

The background of the book cover features several stylized, colorful hands reaching upwards towards the center. The hands are rendered in various colors including black, green, purple, blue, and pink, with some showing internal shading to give them a three-dimensional appearance. They are set against a white background that contains the text.

Paul Oakenfold The Authorised Biography:

Paul Oakenfold Richard Norris, 2007 Paul Oakenfold is one of the biggest DJs in the world His rise from South London soul boy to world conquering DJ is fascinating inspiring and revealing Through his story is also told the rise and rise of the multi million copy industry that is the phenomenon we know as dance music In 1987 Paul Oakenfold spent several months in Ibiza where he fell in love with the music he heard there Using influences from this Ibiza sound Oakenfold produced the Happy Mondays album Pills n Thrills and Bellyaches as well as remixes for artists such as U2 Massive Attack The Cure New Order and The Shamen with his production partner Steve Osborne under the collaborative name Perfecto In addition to producing records Oakenfold also of course mixes them He first started playing in clubs as a teenager and soon built up a reputation as a top party DJ However it wasn't until the early 1990s when his name came to be associated with the DJ elite The reason for this rise to global fame was his adoption of a new breed of dance music called trance which he'd encountered on the hippy beaches of Goa in India and fused with similar sounding European records to create his own distinct sound He took this to the mainstream in 1994 with a two hour set for BBC Radio 1's Essential Mix This set became known as the Goa Mix and to this day is the most requested broadcast on the BBC radio network After a short spell as a member of the band Grace Oakenfold became resident DJ at Liverpool superclub Cream from 1997 to 1999 He has also worked on the soundtracks of films such as Swordfish The Matrix Reloaded Collateral and Die Another Day for which he remixed the James Bond theme as well as writing the theme music to Big Brother

Superstar DJs Here We Go! Dom Phillips, 2009-03-05 It was about larging it It was about pulling out a wad of 20s when you were buying your champagne at the bar It was about buying your cocaine in an eight ball It was about wearing designer clothes At that top tier of that club scene it was about giving it loads With a foreword by music journalist Miranda Sawyer Superstar DJs Here We Go is the full unexpurgated story of the biggest pop culture phenomenon of the 1990s the rise and fall of the superstar DJ During the 1990s big names such as Sasha Jeremy Healy Fatboy Slim Dave Seaman Nicky Holloway Judge Jules and Pete Tong exploded out of acid house becoming international jetsetters flying all over the world just to play a few hours and commanding up to 140 000 a night The plush heavily branded superclubs where they performed clubs like Cream Ministry Renaissance and Gatecrasher were filled with thousands of adoring clubbers roaring their approval of their DJ gods For the DJs and promoters it was a licence to print money and live like a rock star For clubbers it was a hedonistic utopia where anyone and everyone could come together to look fabulous take drugs and dance the night away But underneath the shiny surface lurked a darker side a world of cynical moneymaking rampant egos and cocaine fuelled self indulgence that eventually spiralled out of control leaving behind burnt out DJs jobless promoters and a host of bittersweet memories They went from having the clubbing world at their feet to the world's biggest comedown Dom Phillips former editor of clubbers bible Mixmag reveals an enthralling and at times jaw dropping account of flawed people broken dreams and what really happens when it all goes Pete Tong

The History of

Live Music in Britain, Volume II, 1968-1984 Simon Frith, Matt Brennan, Martin Cloonan, Emma Webster, 2019-03-04 To date there has been a significant gap in work on the social history of music in Britain from 1950 to the present day The three volumes of Live Music in Britain address this gap and do so through a unique prism that of live music The key theme of the books is the changing nature of the live music industry in the UK focused upon popular music but including all musical genres Via this focus the books offer new insights into a number of other areas including the relationship between commercial and public funding of music changing musical fashions and tastes the impact of changing technologies the changing balance of power within the music industries the role of the state in regulating and promoting various musical activities within an increasingly globalised music economy and the effects of demographic and other social changes on music culture Drawing on new archival research a wide range of academic and non academic secondary sources participant observation and a series of interviews with key personnel the books have the potential to become landmark works within Popular Music Studies and broader cultural history The second volume covers the period from Hyde Park to the Hacienda 1968-84

Shadowplayers James Nice, 2025-10-07 Definitive and comprehensive this is the actual story of Factory Records Peter Saville In 1978 a Factory for Sale sign gave Alan Erasmus and Tony Wilson a name for their fledgling Manchester club night Though they couldn't have known it at the time this was the launch of one of the most significant musical and cultural legacies of the late twentieth century The club's electrifying live scene soon translated to vinyl and Factory Records went on to become the most innovative and celebrated record label of the next thirty years Always breaking new musical ground Factory introduced the listening public to bands such as Joy Division whose *Unknown Pleasures* was the label's first album release New Order Durutti Column and Happy Mondays Propelled onwards by the inspirational cultural entrepreneur Tony Wilson Factory always sought new ways to energise the popular consciousness such as the infamous Hacienda nightclub which enjoyed a chequered 15 year history after opening in 1982 Now fully revised and expanded with a new chapter *Shadowplayers* is the most complete authoritative and thoroughly researched account of how a group of provincial anarchists and entrepreneurs saw off bankers journalists and gun toting gangsters to create the most influential record label of modern times Based on both archive and contemporary sources the book tells the full story of Factory's heroic struggles its complex web of inventive idiosyncratic and tragic personalities and ultimately the acclaimed and much loved music it produced

Life After Dark Dave Haslam, 2015-08-13 Nightclubs and music venues are often the source of a lifetime's music taste best friends and vivid memories They can define a town a city or a generation and breed scenes and bands that change music history In *Life After Dark* Dave Haslam reveals and celebrates a definitive history of significant venues and great nights out Writing with passion and authority he takes us from vice ridden Victorian dance halls to acid house and beyond through the jazz decades of luxurious ballrooms to mods in basement dives and the venues that nurtured the Beatles the Stones Northern Soul and the Sex Pistols from psychedelic light shows to high street discos from the Roxy to the Hacienda from the Krays to

the Slits and from reggae sound systems to rave nights in Stoke In a journey to dozens of towns and cities taking in hundreds of unforgettable stories on the way Haslam explores the sleaziness the changing fashions the moral panics and the cultural and commercial history of nightlife He interviews clubbers and venue owners as well as DJs and musicians he meets one of the gangsters who nearly destroyed Manchester s nightlife and discusses Goth clubs in Leeds with David Peace

Spectacle, Fashion and the Dancing Experience in Britain, 1960-1990 Jon Stratton,2022-10-31 This book explores dancing from the 1960s to the 1980s though this period covers only twenty years the changes during it were seismic Nevertheless continuities can be found and those are what this book examines In dancing it answers how we moved from the self control that formed the basis for ballroom dancing to ecstatic rave dancing In terms of music it answers how we moved from the beat groups to electronic dance music In terms of youth it answers how we moved from youth culture to club culture

Paul Oakenfold The Authorised Biography Introduction

In today's digital age, the availability of Paul Oakenfold The Authorised Biography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Paul Oakenfold The Authorised Biography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Paul Oakenfold The Authorised Biography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Paul Oakenfold The Authorised Biography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Paul Oakenfold The Authorised Biography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Paul Oakenfold The Authorised Biography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are

primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Paul Oakenfold The Authorised Biography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Paul Oakenfold The Authorised Biography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Paul Oakenfold The Authorised Biography books and manuals for download and embark on your journey of knowledge?
