## **Paul In Fresh Perspective:**

Paul Nicholas Thomas Wright, 2005 Ranks the Apostle Paul as one of the most powerful and seminal minds of the first or any century and argues that we can now sketch with confidence a new and more nuanced picture of Paul and the radical way in which his encounter with Jesus redefined his life his mission and his expectations for a world made new in Christ Reprint

Paul Nicholas Thomas Wright, 2005 This builds on and develops a new approach to Paul being formulated by a group of scholars including Tom Wright The book is based on the prestigious Hulsean Lectures he gave this Spring at Cambridge

**Salvation in Fresh Perspective** Matthew I. Ayars, 2015-10-28 Mainstream Christianity tends to define salvation exclusively in terms of substitutionary atonement Jesus died for me so that I can go to heaven when I die While this is not incorrect nor unbiblical this definition of salvation is incomplete Where does Israel fit into salvation And what about the covenant Most importantly what about the kingdom of God that Jesus preached fervently How do all of these dimensions that are central to the biblical text and its message fit into the bigger picture of salvation Salvation in Fresh Perspective Covenant Cross and Kingdom reminds readers that salvation is not centrally about the believer but about God and his World Renewal Plan Salvation when properly framed by the entire text that runs from Genesis to Revelation is not all about me and Jesus but about God and his plan to renew the creation through the Jewish Messiah and his covenant people Salvation in Fresh Perspective seeks to bring back into focus the often forgotten dimensions of the great story of salvation *The New Perspective on Paul* Kent L. Yinger, 2011-01-01 Can someone please explain this New Perspective on Paul Where did it come from and will it help or hinder Christian interpreters to grasp the apostle's writings more clearly In *The New Perspective on Paul* An Introduction Kent Yinger provides concise readable and authoritative answers to these and other questions currently exercising students of Paul *A FRESH LOOK AT PAUL'S THEOLOGY* Edward D. Andrews, 2025-07-26 Paul's gospel was not shaped by culture tradition or theological consensus it was revealed by Christ and preserved in Scripture This book takes that fact seriously *A FRESH LOOK AT PAUL'S THEOLOGY* strips away centuries of doctrinal distortion to examine the apostle's inspired writings on their own terms Rejecting philosophical overlays speculative systems and subjective interpretation this work employs the historical grammatical method to uncover what Paul truly taught about salvation the law grace the resurrection the Holy Spirit the human condition and more With clarity and conviction Edward D Andrews provides a systematic exegetical study that remains rooted in literal Bible chronology covenant development and textual precision Each chapter upholds a high view of Scripture and rejects all modern theological constructs whether Reformed charismatic sacramental or critical that obscure Paul's original message This book is for those who want more than tradition it's for those who want the truth straight from the text Faithful Biblical Uncompromising *The New Perspective on Paul* James D.G. Dunn, 2008 *The New Perspective on Paul* By author James D G Dunn published on January 2008 by James D G Dunn 2008

**Paul and the Imperial Authorities at Thessalonica and Rome** James R. Harrison, 2011 James R Harrison investigates

the collision between Paul's eschatological gospel and the Julio Claudian conception of rule. The ruler's propaganda with its claim about the eternal rule of the imperial house over its subjects embodied in idolatry of power that conflicted with Paul's proclamation of the reign of the risen Son of God over his world. This ideological conflict is examined in 1 and 2 Thessalonians and in Romans exploring how Paul's eschatology intersected with the imperial cult in the Greek East and in the Latin West. A wide selection of evidence literary documentary numismatic iconographic archeological unveils the symbolic universe of the Julio Claudian rulers. This construction of social and cosmic reality stood at odds with the eschatological denouement of world history which in Paul's view culminated in the arrival of God's new creation upon Christ's return as Lord of all. Paul exalted the Body of Christ over Nero's body of state transferring to the risen and ascended Jesus many of the ruler's titles and to the Body of Christ many of the ruler's functions. Thus for Paul Christ's reign challenged the values of Roman society and transformed its hierarchical social relations through the Spirit.

**Imitating Jesus** Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself. Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone. Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture. The book culminates with a chapter on apartheid as an ethical challenge to

reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions

**Atonement and the New Perspective** Stephen Burnhope, 2018-08-10 Atonement has been described as the central doctrine of Christianity and yet surprisingly the church has never insisted on a particular understanding of how redemption in Christ was achieved Instead a miscellany of metaphors has been employed each picturing something of Christ's work Recent debate within Reformed Evangelicalism has been characterized by claims for hegemony to be granted to penal substitution versus counter arguments for a kaleidoscopic multi model understanding Notably absent in these discussions however are two considerations One is any common nexus to draw atonement thought together The other is any positive theological contribution deriving from God's preexisting relationship with Israel the presumed role of which has rather been to provide a negative contrast of law versus grace and works versus faith as the dark background against which the light of Christ may shine more brightly Recent scholarship however particularly the new perspective on Paul has comprehensively dismantled the old stereotypes concerning first century Judaism This book asks how differently we might think about the atonement once it is brought into conversation with the new scholarship It concludes by proposing a new perspective on atonement in which Christ is central Israel and Torah are affirmed and the traditional metaphors continue to find their place

**Discovering Romans** Anthony C. Thiselton, 2016-07-30 Concise student friendly introduction to Romans This third volume in the Discovering Biblical Texts series offers readers a compact up to date and student friendly introduction to Paul's letter to the Romans focusing on its structure content theological concerns key interpretive debates and historical reception Anthony C Thiselton alerts readers to key issues and questions raised by the text encouraging in depth study and a sincere grappling with the theological and historical questions raised by this often controversial epistle He pays special attention to the book's reception and its influence on Christian history and culture exploring and explaining the approaches and conclusions of a wide range of ancient and modern interpreters

several hundred pages shorter and more accessible Additionally Barclay adds further analysis of the theme of gift and grace in Paul's other letters besides just Romans and Galatians and explores contemporary implications for this new view of grace
