside, on and beyond.

Law of Desire José Quiroga, 2009-10-01

This series will be a significant, valuable contribution to the history and literature of gay cinema. Each of these works will be valuable additions for academic and popular students of film and gay culture.

Library Journal

Law of Desire, one of three inaugural titles in Arsenal Pulp Press new film book series *Queer Film Classics*, focuses on the 1987 homoerotic melodrama by Pedro Almodóvar. Spain's most successful contemporary film director, the film *Law of Desire* is a grand tale of love, lust, and amnesia featuring three main characters: a gay film director played by Eusebio Poncela, his sister, an actress who was once his brother, Carmen Maura, and a repressed obsessive stalker, a young Antonio Banderas. In the twenty-plus years since its first release, *Law of Desire* has been acknowledged as redefining the way in which cinema can portray the difficult affective relationships between

homosexuality gender and sex Taking his cue from the golden age of Latin American American and European melodrama Almod var created a sentimental yet hard edged film that believes in the utopian possibilities for new relationships that redeem people from their despair Since its release Almod var has become an Oscar winning filmmaker who regularly delves into issues of sexuality gender and identity This book examines the political and social context in which Almod var created Law of Desire as well as its impact on LGBT cinema both in Europe and around the world A Companion to Pedro Almodóvar Marvin D'Lugo,Kathleen M.
