Party Discipline And Parliamentary Politics:

Party Discipline and Parliamentary Politics Christopher J. Kam, 2009-03-26 This text examines the interaction and contention between party leaders and MPs to study the underlying structure of party unity **Party Discipline and Parliamentary Politics** Christopher Joseph Kam, 2009 This work examines the relationship between party leaders and Members of Parliament in Britain Canada Australia and New Zealand showing how the two sides interact and sometimes clash **Party Discipline and Parliamentary Government** Shaun Bowler, David M. Farrell, Richard S. Katz, 1999 This collection of essays examines how and why party discipline arises and is maintained The book provides theoretical background and comparative studies of legislatures covering Britain Finland Ireland Italy the Netherlands Norway Spain and Hungary and the European Parliament **Studyguide for Party Discipline and Parliamentary Politics by Kam, Christopher J.** Cram101 Textbook Reviews, 2013-05 Never HIGHLIGHT a Book Again Virtually all testable terms concepts persons places and events are included Cram101 Textbook Outlines gives all of the outlines highlights notes for your textbook with optional online practice tests Only Cram101 Outlines are Textbook Specific Cram101 is NOT the Textbook Accompanys 9780521673761 **The Oxford Handbook of Political Representation in Liberal Democracies** Robert Rohrschneider, Jacques Thomassen, 2020-07-28 The Handbook of Political Representation in Liberal Democracies offers a state of the art assessment of the functioning of political representation in liberal democracies In 34 chapters the world s leading scholars on the various aspects of political representation address eight broad themes The concept and theories of political representation its history and the main requisites for its development elite orientations and behavior descriptive representation party government and representation non electoral forms of political participation and how they relate to political representation the challenges to representative democracy originating from the growing importance of non majoritarian institutions and social media the rise of populism and its consequences for the functioning of representative democracy the challenge caused by economic and political globalization what does it mean for the functioning of political representation at the national level and is it possible to develop institutions of representative democracy at a level above the state that meet the normative criteria of representative democracy and are supported by the people The various chapters offer a comprehensive review of the literature on the various aspects of political representation The main organizing principle of the Handbook is the chain of political representation the chain connecting the interests and policy preferences of the people to public policy via political parties parliament and government Most of the chapters assessing the functioning of the chain of political representation and its various links are based on original comparative political research Comparative research on political representation and its various subfields has developed dramatically over the last decades so that even ten years ago a Handbook like this would have looked totally different **The Acceptance of Party Unity in Parliamentary Democracies** David M. Willumsen, 2017 This book seeks to explain how political parties in parliamentary

countries manage to be almost perfectly united when it comes to voting in parliament

The Oxford Handbook of Legislative Studies Shane Martin, Thomas Saalfeld, Kaare Strøm, 2014 Legislatures are arguably the most important political institution in modern democracies The Oxford Handbook of Legislative Studies written by some of the most distinguished legislative scholars in political science provides a comprehensive and up to date description and critical assessment of the state of the art in this key area

The Oxford Handbook of the Australian Constitution Cheryl Saunders, Adrienne Stone, 2018-02-22 Constitutional law provides the legal framework for the Australian political and legal systems and thus touches almost every aspect of Australian life The Handbook offers a critical analysis of some of the most significant aspects of Australian constitutional arrangements setting them against the historical legal political and social contexts in which Australia's constitutional system has developed It takes care to highlight the distinctive features of the Australian constitutional system by placing the Australian system where possible in global perspective The chapters of the Handbook are arranged in seven thematically grouped parts The first Foundations deals with aspects of Australian history which have influenced constitutional arrangements The second Constitutional Domain addresses the interaction between the constitution and other relevant legal systems and orders including the common law international law and state constitutions The third Themes identifies themes of special constitutional significance including the legitimacy of the constitution citizenship and republicanism The fourth Practice and Process deals with practical issues relevant to constitutional litigation including the processes techniques and authority of the High Court of Australia The final three parts deal with the structural building blocks of the Australian Constitutional system Separation of Powers Federalism and the Protection of Rights Written by a team of experts drawn from academia and practice the Handbook provides Australian and international readers alike with a reliable source of knowledge understanding and insight into the Australian Constitution

