*Paul and the Rhetoric of Reconciliation* Margaret M. Mitchell, 1993-01-01 This work casts new light on the genre function and composition of Paul's first letter to the Corinthians Margaret Mitchell thoroughly documents her argument that First Corinthians was a single letter not a combination of fragments whose aim was to persuade the Corinthian Christian community to become unified

**Paul and the Creation of a Counter-Cultural Community** Sin-pan Daniel Ho, 2015-02-26 This study offers a new interpretation of 1 Corinthians 5:11-13 Taking a social identity approach Ho investigates the inner logic of Paul from the ears of the Corinthian correspondence Ho argues that Paul consistently indoctrinates new values for the audience to uphold which are against the mainstream of social values in the surrounding society It is shown that Paul does not engage in issues of internal schism per se but rather in the question of the distinctive values insiders should uphold so as to be recognisable to outsiders While church is neither a sectarian nor an accommodating community it should maintain constant social contact with outsiders so as to bring the gospel of Christ to them In addition insiders should practice radical values that could challenge the existing shared social values prevalent in the urban city of Corinth These new values are based mainly on Scripture ancient Jewish literature and the new social identity of the church defined by Jesus Christ This fresh interpretation renders the logical flow unitary design and coherence of 1 Cor 5:11-13 more apparent

*The Educated Elite in 1 Corinthians* Robert Dutch, 2005-06-04 This book examines the educated elite in 1 Corinthians through the development and application of an ancient education model The research reads Paul's text within the social world of early Christianity and uses social scientific criticism in reconstructing a model that is appropriate for first century Corinth Pauline scholars have used models to reconstruct elite education but this study highlights their oversight in recognising the relevancy of the Greek Gymnasium for education Topics are examined in 1 Corinthians to demonstrate where the model advances an understanding of Paul's interaction with the elite Corinthian Christians in the context of community conflict This study demonstrates the important contribution that this ancient education model makes in interpreting 1 Corinthians in a Graeco Roman context This is Volume 271 of JSNTS

*Liberating the Will of Australia* Geoffrey Burn, 2020-08-03 Why do many First People in Australia find themselves continually under siege Why do many interventions fail to produce what was hoped for Why is it that when there have been many positive developments at some deep level nothing seems to have changed Will the Uluru Statement from the Heart ensure the future security of the First Peoples in Australia By developing strands from Christian theology *Liberating the Will of Australia* answers these questions in a way that gets to the heart of the problem It is shown that the way that the First Peoples were treated by the first European incomers became an indelible part of what Australia currently is This

explains why harm is often done even when good is intended and why some problems are too complex to solve But that does not mean that we need to be stuck in the past through deep repentance by the Subsequent Peoples much more than an apology we can take hold of the work of God to bring new things out of what is broken Ultimately this is profoundly hopeful Although focusing on Australia the theological tools developed can be applied in other colonial and post colonial contexts

**Strategies in Church Discipline from 1 Corinthians** Timothy KH Chong, 2016-08-11 This book seeks to recover the New Testament ideal of church discipline and to construct a holistic model for the Church in Asia The Church has wrestled with the issue of discipline ever since her inception Many of Paul's letters addressed the problems that had arisen in the communities that he had established The thrust of church discipline in the New Testament was the formation of Christian character through the Word of God worked out in the process of discipleship through teaching edification admonition as well as banishing serious sin from the community The ideal of church discipline in the New Testament is both Preventive Discipline and Punitive Discipline As the Church became more institutionalized there was a paradigm shift in the process of discipline The New Testament ideal of discipline as a character formation was shifted to regulatory ordinances This led to the development of a strict and regimented Christianity Since then church discipline had taken on a penitential and punitive direction The book seeks to study Paul's management of the disciplinary problems in 1 Corinthians and then to construct a holistic model of church discipline for an Asian context

**Sex, Christ, and Embodied Cognition** Robert H. von Thaden Jr., 2017-06-13 A sociorhetorical analysis of First Corinthians Robert H von Thaden Jr's sociorhetorical analysis examines Paul's construction of sexual Christian bodies in First Corinthians by utilizing new insights from conceptual integration blending theory about the embodied processes of meaning making Paul's teaching about proper sexual behavior in this letter is best viewed as an example of early Christian wisdom discourse This discourse draws upon apocalyptic and priestly cognitive frames to increase the rhetorical force of the argument Reading Paul's argument through the lens of rhetorical invention von Thaden demonstrates that Paul first attempts to show the Corinthians why sexual immorality is the worst of all bodily sins before shifting rhetorical focus to explain to them how they can best avoid this infraction against the body of Christ Features A programmatic application of conceptual integration theory using a sociorhetorical mode of interpretation A vivid account of key aspects of conceptual integration theory and how they function in sociorhetorical interpretation A detailed application of these strategies to interpret 1 Corinthians 1:4-6, 12-7

**The Rhetorical Approach to 1 Thessalonians** Ezra JaeKyung Cho, 2020-10-12 This book is the rhetorical approach to 1 Thessalonians particularly on funeral orations Though many scholars have interpreted 1 Thessalonians in light of a thematic perspective mirror reading and epistolary approach the author asserts that Paul employs elements of epideictic funerary oratory to persuade his audience Encountering the growing persecution sufferings and even death of members the believers of Thessalonica needed encouragement As a rhetorical strategist Paul needed effective methods to answer these problems which he did so with Greco Roman funeral orations