Organizing Political Parties Susan E. Scarrow, Paul D. Webb, Thomas Poguntke, 2017-06-23 Political party organizations play large roles in democracies yet their organizations differ widely and their statutes change much more frequently than constitutions or electoral laws How do these differences and these frequent changes affect the operation of democracy This book seeks to answer these questions by presenting a comprehensive overview of the state of party organization in nineteen contemporary democracies Using a unique new data collection the book's chapters test propositions about the reasons for variation and similarities across party organizations They find more evidence of within country similarity than of cross national patterns based on party ideology After exploring parties organizational differences the remaining chapters investigate the impact of these differences The volume considers a wide range of theories about how party organization may affect political life including the impact of party rules on the selection of female candidates the links between party decision processes and the stability of party programmes the connection between party finance sources and public trust in political parties and whether the strength of parties extra parliamentary organization affects the behaviour of their elected legislators Collectively these

chapters help to advance comparative studies of elections and representation by inserting party institutions and party agency more firmly into the centre of such studies Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow Chair of the Department of Political Science University of Houston

Parliamentary Oversight of the Executives Elena Griglio,2020-10-01 Oversight of executives has always been a key function of parliaments and one that is central to developing the relationship between the executive and legislative branches of government However in reality governments are taking a more pronounced role in controlling legislation diluting the influence of parliament This book plots this trend in parliaments across Europe to illustrate points of convergence and divergence In so doing it suggest tools and methods that parliaments can develop to bolster their crucial oversight role

The Uneasy Relationships Between Parliamentary Members and Leaders Reuven Y. Hazan, Lawrence D. Longley,2014-04-04 The bases of uneasy member leadership relations their manifestation and sometimes resolution and the consequences of member leadership tension to effective parliamentary performance and policy making are considered in studies ranging from Germany to the US and New Zealand and globally

Political Parties and Elections Anika Gauja,2016-04-22 Political Parties and Elections presents a comparative analysis of the ways in which advanced industrial democracies seek to regulate the activities of political parties in electoral contests Actual political practice suggests that parties are crucial actors in democratic elections yet the nature and extent to which parties are regulated or even recognized as participants in the electoral process varies greatly among nations Author Anika Gauja analyzes the electoral laws of five key common law democracies with similar parliamentary and representative traditions similar levels of economic and political development yet with significantly different electoral provisions the United States the United Kingdom Canada Australia and New Zealand Using the relationship between law and politics as a lens the book focuses specifically on the ways in which these jurisdictions seek to regulate the behavior of their political parties as the product of a broader normative vision of how representative democracy ought to function In its subject matter comparative scope and interdisciplinary theoretical framework this book examines not only electoral law but also ancillary legislation such as funding regulations associations and corporations law and constitutional provisions It also analyzes the case law that guides the interpretation of this legislation Political Parties and Elections represents an innovative body of research comparing for the first time the electoral legal regimes of a significant number of common law nations

The Iberian Legislatures in Comparative Perspective Jorge M. Fernandes, Cristina Leston-Bandeira,2019-05-23 This comprehensive book analyses the development of

the legislatures in the Iberian countries over the past 40 years since democracy was introduced to comparatively understand their role in these political systems and in sustaining their democratic systems Sharing many historical developments and institutional characteristics Spain and Portugal also present crucial differences notably Spain's pure parliamentary system a King as Head of State and a quasi federal structure and Portugal's semi presidential democracy Starting with a historical and institutional contextualization of these two legislatures the book examines the most important organizational and behavioural features of legislative life in Iberian legislatures in a comparative perspective It also shows how new legislatures develop resilience capacity to support lasting democratic systems as fully fledged institutionalized bodies This book will be of key interest to scholars and students of Spain and Portugal legislative politics and parliamentarianism and more broadly to European politics and comparative politics journalists and practitioners

Post-Communist Democracies and Party Organization Margit Tavits, 2013-06-24 Scholars of post communist politics often argue that parties in new democracies lack strong organizations sizable membership local presence and professional management because they do not need them to win elections and they may hinder a party's flexibility and efficiency in office Post Communist Democracies and Party Organization explains why some political parties are better able than others to establish themselves in new democracies and why some excel at staying unified in parliament whereas others remain dominated by individuals Focusing on the democratic transitions in post communist Europe from 1990 to 2010 Margit Tavits demonstrates that the successful establishment of a political party in a new democracy crucially depends on the strength of its organization Yet not all parties invest in organization development This book uses data from ten post communist democracies including detailed analysis of parties in the Czech Republic Estonia Hungary and Poland