Moreover this book delves into the funerary language with the paradoxical concepts Paul uses to illustrate topoi and the purpose of funeral oration in 1 Thessalonians Consequently this book proves these ideas by showing how funeral orations shed light on the whole of 1 Thessalonians in the exordium 1 Thess 1 2 3 the narratio 1 4 3 10 the consolation and exhortation 4 1 5 15 and peroratio with prayer 5 16 28

**The Church in the Wilderness** Carla Swafford Works, 2014

Much attention has been devoted to Paul's quotations from the Old Testament but little attention has been given to Paul's use of biblical narratives The most extensive use of scripture in 1 Corinthians involves an allusion to Israel's exodus 10 1 22 which contains only one quotation 1 Cor 10 7 Since there is much debate on how to identify scriptural allusions Carla Works examines two passages where there is overwhelming scholarly consensus regarding the presence of exodus imagery 1 Corinthians 5 6 8 and 10 1 22 These passages therefore provide an ideal place to consider how Paul is using Israel's exodus traditions to instruct a predominantly non Jewish congregation The author argues that the exodus tradition a tradition used to bolster Israel's identity and to teach Israel about the identity of God is reinterpreted by Paul in light of Christ and is employed to foster the identity formation of the Corinthians as the church of one God and one Lord 1 Cor 8 6

*Paul, Christian Textuality, and the Hermeneutics of Late Antiquity*, 2023-12-07

The essays in the present volume celebrate the work of Margaret M Mitchell University of Chicago by engaging extending and challenging her ground breaking research in three areas 1 the letters of Paul the Apostle both authentic and pseudepigraphic 2 the emergence and rapid development of early Christian literary culture over the first few centuries of the cult's existence and 3 Late Antique interpretive practices and perspectives particularly among patristic readers of the scriptures

Loving Resistance and Resistance through Love Alex Hon Ho Ip, 2022-08-22

The Letter to Philemon is one of the most beautiful rhetorical letters written by Paul and yet at the same time perhaps the most underread letter in the New Testament Paul wrote this letter out of love hoping to persuade the slave master Philemon to choose compassion rather than follow the typical Roman attitudes towards slaves to treat Onesimus as a brother in Christ rather than as an inferior subhuman chattel This letter is not only theologically important but also important in a practical sense because it is more than mere words it is a testimony In order for readers to better appreciate the true depth of the meanings in the letter this book is written in a rather creative way Each chapter begins with a selected scene from the movie *Les Misérables* to introduce the key theme of the chapter Then the author will interpret the details of the text of the letter and the other relevant texts in the Pauline corpus The final section of each chapter is a creative story based on the text and historical context The purpose of inventing these creative stories is to help readers better grasp the historical context and most importantly the rhetoric in the letter

The Rhetorical Role of Scripture in 1 Corinthians John Paul Heil, 2005

Chloe and Her People Mitzi J. Smith, 2023-04-28

Chloe and Her People offers an African American Womanist reading of First Corinthians that privileges the knowledge experiences histories traditions voices and artifacts of Black women and the Black community that challenge or dissent from Paul's rhetorical epistemic constructions Smith reads

First Corinthians dialogically from the perspective of oppressed and marginalized readers situated in front of the text and those muted within and behind the letter Struggling toward unmitigated freedom Chloe and Her People talks back to and throws shade on sometimes poetically Paul's muting and subordination of women rhetorically constructed binary knowledge the glass ceiling placed on women's heads heterosexual marriage as a mechanism for managing lust and androcentric patriarchal love built on women's passive bodies

**Paul and God's Temple** Albert L. A. Hogeterp, 2006 Paul addresses his readers as God's Temple in his Letters to the Corinthians which are among the earliest documents of Christianity This volume provides a synthesis of the historical and exegetical dimensions to Paul's cultic imagery Previous theories spiritualisation substitution comparative religions approach cannot stand in view of the analysis of the broader historical context as well as reconsideration of Paul's theological perspective This historical interpretation integrates relevant Qumran texts published since the 1990's insights about the early Jesus movement's Jewish origins and canonical as well as extra canonical Gospels in the discussion about cultic imagery Paul and God's Temple sheds new light on Paul's relation to contemporary Judaism and temple theological traditions while putting Paul's cultic imagery in a rhetorical critical and reader oriented perspective

**Preaching Like Paul** James W. Thompson, 2000-01-01 In contrast with the widely popular interest in narrative styles Professor Thompson believes Paul's letters offer a different and valid model for preaching today He clearly demonstrates how the manner of preaching used in the pre Christian culture of Paul is both appropriate and effective in our contemporary post Christian culture Unlike most books on preaching this book does not focus on homiletic technique but on the goal of preaching a needed missing component in contemporary homiletic discussion

**Corinthian Democracy** Anna C. Miller, 2015-05-04 In this innovative study Anna Miller challenges prevailing New Testament scholarship that has largely dismissed the democratic civic assembly the *ekklesia* as an institution that retained real authority in the first century CE Using an interdisciplinary approach she examines a range of classical and early imperial sources to demonstrate that *ekklesia* democracy continued to saturate the eastern Roman Empire widely impacting debates over authority gender and speech In the first letter to the Corinthians she demonstrates that Paul's persuasive rhetoric is itself shaped and constrained by the democratic discourse he shares with his Corinthian audience Miller argues that these first century Corinthians understood their community as an authoritative democratic assembly in which leadership and citizenship cohered with the public speech and discernment open to each This Corinthian identity illuminates struggles and debates throughout the letter including those centered on leadership community dynamics and gender Ultimately Miller's study offers new insights into the tensions that inform Paul's letter In turn these insights have critical implications for the dialogue between early Judaism and Hellenism the study of ancient politics and early Christianity and the place of gender in ancient political discourse