Fifty Years of Bangladesh Parliament M. Jashim Ali Chowdhury, 2025-01-20 This book critically examines the constitutional position and contribution of the Bangladesh Parliament during the fifty years of its existence Examining the institution through a Westminster lens the book unearths how and why it behaves in an un Westminster rather say the Eastminster way This book is the first of its kind attempting a separation of powers and checks and balances inspired analysis of the Parliament vis vis Bangladesh's government judiciary and the people It explains how its internal democracy deficit arising from the country's undemocratic political parties deny the Bangladesh Parliament its rightful place within the country's constitutional design

The Political Party in Canada William P. Cross, Scott Pruyers, Rob Currie-Wood, 2022-11-01 Political parties exist at the centre of democratic politics but where does power lie within them and how is it exercised The Political Party in Canada explores the inner workings of these complex organizations through an examination of the composition and roles of key party actors members and activists candidates local associations donors central officials and members of Parliament as well as the interactions between them Contemporary parties play a key role in recruiting and selecting candidates and leaders waging election campaigns and organizing legislatures Drawing on a rich trove of data from the 2015 and 2019 federal elections this book offers a

comprehensive examination of the composition functions activities and power sharing relationships that characterize Canadian parties The authors focus not only on which groups are included in decision making but also on what power and authority rest with each level of the parties respective structures Basing its astute investigation on the themes of complexity representation and personalization The Political Party in Canada provides important insights into a fundamental institution that makes modern democracy possible

Tension, Dilemma and Conflict in Party-Candidate Campaign Strategies

Lukas Hohendorf,2025-06-30 This book examines the campaign communication of political candidates in parliamentary democracies set within the broader trends of globalization and political personalization It explores how district candidates balance local voter preferences national party demands and personal beliefs in their campaigns Using Germany as a case study and drawing on a wide range of data sources the book reveals how situational factors such as electoral rules candidate experience and local party organization influence campaign strategies It demonstrates how campaign positions in parliamentary democracies often deviate from national party stances with implications on party unity and democratic representation Framed by the pressing challenges of regional divergence and the rise of political personalization the book shows why studying individual candidate behavior rather than simply focusing on party leaders is crucial for understanding modern democratic systems This book will be a key resource for scholars students and practitioners in the fields of political parties and elites electoral studies political communication and more broadly comparative politics

eBook:

Representative Government in Modern Europe, 5e GALLAGHER,2021-04-09 eBook Representative Government in Modern Europe 5e

Party System Change in Legislatures Worldwide Carol Mershon,Olga Shvetsova,2013-10-07 How much autonomy do elected politicians have to shape and reshape the party system on their own without the direct involvement of voters in elections

Post-Communist and Post-Soviet Parliaments Philip Norton,David M. Olson,2013-09-13 The sudden collapse of communism stimulated both the rapid emergence of fledgling democracies and scholarly attention to the post communist transition These newly democratized parliaments have been described as parliaments in adolescence This book identifies six parliaments which exemplify the wide range of developments in the new post communist political systems from the stable consolidated democracies to the less stable and more authoritarian states within which their respective parliaments function Finally the post communist parliaments are compared with the presumptively more established west European parliaments This book bridges the usual gap in research between the post communist parliaments and more normal democratic parliaments to develop a common legislative research perspective on both new and established parliaments This book was previously published as a special issue of the Journal of Legislative Studies

Getting the books **Party Discipline And Parliamentary Politics** now is not type of challenging means. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Party Discipline And Parliamentary Politics full book , it can give you a taste of the authors

writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Party Discipline And Parliamentary Politics eBooks, including some popular titles.

FAQs About Party Discipline And Parliamentary Politics Books

What is a Party Discipline And Parliamentary Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Party Discipline And Parliamentary Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Party Discipline And Parliamentary Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Party Discipline And Parliamentary Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Party Discipline And Parliamentary Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
